

Going The Distance

Steve Farrar

Go the Distance Jen Calonita,2021-04-06 What if Meg had to become a Greek god? After Hercules proves he's a true hero and regains his godship, all seems right in the world. That is, until Zeus tells Meg that she can't be with Hercules because she's, well, mortal. Luckily, Hera has a solution, offering Meg a chance to prove herself worthy of a spot on Mt. Olympus--as a god. All Meg has to do is complete a mysterious quest. The mission? Oh, just to rescue her ex's current wife from the Underworld. The ex-boyfriend she saved by selling her soul to Hades. The ex-boyfriend who immediately moved on to someone else while she was stuck in the Underworld. Can Meg put her past behind her and use her quick-wit to defeat monsters and gods alike, including the nefarious Hades? Will she finally figure out her place and contribution to the world? Or will her fear of commitment have her running away from an eternity of godhood with Herc? Written by the author of Mirror, Mirror and Conceal, Don't Feel, Jen Calonita's latest twist is sure to delight and surprise.

Going the Distance Ron Harris,2020-02-11 Long-distance oceanic and overland trade along the Eurasian landmass in the 1400s was largely dominated by Chinese, Indian, and Arabic traders and predominantly conducted over short trajectories by sole traders or organized around small-scale enterprises. Yet, within two centuries of Europeans' arrival in the Indian Ocean in 1498, long-distance trade throughout Eurasia was mainly taken over by them. By 1700, they had formed new, large-scale, and impersonal organizations, primarily a joint-stock business corporation between English East India Company (EIC) and Dutch East India Company (VOC). This allowed them to transform trade from an enterprise dominated by many small traders moving goods over short segments to a vertically integrated firm that was able to control goods from their origin to the end consumers. This rise of the business corporation proved essential for the economic rise of Europe. Why did the corporation arise indigenously only in Europe, and given its effective organization of long-distance trade, why wasn't it mimicked by other Eurasian civilizations for 300 years? Harris closely examines the role played by forms of organization in the transformation of Eurasian trade between 1400 and 1700, comparing the organizational forms that were used in four major civilizations: Chinese, Indian, Middle Eastern, and Western European. Through this comparative perspective, he argues that the organizational design of the EIC and VOC, the first long-lasting joint-stock corporations, enabled large-scale multilateral impersonal cooperation for the first time in human history. He also argues that this new organizational form enabled the English and Dutch to deploy more capital, more ships, more voyages, and more agents than other organizational forms--

Going the Distance Elspeth Kate Ronnander,2020-10-20

Going the Distance Peter Robert Brain,Matthias Media,2004

The Kissing Booth #2: Going the Distance Beth Reekles,2020-01-07 THE SIZZLING SEQUEL TO THE KISSING BOOTH THAT INSPIRED THE NETFLIX MOVIE STARRING JOEY KING AND JACOB ELORDI! Read the rest of the Kissing Booth series for more fun, fresh romance from Beth Reekles. Elle Evans seems to have finally tamed hotter-than-hot bad boy Noah Flynn, but now they're facing a new challenge. Noah's 3,000 miles away at Harvard, which means they're officially a long-distance couple - and it's tough. After all, there's only so much texts and calls can do- and when Elle sees a post which suggests Noah's getting friendly with someone else, she's devastated. On top of that, it's hard to ignore new boy Levi. He's gentle, sweet, cute - and definitely interested in Elle. With her heart on the line, what's a girl to do? Join Elle, Noah, Lee and all your favorite Kissing Booth characters for another amazing romantic story that's sure to have you swooning.

The Distance Between Us Reyna Grande,2012-08-28 In this inspirational and unflinchingly honest memoir, acclaimed author Reyna Grande describes her childhood torn between the United States and Mexico, and shines a light on the experiences, fears, and hopes of those who choose to make the harrowing journey across the border. Reyna Grande vividly brings to life her tumultuous early years in this “compelling...unvarnished, resonant” (BookPage) story of a childhood spent torn between two parents and two countries. As her parents make the dangerous trek across the Mexican border to “El Otro Lado” (The Other Side) in pursuit of the American dream, Reyna and her siblings are forced into the already overburdened household of their stern grandmother. When their mother at last returns, Reyna prepares for her own journey to “El Otro Lado” to live with the man who has haunted her imagination for years, her long-absent father. Funny, heartbreaking, and lyrical, The Distance Between Us poignantly captures the confusion and contradictions of childhood, reminding us that the joys and sorrows we experience are imprinted on the heart forever, calling out to us of those places we first called home. Also available in Spanish as La distancia entre nosotros.

