The Day the Crayons Quit Drew Daywalt, 2013-06-27 The hilarious, colorful #1 New York Times bestselling phenomenon that every kid wants! Gift a copy to someone you love today. Poor Duncan just wants to color. But when he opens his box of crayons, he finds only letters, all saying the same thing: His crayons have had enough! They quit! Blue crayon needs a break from coloring all those bodies of water. Black crayon wants to be used for more than just outlining. And Orange and Yellow are no longer speaking—each believes he is the true color of the sun. What can Duncan possibly do to appease all of the crayons and get them back to doing what they do best? With giggle-inducing text from Drew Daywalt and bold and bright illustrations from Oliver Jeffers, *The Day the Crayons Quit* is the perfect gift for new parents, baby showers, back-to-school, or any time of year! Perfect for fans of *Don't Let the Pigeon Drive the Bus* by Mo Willems and *The True Story of the Three Little Pigs* by Jon Scieszka and Lane Smith. If Your Monster Won't Go To Bed Denise Vega, 2017-03-14 For fans of *How to Babysit a Grandpa* comes a tongue-in-cheek story that is a step-by-step manual for putting your monster to

bed. If you have a monster that won't go to bed, don't bother asking your parents to help. They know a lot about putting kids to bed, but nothing about putting monsters to bed. It's not their fault; they're just not good at it. Read this book instead. It will tell you what to feed your monster before bed (it's not warm milk), and what to sing to your monster (it's not a soothing lullaby), and what to read to your monster to send him off to dreamland in no time (the scarier, the better). Just make sure you don't get too good at putting monsters to bed—or you might have a BIG problem on your hands! Praise for Zachariah OHora: "The text is pitch-perfect, and the art is its match." —Chicago Tribune (Wolfie the Bunny) "Picture books with hip, quirky illustrations that are not just funny but also have plenty of heart are hard to find. The stylish *My Cousin Momo* by Zachariah OHora has it all." —The Boston Globe (My Cousin Momo) [set star] "OHora's acrylic paintings are the heart of this tale. They clearly show everyone's feelings . . . and there are brilliant bits of humor and whimsy." —School Library Journal, starred review (Wolfie the Bunny) "OHora could paint stones in the street and make them funny." —Publishers Weekly (My Cousin Momo)

Ragged Gretchen Ronnevik, Elyse Fitzpatrick, 2021-05-11 When we mistake spiritual disciplines for to-dos, time slots on our schedule, or Instagram-able moments, we miss the benefits of Christ's continual and constant work for us. In *Ragged*, Gretchen Ronnevik aims to reclaim spiritual disciplines as good gifts given by our good Father instead of heavy burdens of performance carried by the Christian. Only when we recognize our failures to maintain God's commands do we also realize the benefit of our dependence on his promises. Gretchen uses this distinction on law and gospel, presented throughout Scripture, to guide readers through spiritual disciplines including prayer, meditation, Scripture reading, and discipleship among others. Despite our best efforts, the good news is that spiritual disciplines have less to do with what we bring before God and more about who Christ is for us, not only as the author but also as the perfecter of our faith.

Star Struck Jenny McLachlan, 2018-04-17 From Jenny McLachlan, the author of *Sunkissed*, comes *Star Struck*, the next Ladybirds young adult novel.

The Stardust in My Soulbones Rebekka Kaur, 2020-05-11 This book compiles poems written by a person who believes that the sky is not the limit; it never was. It is an expression of the distance traveled by the words between the home built by the human race here and the interstellar forces swarming around the Cosmos. So, the writer has nicely captured the words dipped in stardust and wisdom into beautiful poetries to make you envision beyond the mundane existence of daily life. It

will take you to places covered in the space dust that you have accumulated while traveling to different places in this milky way and beyond. The poems will make you see that you are much more than the bones and blood and tissues and this world is much more than your eyes can see. Just like a spell, the words in the poems might make you see the extraordinary you, living under the human skin and also, might set you in the direction which will take you to places that are left unseen and unnoticed by the analytical mind of yours. These poems are more like chants that the writer happened to capture for you to read; so that you have something to look upon, the next time you look up in the sky. It's for you to look at what is hiding in the upper layers of the atmosphere of this blue gem. Sometimes, you just need the eyes to look at what's up there and if you don't have them, even standing on the surface of the moon won't seem magical to you. I hope these poems will give you that kind of light to your eyes.

She'll be his for the summer, and then he'll see her safely out of Olympus and away from her mother and Zeus. Hades and Persephone's deal might seem simple enough, but they both quickly realize it's anything but.
