   Finish Your Film! Tips and Tricks for Making an Animated Short in Maya Kenny Roy,2014-04-29 Finish Your Film! Tips and Tricks for Making an Animated

Short in Maya is a first-of-its-kind book that
walks the reader step-by-step through the actual
production processes of creating a 3D Short film
with Maya. Other books focus solely on the
creative decisions of 3D Animation and broadly
cover the multiple phases of animation production
with no real applicable methods for readers to
employ. This book shows you how to successfully
manage the entire Maya animation pipeline. This
book blends together valuable technical tips on
film production and real-world shortcuts in a
step-by-step approach to make sure you do not get
lost. Follow along with author and director Kenny
Roy as he creates a short film in front of your
eyes using the exact same methods he shows you in
the book. Armed with this book, you'll be able to
charge forth into the challenge of creating a
short film, confident that creativity will show up
on screen instead of being stifled by the
labyrinth that is a 3D animation pipeline.

   The Business of Android Apps Development Mark
Rollins,2012-02-01 The growing but still evolving

success of the Android platform has ushered in a second mobile technology "gold rush" for apps developers, but with well over 100,000 apps and counting in the Google Android Market and now the Amazon Android Appstore, it has become increasingly difficult for new applications to stand out in the crowd. Achieving consumer awareness and sales longevity for your Android app requires a lot of organization and some strategic planning. Written for today's Android apps developer or apps development shop, The Business of Android Apps Development shows how to incorporate marketing and business savvy into every aspect of the design and development process, giving your application the best possible chance of succeeding in the the various Android app stores and markets. This book takes you step-by-step through cost-effective marketing, public relations and sales techniques that have proven successful for professional Android app creators and indie shops—perfect for independent developers on shoestring budgets. No prior business knowledge is required. This is the book you wish you had read before you launched your first app!

  It Devours! Joseph Fink,Jeffrey Cranor,2017-10-17 A new page-turning mystery about science, faith, love and belonging, set in a friendly desert community where ghosts, angels, aliens, and government conspiracies are commonplace parts of everyday life. Welcome to Night Vale… "Brilliant, hilarious, and wondrously strange. I'm packing up and moving to Night Vale! —Ransom Riggs, #1 New York Times Bestselling Author of Miss Peregrine's Home for Peculiar Children. From the authors of the New York Times bestselling novel Welcome to Night Vale and the creators of the #1 international podcast of the same name, comes a mystery exploring the intersections of faith and science, the growing relationship between two young people who want

desperately to trust each other, and the terrifying, toothy power of the Smiling God. Nilanjana Sikdar is an outsider to the town of Night Vale. Working for Carlos, the town's top scientist, she relies on fact and logic as her guiding principles. But all of that is put into question when Carlos gives her a special assignment investigating a mysterious rumbling in the desert wasteland outside of town. This investigation leads her to the Joyous Congregation of the Smiling God, and to Darryl, one of its most committed members. Caught between her beliefs in the ultimate power of science and her growing attraction to Darryl, she begins to suspect the Congregation is planning a ritual that could threaten the lives of everyone in town. Nilanjana and Darryl must search for common ground between their very different world views as they are faced with the Congregation's darkest and most terrible secret.
