

God Finger

Robert R. Edgar

The Finger of God Jesse L. Jackson Jr.,2021-12-06 Let me offer an early disclaimer. I know exactly who the Founders were. I know exactly the crimes against humanity that they were responsible for and those they inherited and were not responsible for. I do not spend time extolling the virtues of Mr. Jefferson, Mr. Adams, Mr. Franklin, and Mr. Madison. Nothing in this work or in my experiment (my life's work) can change the fact or alter the history of the debasement of humanity that preceded the Declaration of Independence (1776), the Constitution (1787), and the Bill of Rights (1791) they were a part of and the obvious fact that the major accomplishment of the Founders' theories about self-government did not apply to African Americans and Native Americans, women, and specifically Black women in their thinking. Still, there exists in their theological imagination infinite hope for their experiment. This work seeks to identify the evidence that shows and suggests that some of them were aware of a grand architectural experiment and design for the nation and its future. Every cracked, broken, and imperfect vessel can be used to bring forward hope. I am a personal witness to this fact of human existence.

God's Middle Finger Richard Grant,2008-03-04 A narrative portrait of the Sierra Madre describes the author's numerous journeys into its ungoverned regions, where he consulted with a folk healer and witnessed local violence and lawlessness that eventually threatened his own survival. Original. 75,000 first printing.

The Finger of God John Cumming,1853

The Finger of God Robert R. Edgar,2018-05-24 On the morning of May 24, 1921, a force of eight hundred white policemen and soldiers confronted an African prophet, Enoch Mgijima, and some three thousand of his followers. Called the Israelites, they refused to leave their holy village of Ntabelanga, where they had been gathering since early 1919 to await the end

of the world. While the Israelites maintained they were there to pray and worship in peace, the white authorities viewed them as illegally squatting on land that was not theirs. After many months of fruitless negotiations, the South African government sent an armed force to Bulhoek, a village in the Eastern Cape, to expel them. In the event that has come to be known as the Bulhoek massacre, police armed with rifles, machine guns, and cannons killed nearly two hundred Israelites wielding knobkerries, swords, and spears. In *The Finger of God*, Robert Edgar reveals how and why the Bulhoek massacre occurred. Edgar asks: Why did Mgijima prophesize that the end of the world was imminent, and why did he summon his followers to Ntabelanga? Why did the South African government regard the Israelite encampment as a threat? Examining this clash between a government and a millennial movement, Edgar considers the Bulhoek massacre both as a signal event in South African history and as an example of similar conflicts worldwide.

Finger of God: WarKeep 2030 - Book Three Michael Kasner,2022-12-05 From action/adventure novelist Michael Kasner comes a series of future military warfare! The year is 2030 and the world is in a state of political and territorial unrest. The Peacekeepers, an elite military force is created to combat it. Armed with all the tactical advantages of modern technology, battle hard and ready when the free world is threatened - the Peacekeepers are the baddest grunts on the planet. **FINGER OF GOD: WARKEEP 2030 - Book 3:** The allied nations of South America are poised to attack Brazil for environmental crimes affecting the lives of millions. The Peacekeepers are dispatched to shut down the fighting with brute force. Echo Company's got the meanest pack of rat bastards the grunts can produce, but their opening salvos are met with superior resistance. Border claims, ancient disputes and outright greed all threaten to draw the rest of the continent into the conflict. The Peacekeepers have faced

bad odds before, but up against a ruthless and bloodthirsty enemy - and with the specter of nuclear holocaust looming on the horizon - this operation has the potential of becoming another Waterloo.

Finger of God Pasquale A. Emiro,2009-02-01

From the Finger of God Philip S. Ross,2010 This book investigates the biblical and theological basis for the classical division of biblical law into moral, civil, and ceremonial. It highlights some of the implications of this division for the doctrines of sin and atonement, concluding that theologians were right to see it as rooted in Scripture and the Ten Commandments as ever-binding.

