Jonathan Wilson

Goalkeeper Andi Burns, Heart Eyes Press, 2021-09-05 Winning games has always been his focus, but will winning her heart become the ultimate goal? Everyone at Moo U knows the party doesn't start until Paige Underwood arrives. Not only is she beautiful, she's fun and charming too. Guys want to date her, and girls want to be her best friend. All Paige wants is to have a good time and make videos for her beauty channel--and maybe get that girl down the hall to do her eyeliner correctly. Is that too much to ask? According to her parents, yes. They've said the party's over and that it's time to get focused. Spencer Briggs knows all about focus. He's had one goal since he set foot on the ice as a kid: make it to the NHL. After years of hard work and endless practice, he's the starting goalie for Moo U and mere steps away from his dream. He can't afford distractions, and isn't interested in relationships. And he definitely can't afford to flirt back with the gorgeous girl in his lit class. He needs to stay serious. She needs to get serious. But now serious sparks are flying...

**Goal Keeper** Sarah Nego, 2018-07-20 You know what they say about the best laid plans...Luci has big ones and they don't include getting laid. She's got scholarships to maintain, a grueling schedule of classes and soccer practice, and no room for nonsense. So when her captain makes it clear that the guys' team is off limits, it's not a problem...Until she meets Ryan. Star forward on the guys' soccer team. Hotter than should be legally allowed. And worst of all...her team captain's ex. When Ryan talks Luci into being his partner in Spanish class, he makes her want things that could set all her big plans on fire. Things like Ryan, naked in her bed, naked in the locker room, naked on the quad...so much naked. She shouldn't want him, but a girl can only have so much restraint when temptation throws a drool-inducing six-pack in your face and kisses in a way that makes breathing seem optional. Dating Ryan was never Luci's plan, but plans can change. Is this hot jock worth risking everything she's worked

for?Goal Keeper is a laugh-out-loud standalone full of swoon-worthy, forbidden romance. Drop your plans and start reading today!

**Soccer Training for Goalkeepers** Klaus Bischops,Heinz-Willi Gerards,Juergen Wallraff,2006 In the last few years, there is no other position on the soccer field that has seen so many deep-rooted changes as seen in goalkeeping. Good reflexes on the goal line and superb control of the penalty zone by the goalkeeper used to be the main characteristics of this position. Nowadays, however, additional skills are demanded because, in the new role of the goalkeeper, he must have good ball skills and he must be in a position to be able to 'read' the game and put structure into the play from the rear. This new function of the goalkeeper requires a further development of the training emphasis.

*Goalkeeper in Charge* Matt Christopher,2009-12-19 Tina Esparza loves soccer, especially that it's a team sport where no one player is in the spotlight. Imagine her surprise when the coach asks her to train as the team's goalkeeper. Will Tina be able to overcome her shyness and accept a position that puts her in the center of attention?

**Goalkeeper** Andi Burns,2021

*The Outsider* Jonathan Wilson,2012-12-06 'Aloof, solitary, impassive, the crack goalie is followed in the streets by entranced small boys. He vies with the matador and the flying aces, an object of thrilled adulation. He is the lone eagle, the man of mystery, the last defender' Vladimir Nabokov Albert Camus, Sir Arthur Conan Doyle, Yevgeny Yevtushenko, Pope John Paul II, Julian Barnes and not forgetting Nabokov himself ... it's safe to say the position of goalkeeper has over the years attracted a different sort of character than your average footballer. In this first-ever cultural history of the 'loner' between the posts, Jonathan Wilson traces the sometimes dangerous intellectual and literary preoccupations of the keeper, and looks at how the position has secured a certain existential cool. He travels to the

Bassa region of Cameroon, which has produced two of Africa's greatest keepers, and also to Romania to talk to Helmuth Duckadam, who saved four penalties for Steaua Bucharest in the 1986 European Cup final. His absorbing tactical and technical insights into football history even take us back to the days when matches were contested without a man between the sticks. THE OUTSIDER is the definitive account of that most mysterious of footballing personalities - the goalkeeper.

*Goalkeeper in Charge*, 2002-09 Tina Esparza loves everything about soccer, but especially the fact that it is a team sport where no one player is in the spotlight. Imagine her surprise when the coach asks her to train as the team's goalkeeper! Will Tina be able to overcome her shyness and accept a position that puts her in the center of attention?

Tommy Lawton Jack Rollin, 2020-10-05 During a stellar 20-year career punctuated by the Second World War, such was Tommy Lawton's prowess in front of goal he was a magnet for spectators at a host of top-level clubs. Prior to the war, he served Burnley and Everton with distinction; enlisted to the British army for the war effort, he guested for a host of clubs. After VE Day he maintained his career average of more than one goal every other game - with Everton, Chelsea, Notts County, Brentford, as player manager, and Arsenal; before another spell as player boss at Kettering. In 46 England games either side of the war and including wartime fixtures, he plundered 46 goals. Those

impressive stats would surely be even more so but for the war. Deadly in the air or with either foot, and renowned for his sportsmanship - he was never booked throughout his career - Head and Shoulders Above the Rest is an ode to a swashbuckling centre-forward and the man Stanley Matthews described as: 'Quite simply, the greatest header of the ball I ever saw.'

