**Tech Smart** John R. Connelly,2020-01-03 If you want to make money in the stock market, all the information in the world will not help unless you do some research, devise a game plan, and stay focused. John Connelly shares formulas that can help you determine the trend – bullish or bearish – of an index or security in this trading guide. His system will help you take advantage of price momentum and limit exposure when momentum moves against you. By using the strategies in this guide, you'll be able to: • identify sector leaders that will likely outperform the S&P 500 index; • find free tools and technical indicators to use in your research; • remove emotional aspects of investing that reduce returns. The book tracks five major markets and fifty-five different indexes around the world by region and country. It also highlights how options, calls, and puts can maximize your chance to make money while minimizing risk. By focusing on when an index or security changes direction and confirming the change has occurred, you can capture the majority of moves. Find out how to do it step by step and start walking down a path that leads to stock market riches.

Decode Your Fatigue Alex Howard,2021-10-12 A practical guide to overcoming chronic fatigue, adrenaline fatigue syndrome and chronic low energy, by a renowned health expert. Get to the root cause of your chronic fatigue diagnosis and discover a clinically proven 12-step plan to healing, recovery and transformation. Living with fatigue can feel hopeless and confusing, with traditional medical approaches focusing on managing symptoms rather than understanding and addressing underlying causes. But healing is possible when you learn to decode your fatigue and apply the right interventions, in the right sequence, at the right time. After suffering from chronic fatigue for seven years, renowned health expert Alex Howard founded one of the world's leading clinics specializing in fatigue, and has dedicated over 20 years to understanding this condition. This book will guide you through a clinically proven methodology to help you to: · Understand the underlying factors that cause fatigue · Discover the key steps to increasing your energy sustainably · Map out your personalized plan for recovery This revolutionary 12-step approach will not only help you to decode your fatigue, but also start to create your own path to healing and transformation.
