Why Can't They? Sivasankari, 2022-05-26 This is a story of six year old Aruna, whose mother deserts her. Aruna has to live with her father Vasu, who is drowned in resentment and anger for his wife while her grandmother

wallows in self-pity and is burdened by bringing up her grand-daughter. Does anyone care about the little girl, her thoughts, her feelings, her aspirations, likes and dislikes? Can her teachers understand her; her friends; her neighbors? The author delves deep into the psychology of the lonely and love-deprived child and makes us look at our relationships, the way we bring up our children and what we need to do as adults.

When Home Won't Let You Stay Eva Respini,Ruth Erickson,2019-01-01 Insightful and interdisciplinary, this book considers the movement of people around the world and how contemporary artists contribute to our understanding of it In this timely volume, artists and thinkers join in conversation around the topic of global migration, examining both its cultural impact and the culture of migration itself. Individual voices shed light on the societal transformations related to migration and its representation in 21st-century art, offering diverse points of entry into this massive phenomenon and its many manifestations. The featured artworks range from painting, sculpture, and photography to installation, video, and sound art, and their makers--including Isaac Julien, Richard Mosse, Reena Saini Kallat, Yinka Shonibare MBE, and Do Ho Suh, among many others--hail from around the world. Texts by experts in political science, Latin American studies, and human rights, as well as contemporary art, expand upon the political, economic, and social contexts of migration and its representation. The book also includes three conversations in which artists discuss the complexity of making work about migration. Amid worldwide tensions surrounding refugee crises and border security, this publication provides a nuanced interpretation of the current cultural moment. Intertwining themes of memory, home, activism, and more, *When Home Won't Let You Stay* meditates on how art both shapes and is shaped by the public discourse on migration.

The Candle and the Flame Nafiza Azad,2019-05-14 Azad's debut YA fantasy is set in a city along the Silk Road that is a refuge for those of all faiths, where a young woman is threatened by the war between two clans of powerful djinn. Fatima lives in the city of Noor, a thriving stop along the Silk Road. There the music of myriad languages fills the air, and people of all faiths weave their lives together. However, the city bears scars of its recent past, when the chaotic tribe of Shayateen djinn slaughtered its entire population -- except for Fatima and two other humans. Now ruled by a new maharajah, Noor is protected from the Shayateen by the Ifrit, djinn of order and reason, and by their commander, Zulfikar. But when one of the most potent of the Ifrit dies, Fatima is changed in ways she cannot fathom, ways that scare even those who love her. Oud in hand, Fatima is drawn into the intrigues of the maharajah and his sister, the affairs of Zulfikar and the djinn, and the dangers of a magical battlefield. In this William C. Morris YA Debut Award finalist novel, Nafiza Azad weaves an immersive tale of magic and the importance of names; fiercely independent women; and, perhaps most importantly, the work for harmony within a city of a thousand cultures and cadences.

The Political Heist - Chapter One Eshwar Viswanath,2022-07-19 Adithya Kumaran, a business tycoon from Chennai, threatened the ruling party ministers to expose classified evidence that could cost their political careers. To save their careers, the ministers decided to hire a professional thief, Veerarjunan (Veera), to steal the evidence from Adithya. The evidence was silently roaring in a highly customised locker inside Adithya's private jet. Veera, an experienced thief and skilled in martial arts, formed a team with a fellow thief, a techie and also a pilot who joined them in the series of events. Were Veera and his team able to break into the locker and pull off the heist successfully? Was the whistleblower silenced or did he blow up the political career of the ministers?

The Inheritors Neel Chowdhury,2011-10-01 Lohia & Co—one of India's largest commodity traders, the country's biggest jute supplier, owner of tea estates, as well as cement, steel, shipping and motor cycle firms, and its own insurance arm—is in trouble. Now a strike, led by ageing Marxist trade union leader Hirenmooy Chakroborty, is destabilizing its Calcutta headquarters—and Aruna the bitter, power-hungry sister of Hari Lohia, the head of the dynasty, is using the opportunity to launch a covert takeover of the business with the help of her two ambitious sons. But Hari Lohia, who single-handedly built up Lohia & Co from a tiny jute trader in the crowded alleys of Barabazar to a sprawling global conglomerate, is not willing to let go of his empire so easily. He comes from a family of survivors, ancestors who moved across the country from Rajasthan with nothing and built their fortunes from scratch. And he discovers unlikely allies in this last great battle he has to fight—Anjali, his tough, cynical sister, a fiery opponent of Aruna's; and Shivani, his beautiful, rebellious daughter who has always been too busy having love affairs to pay attention to her father's business. Who will lose? Who will win? And most importantly—will the house of Lohia fall like a pack of cards? Moving from the crumbling offices of Calcutta to hedge funds in Hong Kong, from the Mumbai stock market to nineteenth century Rajasthan, and boasting an enormous cast of characters, *The Inheritors* is quite simply sensational.

Colors of Life Himanshu Saxena,2013-10-28 *Colors Of Life* is a love story woven around a middle class boy and girl. It captures the complex world of human emotions when technology interface was just knocking. It was a world with no Facebook, No Androids, No Multiplexes but pure, pristine and passionate surroundings. Boys and Girls talked more face to face. Love was accountable and responsible. It was like swans flying together, romancing together. The story captures the delicate human relationships and the continuous struggle for accepting love as an essential ingredient in life. In today's world of deceit and counterfeit relationships the story brings a breath of fresh air and exemplifies how simple virtue of trust and companionship helps shape the colors of world. There are several characters in the story who play their part in the overall canvas and ensure that love birds get to their destination. The story aptly captures the complex human relationships which shape an individual's life and responses. Love and passion are the universal eraser of our fears and tribulations. They transcend time, geographies, age and have been with us ever since the dawn of civilization. If there were no love and passion, this world will be devoid of color and memories.