**The Goalkeeper** Sean White, 2023-10-24 Lose the game, she said. Lose the game or everyone dies. A wave of euphoria is sweeping across the British Kingdom. Differences have been set aside and people are bound together by their devotion to the Guiding Principles of Joy and Compassion and their love for the Great Unifier - soccer. The whole world wants to be a part of it, but for Josh Pittman, the world is a place he feels he doesn't fit in. Bored, listless and somehow immune to the sporting paradise around him, he can't even muster the enthusiasm to play in goal for his local team. But when a chance encounter with a mysterious young woman leaves him with a broken nose, a stolen car and a warning that humanity is under attack from a hidden race of supernatural beings, Josh thinks he may have found his purpose in life - and someone to share it with. The only question is, what has any of it got to do with him? As the final of the grandest international tournament in history looms and strange deaths at stadiums across the globe go unreported, Josh is whisked away on a journey through time and space to uncover the truth behind mankind's very existence - and the role he is destined to play in what might just be the world's worst case of mistaken identity...

**A Singapore Fling** Peter Broadbent, 2015-04-16 Having survived the notorious Training Establishment HMS Ganges and 'cut his teeth' onboard HMS Bermuda, Peter Broadbent believed that he was equipped for anything the Royal Navy could throw at him. For 18 incident-filled months (1962-64) he 'did his bit' onboard HMS Lincoln caught up in the Malaysian Crisis, on the other side of the world. For the young sailor, this meant visiting every corner of the Far East from Singapore, Hong Kong and Osaka, to Manila, Sandakan and Lankawi. The nature of the Crisis seemed to pass him by, as he was more interested in acquiring a suntan, picnicking on sandy beaches, buying his first pair of flip-flops, exploring Bugis Street, downing bottles of Tiger beer, and avoiding the clutches of 'Suzie Right', 'Calamity Jayne' and a girl with bad teeth known as 'Piano'. Along the way, he crossed the equator, qualified as an AB, tasted his first rum ration, manned a Kumpit Boarding Party in search of enemy vessels, and spent a week tramping through the jungle with the Gurkhas. His return to the UK coincided with the appearance on the streets of that design classic ... the mini-skirt. He had just celebrated his twentieth birthday and the girls of the United Kingdom voluntarily hoisted their hemlines in acknowledgment. This engaging and humorous memoir, filled with colourful characters, is every bit as gripping as Peter Broadbent's previous books, which have garnered excellent reviews.

**Keeper** Mal Peet, 2011-03-22 An enthralling story of a poor and gawky kid who mysteriously becomes the world's greatest goalkeeper — a seamless blend of magic realism and exhilarating soccer action. And you found it, this thing you were looking for? It was darker now, and the city below Faustino's office was a jazzy dance of neon signs and traffic. The big man went to the window and looked down at it all, spreading his large hands on the glass. No, he said. It found me. When Paul Faustino of LA NACION flips

on his tape recorder for an exclusive interview with El Gato — the phenomenal goalkeeper who single-handedly brought his team the World Cup — the seasoned reporter quickly learns that this will be no ordinary story. Instead, the legendary El Gato (The Cat) quietly narrates a spellbinding tale that begins in a mythic corner of the South American rain forest, where a ghostly but very real mentor, the Keeper, emerges to teach the gangly boy the most thrilling secrets of the game. Combining vivid imagery and heart-stopping action, this evocative, strikingly ethereal novel about loyalty, passion, and magic will haunt readers, regardless of their love for soccer, long after the story is ended.

*My Greatest Save* Briana Scurry, Wayne Coffey, 2022-06-21 A deeply moving and painfully honest memoir from the trailblazing, World Cup-winning, Olympic gold medalist, and US Women's soccer goalie Briana Scurry Briana Scurry was a pioneer on the US Women's National Team. She won gold in Atlanta in 1996, the first time women's soccer was ever played in the Olympics. She was a key part of the fabled "99ers," making an epic save in the decisive penalty-kick shootout in the final. Scurry captured her second Olympic gold in 2004, cementing her status as one of the premier players in the world. She was the only Black player on the team, and she was also the first player to be openly gay. It was a singularly amazing ride, one that Scurry handled with her trademark generosity and class—qualities that made her one of

the most popular players ever to wear a US jersey. But Scurry's storybook career ended in 2010 when a knee to the head left her with severe head trauma. She was labeled "temporarily totally disabled," and the reality was even worse. She spiraled into depression, debt, and endured such pain that she closed out her closest friends and soccer soulmates. She pawned her gold medals. She walked to the edge of a waterfall and contemplated suicide. It seemed like the only way out until Scurry made her greatest save of all. A memoir of startling candor, *My Greatest Save* is a story of triumph, tragedy, and redemption from a woman who has broken through barriers her entire life.
