Sounder William H. Armstrong, 2011-07-12 This powerful Newbery-winning classic tells the story of the great coon dog Sounder and his family. An African American boy and his family rarely have enough to eat. Each night, the boy's father takes their dog, Sounder, out to look for food. The man grows more desperate by the day. When food suddenly appears on the table one morning, it seems like a blessing. But the sheriff and his deputies are not far behind. The ever-loyal Sounder remains determined to help the family he loves as hard times bear down. This classic novel shows the courage, love, and faith that bind a family together despite the racism and inhumanity they face in the nineteenth-century deep South. Readers who enjoy timeless dog stories such as *Old Yeller* and *Where the Red Fern Grows* will find much to love in *Sounder*, even as they read through tears at times.

*Christmas at Silver Ridge* Karice Bolton, 2023-10-11 A holiday scavenger hunt in the town of Silver Ridge brings a stroll down memory lane for Janey Dixon, but she doesn't realize who's waiting on the other end. Is she ready to let her walls down and take a leap of faith? Karice writes Christmas the way I want to live Christmas! Janey Dixon loves being a reporter for Silver Ridge's newspaper, and the job is especially fun during the holidays. Whether she has an excuse to visit the local bake sale or lend a hand with the holiday bazaar, she loves having the inside scoop on everything Christmas in Silver Ridge. It also makes going home to an empty house a little less chilly on those snowy nights when she is stuffed with sugar cookies and gingerbread. Besides, Janey's never been great at sharing, compromise, or dating, and as she's been told many times that dating is full of compromise and sharing, so she's content with her gingerbread men, and extremely grateful for her best friend, Gabe. However, when one of the editors at the paper decides to get in on a national trend and put together a Christmas scavenger hunt for the little town, Janey finds herself in the whirlwind of festivities. But as the tasks are checked off and Christmas is nearing, she can't help but notice everything seems to be centered around love. It isn't until she moves toward the last clue, that the pieces start to fit together, and she realizes she's been missing out on something she never knew she wanted. Love. And the man who holds the key to her heart is ready to unlock a little Christmas magic if she's ready to take the leap of faith.

*Think Big, Act Bigger* Jeffrey Hayzlett, 2015 The most dangerous move in business is the failure to make a move. Global business celebrity and prime-time Bloomberg Television host, Jeffrey W. Hayzlett empowers business leaders to tie their visions to actions, advancing themselves past competitors and closer to their business dream. Drawing upon his own business back stories including his time as CMO of Kodak and sharing examples from the many leaders featured on The C-Suite with Jeffrey Hayzlett, Hayzlett imparts ten core lessons that dare readers to own who they are as a leader and/or company, define where they want to go, and fearlessly do what it takes to get there--caring less about conventional wisdom, re-framing limitations, and steamrolling obstacles as they go.

**Ninth Man II:** Bill Pennabaker, 2016-10-21 Can a woman make it to the major leagues? In this much anticipated sequel to the beloved book, *The Ninth Man*, *Ninth Man II: The First Woman* continues with the saga of Casey Collins, a female baseball player who is striving to become the first woman to make it to the major leagues. As Casey attempts to make history, she unintentionally ignites this generations battle of the sexes. The stakes are raised as a legion of young girls and women rally to support Casey in her quest, and her fear of letting down her girls far outweighs any fear of a 95-mph fastball. While the core cast from *The Ninth Man* remains, many new characters are introduced. Some are favorable to Casey; others are not. Included are a legendary pitcher straight out of a Leroy Neiman portrait, a woman from Nigeria with piercing eyes and a wit to match, and Tomasino Hawk, the major leagues only Native American player. Follow Casey Collins and this diverse cast of characters as the issues of baseball and life collide. As it was with *The Ninth Man*, *Ninth Man II: The First Woman* is about more than baseball. Much more.

Teacher David B. Kane, 2022-10-04 In denial, two species from alien worlds face a similar future. Teachers with generations' worth of training to fight the Darkness first must fight the complacency and corruption of their own Sounders. Poseidon, a Master Teacher, must train two young Sounders, Quickfin and Silverfin, to possess that rare trait of greatness. Quickfin's genius precipitates a crisis unforeseen even by Poseidon, which leads them on a current of self-discovery. From youth to maturity, the two young Sounders must become more than they thought they could be. To defeat the Darkness, circumstance forces the Sounders to form an alliance with the surfriders, a complex species similar to them, who are capable of both kindness and cruelty. In this battle, Suzan, a surfrider, learns about the battle between good and evil that exist in her world. She discovers a covert organization representing good, which has fought a losing battle for the last two decades. Can she--Will she help? This book delves into matters of the heart. Though based on Christian culture, it should never be a replacement for the proper study of the Bible.

Sounders FC, Authentic Masterpiece Mike Gastineau, 2013 It sounds like the start of a great joke: A minor-league sports executive, one of the richest men in the world, a stand-up comedian, and a Hollywood movie producer conspire to start a soccer team. But what Adrian Hanauer, Paul Allen, Drew Carey, and Joe Roth did when they started the Seattle Sounders FC was no joke. They meticulously planned the launch of the Major League Soccer (MLS) franchise with an eye toward some lofty goals. Then they stood back in amazement as they rocketed far beyond those goals buoyed by a team that ignored its expansion label and a fan base that wildly embraced them. Through interviews with key executives, athletes and fans, author Mike Gastineau tells the story leading up to the launch of Sounders FC, the MLS expansion franchise whose seemingly overnight success has captured the attention of the Seattle sports community, sports and entertainment executives, soccer followers across the country and the national news media. In *Sounders FC Authentic Masterpiece*, readers will learn: \* How a money-losing soccer club rocketed from the ranks of the minor leagues to Major

League Soccer drawing sell-outs and regularly topping 50,000 fans per match.\* The unique relationships between the eclectic group of seasoned sports executives, Hollywood celebrities and bar room soccer fans who came together to build a sports culture that validated Major League Soccer in Seattle and across the country.\* The personalities of the players and coaches who took different paths to the team and turned their diversity into a winning team starting on opening night. Gastineau communicates to readers the entire history of events that led to the Sounders FC launch beginning with the role soccer fans played in securing a professional football stadium for the Seattle Seahawks. Also emphasized in the book are the soccer fans, bar owners and soccer subculture that existed in Seattle and was waiting to be acknowledge by mainstream professional sports leaders and media. The book also details how that soccer subculture directly impacted one of the biggest deals in MLS history, the signing of superstar Clint Dempsey in 2013. This is a story of sports, business, culture, timing, and luck. It demonstrates how powerful business people were able to check their egos and embrace their customers all for the sake of the fans, the city, and a soccer culture desperate to embrace a sports team that treated them with respect.