Going the Distance Kevin John Kennedy,Mary Moore,2003 Going the Distance identifies eight key obstacles to the long-term success of great businesses--and shows exactly how to overcome them. Former Cisco SVP Kevin Kennedy and leading consultant Mary Moore show how to assess corporate health and correct weaknesses in leadership, strategy, product, marketplace alignment, governance, and more--before it's too late. Going the Distance provides a total framework for maintaining market leadership into the next generation!

Going the Distance Joe Barr,2021-10-29 In 2012, Joe Barr almost died from altitude sickness on the 11,000-ft Wolf Creek Pass in a Race Across America attempt. The infamous 3,200-mile race is non-stop ultracycling at its most extreme. In 2014, Joe returned and received the coveted Finisher's medal, and in 2019, at the age of 60, he went back again and won his category. This story of extreme perseverance begins on a yellow Raleigh Chopper on the streets of Co. Derry, where Joe, trying to escape the harsh everyday reality of the Troubles as a young Catholic boy in an all- Protestant school, went on long bicycle rides into the countryside, dreaming of one day taking part in cycling's grand tours. When his baby son was diagnosed with cancer, Joe got on the bike with a different purpose and won his first 1,300-mile endurance race. This is a story of unimaginable grit, and of what it takes to keep going when failure seems inevitable.

Going the Distance Lonnie Garfield Barbach,David L. Geisinger,1991 A guide to enriching and enlivening monogamous relationships employs examples from case studies of happily monogamous couples to explain how to nurture relationships through years of change.

Finishing Strong Steve Farrar,2000-10-09 Bestselling author Steve Farrar has good news for the average man: it doesn't matter if you've had a great start in the Christian life, or a rough one. It doesn't matter if you've stumbled time and again, or even fallen flat on your face. What matters most in this all-important race of life is how you finish. According to Farrar, the man who hangs in there for the long haul with his wife, his kids, and his Lord is an exception these days. Finishing Strong, now in trade paperback, offers lively use of Scripture, contemporary illustrations, and study questions to equip every reader to be that exception. For the man who wants to climb the character ladder more than the corporate one, this is an essential tool.

Justice at a Distance Loren E. Lomasky,Fernando R. Tesón,2015-09-29 The current global-justice literature starts from the premise that world poverty is the result of structural injustice mostly attributable to past and present actions of governments and citizens of rich countries. As a result, that literature recommends vast coercive transfers of wealth from rich to poor societies, alongside stronger national and international governance. Justice at a Distance, in contrast, argues that global injustice is largely home-grown and that these native restrictions to freedom lie at the root of poverty and stagnation. The book is the first philosophical work to emphasize free markets in goods, services, and labor as an ethical imperative that allows people to pursue their projects and as the one institutional arrangement capable of alleviating poverty. Supported by a robust economic literature, Justice at a Distance applies the principle of noninterference to the issues of wealth and poverty, immigration, trade, the status of nation-states, war, and aid.

Going the Distance George Sheehan,1996 A series of essays that George Sheehan, doctor, philosopher, author, and record-setting marathoner, wrote until his death of cancer in 1993.

Going the Distance Robert Urich,2003-02-22

In the Distance Hernan Diaz,2024-03-05 The first novel by the Pulitzer Prize-winning author of Trust, an exquisite and blisteringly intelligent story of a young Swedish boy, separated from his brother, who becomes a legend and an outlaw A young Swedish immigrant finds himself penniless and alone in California. The boy travels east in search of his brother, moving on foot against the great current of emigrants pushing west. Driven

back again and again, he meets naturalists, criminals, religious fanatics, swindlers, Indians, and lawmen, and his exploits turn him into a legend. Diaz defies the conventions of historical fiction and genre, offering a probing look at the stereotypes that populate our past and a portrait of radical foreignness.

The Distance to Home Jenn Bishop,2016-06-28 For fans of Lynda Mullaly Hunt and Rita Williams-Garcia, Jenn Bishop’s heartwarming debut is a celebration of sisterhood and summertime, and of finding the courage to get back in the game. Last summer, Quinnen was the star pitcher of her baseball team, the Panthers. They were headed for the championship, and her loudest supporter at every game was her best friend and older sister, Haley. This summer, everything is different. Haley’s death, at the end of last summer, has left Quinnen and her parents reeling. Without Haley in the stands, Quinnen doesn’t want to play baseball. It seems like nothing can fill the Haley-sized hole in her world. The one glimmer of happiness comes from the Bandits, the local minor-league baseball team. For the first time, Quinnen and her family are hosting one of the players for the season. Without Haley, Quinnen’s not sure it will be any fun, but soon she befriends a few players. With their help, can she make peace with the past and return to the pitcher’s mound? Winner of the Iowa Association of School Libraries Children's Choice Award Recommend this poignant novel to fans of Keeping Score by Linda Sue Park and The Thing About Jellyfish by Ali Benjamin.--School Library Journal A piercing first novel...Bishop insightfully examines the tested relationships among grieving family members and friends in a story of resilience, forgiveness, and hope.--Publishers Weekly With appeal to both sports- and drama-minded girls, this will make a good book club selection and pass-it-among-your-friends read.--The Bulletin A sensitive, well-wrought novel perfect for both sports lovers and fans of character-driven stories.--Booklist

