CONSTELIS VOSS vol.1 — COLOUR THEORY K. Leigh,2021-04-27 The series opens on a dystopic planet-sized ship in the far future, where a very advanced android receives a personality file from the 90s. He is the only one of his kind. His name is Alex, and in his quest for understanding just how he got to be an android-and on the planet-sized ship known as CONSTELIS VOSS-he finds curiously familiar faces who help him color in the blanks. As the coincidences pile up-friends, objects, scenes, motifs, and tropes-they start to form a pattern. A pattern that's set against the backdrop of a dystopian, corrupt civilization, with a conveniently very-evil villain. A pattern that seems, in all its madness, to be directly linked to him. Something is pulling the strings, and figuring out the mystery is the only way to save himself, his friends, and the future of the very human race itself. But will he be able solve the mystery without losing himself-and his friends-in the process? The road to hell is paved with good intentions, after all. Welcome to Constelis Voss, the anime-inspired, psychological sci-fi trilogy nobody asked for, but everyone (probably) deserves.

Acquacotta Emiko Davies,2023-02-01 Discover the cuisine of a secret part of southernmost Tuscany, known as La Costa D’Argento — the silver coast, in the second edition of Acquacotta. In this cookbook, Tuscan-based, Australian-born writer and photographer Emiko Davies has compiled and adapted her Italian family’s best-loved recipes from Capalbio, Monte Argentario, Giglio Island and inland to the hot springs of Saturnia and the ancient Pitigliano. It is a celebration of the region that's named for the shimmery salt-and-pepper sand along this part of the Tyrrhenian Sea, its rolling hills, long beaches, overgrown fig trees, rambling vineyards – and rich culinary history. The latest iteration of Acquacotta features a beautiful new cover and a vegetarian and gluten-free index that highlights a different side to Italian cuisine. In words and pictures, Emiko guides readers through the use of local ingredients, as well as sharing the history of rustic, storied dishes including scampi and potato soup, hand-rolled strozzapreti noodles, spinach and ricotta tortelli, chestnut gnocchi and the classic fig and chocolate bread, pagnotella. Plus, of course, the book’s namesake acquacotta, a quintessential Maremman peasant dish that captures the spirit of this special place.

The Global Smartphone Daniel Miller ,Laila Abed Rabho ,Patrick Awondo , Maya de Vries,Marília Duque,Pauline Garvey, Laura Haapio-Kirk,Charlotte Hawkins,Alfonso Otaegui ,Shireen Walton,Xinyuan Wang,2021-05-06 The smartphone is often literally right in front of our nose, so you would think we would know what it is. But do we? To find out, 11 anthropologists each spent 16 months living in communities in Africa, Asia, Europe and South America, focusing on the take up of smartphones by older people. Their research reveals that smartphones are technology for everyone, not just for the young. The Global Smartphone presents a series of original perspectives deriving from this global and comparative research project. Smartphones have become as much a place within which we live as a device we use to provide ‘perpetual opportunism’, as they are always with us. The authors show how the smartphone is more than an ‘app device’ and explore differences between what people say about smartphones and how they use them. The smartphone is unprecedented in the degree to which we can transform it. As a result, it quickly assimilates personal values. In order to comprehend it, we must take into consideration a range of national and cultural nuances, such as visual communication in China and Japan, mobile money in Cameroon and Uganda, and access to health information in Chile and Ireland – all alongside diverse trajectories of ageing in Al Quds, Brazil and Italy. Only then can we know what a smartphone is and understand its consequences for people’s lives around the world.

Tortellini at Midnight Emiko Davies,2019-03-01

Sometime in the 1950s, Emiko Davies' nonno-in-law began the tradition of ringing in the new year with tortellini al sugo. He served it along with spumante and a round of tombola, and sparked a trend; up until the 1970s, you could find tortellini at midnight on New Year's Eve in the bars around the Tuscan town of Fucecchio.

This is just one of the heirloom dishes in this collection, for which Emiko Davies has gathered some of her favourite family recipes. They trace generations that span the length of Italy, from the Mediterranean port city of Taranto in the southern heel of Puglia to elegant Turin, the city of aperitif and Italian cafe culture in the far north and, finally, back to Tuscany, which Emiko calls home.

Tortellini at Midnight is a book rich with nostalgia, with fresh, comforting food and stunning photography. It is a book that is good for the soul.