Michelangelo and the Finger of God Paul Barolsky,2003

Bandit Roads Richard Grant,2009-10-01 There are many ways to die in the Sierra Madre, a notorious nine-hundred-mile mountain range in northern Mexico where AK-47s are fetish objects, the law is almost non-existent and power lies in the hands of brutal drug mafias. Thousands of tons of opium and marijuana are produced there every year. Richard Grant thought it would be a good idea to travel the length of the Sierra Madre and write a book about it. He was warned before he left that he would be killed. But driven by what he calls 'an unfortunate fascination' for this mysterious region, Grant sets off anyway. In a remarkable piece of investigative writing, he evokes a sinister, surreal landscape of lonely mesas, canyons sometimes deeper than the Grand Canyon, hostile villages and an outlaw culture where homicide is the most common cause of death and grandmothers sell cocaine. Finally his luck runs out and he finds himself fleeing for his life, pursued by men who would murder a stranger in their territory 'to please the trigger finger'.

God's Little Finger E. R. Bridgman,2015-09-30 God's Little Finger - The Trilogy, is Science fiction meets Christian fiction meets real life with humor, romance, anger, frustration and aggravation and a healthy dose of what a Christian is supposed to be and to do. Biblical truths and prophecy are injected at few and various times but are bold in their deliveries and the book's main message. The book is about 95% conversational between JohnAthan Edward David O'Brannon and among JohnAthan his mother, Sylvia; wife, Angela and most of the other characters that are within John's universe. Like his last name implies, he is Irish and a wee bit on the hot-headed side. He also had a strange unknown power when he was a child, from age 5 to puberty, then it disappeared as quickly as it arrived. Within the very first days of January, 2021, he is very belligerent at an alien entity when it approached and called out to him and they have a lively conversation. The alien is not an alien, but God. Then The Power returns into his DNA. Then things really heat up. There is a lot of wranglings and twists in his life, from a military viewpoint of his inventions to meeting an old friend who becomes his wife. Space travel and bases and orbiting stations then present themselves near the end, for the future of mankind. . . . Only God has the final resting place and powers, in and through His Spirit, to change and rejuvenate human bodies. JohnAthan tells his wife, Angela: Religion will not save us. Only the relationship offered by God to us, through his Son, our Lord and Savior, Messiah God, Jesus, will save us.

Heaven's Crooked Finger Hank Early,2017-11-07 2018 Next Generation Indie Book Award Winner! Eerie, intense, and masterfully-crafted, Hank Early's gripping series debut Heaven's

Crooked Finger transports readers to a secretive community in the Georgia mountains. Earl Marcus thought he had left the mountains of Georgia behind forever, and with them, the painful memories of a childhood spent under the fundamentalist rule of his father RJ's church—a church built on fear, penance, and the twisting, writhing mass of snakes. But then an ominous photo of RJ is delivered to Earl's home. The photograph is dated long after his father's burial, and there's no doubt that the man in the picture is very much alive. As Earl returns to Church of the Holy Flame searching for the truth, faithful followers insist that his father has risen to a holy place high in the mountains. Nobody will talk about the teenage girls who go missing, only to return with strange tattoo-like marks on their skin. Rumors swirl about an old well that sits atop one of the mountains, a place of unimaginable power and secrets. Earl doesn't know what to believe, but he has long been haunted by his father, forever lurking in the shadows of his life. Desperate to leave his sinful Holy Flame childhood in the past, Earl digs up deeply buried secrets to discover the truth before time runs out and he's the one put underground in Heaven's Crooked Finger, Hank Early's thrilling series debut.

How the Gods Created the Finger People Elizabeth Moore, Alice Couvillon, 2011-03-03 When artist Luz-Maria Lopez was growing up in Honduras, her grandmother would tell fantastical bedtime fables about their Mayan ancestors. This story focuses on the creation of the first humans and why it should be that no rich man will enter the gates of heaven unless he treats all who serve him—the finger people—with love and kindness. This fable for young readers is accompanied by colorful Mayan-style illustrations.

Against an Infinite Horizon Ronald Rolheiser, 2002 Rolheiser points readers to the proximity of God in the seeming insignificance of life. He sheds new light on issues such as marriage and family life and the presence of God, loneliness and

sexuality, language and prayer, and most of all, the all-encompassing, unconditional love of God.
