THE HIGH AUCTION Misba, 2021-09-26 In the near future, a machinist, a monk, and a mesmerizer are looking for the Source of the universe, but among the ancient scriptures, they only find the devil ... Few humans in the future find the secrets of what words and sounds can do, for the Apocalypse and war have led them to evolve in mind and physique. Two of them end World War III with just a four-minute speech. Some say they did mass hypnosis. Others say it was their voice and will. Fifty years later in South Asia, KUSHA, a twenty-three-year-old machine-geek with social awkwardness and amnesia, tries to get the Devil's Book with secrets of voice. But her idol of voice and everyone's beloved war heroes, YUAN and RUEM, are also after it for power. In a society that worships the evolved High Grades with voice, how you speak and which words you talk with is important. As someone who finds all solutions in books, Kusha thinks the secrets in the three-foot-long ancient book will teach her to speak mesmerizingly. She believes it will help her evolve. So, she decides to attend the auction where the book will be sold. But there's a problem; powerful High Grades want the book too. They want to code fate, rewriting the material world. They are undead, immortal mesmerizers. And being a philosopher, Kusha admires their ethics while she must fight them—the fight that starts with the book. The fight creates a chain reaction leading her to an epic journey. Cosmic Navigator Gahl Eden Sasson, 2008-07-01 Gahl Sasson's second book, *Cosmic Navigator*, is like a GPS for the soul. It combines Astrology, the map of where and who we are, with Kabbalah the navigation system that tells us how to get to our goal and avoid those traffic patterns and areas of gridlock in our lives. This three part text is the first book of its kind. Not only is it the first book to use Astrology as a resource for self help, it also weds the wisdom of ancient Kabbalistic truths with the powerful archetypes of the zodiac to help you improve and change your life. The first part of the book introduces the basic concepts of Kabbalah and Astrology and how they work together. The second part teaches you how to interpret your own astrological chart as the road map of your life. The third and final part of the book, which is based on Gahl's twelve week workshop, walks the reader through the twelve signs and teaches them how to use each one to bring balance and success into their lives. Is your love life in need of more passion? Turn to the chapter on Scorpio and learn how to invoke that sexual mysterious energy. Do you need to be more assertive at work? Turn to the chapter on Aries and discover your inner warrior. Unlike other astrology books that simply offer stereotypical profiles, *Cosmic Navigator* teaches us how to take control of our astrological destinies.