Go the Distance Jim Serger,2011-10-24 One family's true story of redemption and recovery In order for a relationship to hold, one must be willing to keep it strong no matter how weak it becomes. That is the power of love. But love alone does not always guarantee satisfaction. This book is about will power, and the desire to keep love afloat--it is about communication for survival, and the will power to believe in someone, even when they are not willing to believe in themselves.How far are you willing to go for a loved one? Jim Serger shares how far he and his family went to save the relationship with his father through his dad's battle with alcoholism. This is a heartfelt and personal journey; one that will resonate with anyone who has struggled to pull a loved one from the depths of addiction back into the joy of life. This book will prove to anyone that as long as there is a will, there is a way. The will is the how and the now, and it can determine the future. What is in the past is in the past. Put it behind you and focus on tomorrow. If you have ever been down in the valley, staring up at the highest mountain, and feel there is no way to the top, this book is for you. Jim Serger and his father were able to beat the odds and overcome the obstacles through sheer unconditional love, will power and faith. It can be done. Go the Distance will tell you how.

Going the Distance Julianna Keyes,2015-01-27 Olivia Clarke’s fall from pretty, perfect, and popular happened in an instant. With her life in tatters, she impulsively accepts a teaching job in the small city of Lazhou, China. Three months in, she’s ready to admit she made a huge mistake. She doesn't speak Mandarin, the teachers at her school refuse to include her in anything, and she spends her nights watching counterfeit DVDs in her twin bed. Alone. Jarek McLean is a loner. He’s not looking for friends, and he’s definitely not looking for love. The former army interrogator now works as a carpenter for a small construction company rebuilding a travel office in Lazhou. When he meets Olivia he knows immediately she’s too wholesome to be his type, but when he discovers the pretty kindergarten teacher is hiding a secret, his inquisitive side rears its nosy head and demands answers. Olivia isn't interested in a one-sided interrogation, and makes her position clear: if Jarek wants to ask questions, he’ll have to answer some, too. Jarek’s never let anyone in—not into his apartment, not into his life, certainly not into his heart. But the closer he gets to Olivia, the more he falls for her, and suddenly the man who doesn't do relationships finds himself in a most unexpected one. When he reluctantly admits that this could be love, he’s faced with the most terrifying question of all: What the hell does he do now?

Going the Distance Brandon Hudgins,2017-08-19 Brandon Hudgins is a professional distance runner who has fought a rare Vasculitis disorder since the age of 20. At age 28 Brandon became the 448th American to break the 4 minute Mile barrier, and the 1st Vasculitis patient. In 2016 Brandon qualified for the Olympic Track and Field Trials at 1500m. He has learned many lessons over the last 10 years of his life battling a rare Vasculitis disorder and also suffered from bouts of depression and panic attacks. In this book he shares some of his experiences as an athlete, a patient, and a chaser of life! His lessons in Going the Distance can help you empower yourself to embrace your talents and go the distance in your own life.

Go the Distance Nancy S. Loving,1997 This information-packed international bestseller should be on every endurance and competitive trail rider's shelf. To spend hour after hour on the back of a horse is a dream come true for many riders. To ride for miles--25, 50, or even 100--on a fit horse, is an extremely satisfying experience, whether done in competition or just for pleasure. This thrill does not come easily however; it requires immense dedication from the rider and a lot of hard work from the horse. No other equestrian sports demand such a continuous training effort as do endurance and competitive distance riding. To reach the highest level of the sports--competing in a 100-mile ride--requires years of careful conditioning. Even a 25-mile ride demands close attention to every nuance of a horse's being--during the many miles of work beforehand and during the competition itself. It is the horse's welfare that must come above all else.

Going the Distance... Jim Moore,2006-12 Going the Distance: A Story of Faith in Action is filled with heart-touching and insightful stories of Kazakhstan university students telling of faith, fear, persecution, and perseverance in following Jesus. (Christian)

Eventually, you will certainly discover a other experience and expertise by spending more cash. still when? get you put up with that you require to get those all needs gone having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will lead you to understand even more all but the globe, experience, some places, past history, amusement, and a lot more?

It is your utterly own become old to proceed reviewing habit. among guides you could enjoy now is **Going The Distance** below.
