Trusting the Gold Tara Brach,2021-06-15 A beautifully illustrated gift book to help us uncover and trust the innate goodness in ourselves and others. We receive so many messages from our culture meant to divide us from one another or turn us against ourselves. Yet when we stop judging, stop avoiding, stop trying to resist that which makes us afraid or ashamed, we open to our true nature—a boundless field of awareness that is innately fearless and loving. This recognition of our essential human goodness may be the most radical act of healing we can take. “The gold of our true nature can never be tarnished,” says Tara Brach. “In the moments of remembering and trusting this basic goodness of our Being, we open to happiness, peace, and freedom.” In *Trusting the Gold*, Tara draws from more than four decades of experience as a meditation teacher and psychologist to share her most valuable practices for reconnecting with the beauty of our humanity—from timeless Buddhist wisdom to techniques adapted to the specific challenges of our modern age. Here you’ll explore three pathways of remembering and living from your full aliveness: • Opening to the Truth of the present moment • Turning toward Love in any situation • Resting in the Freedom of our natural, radiant awareness “Even in the midst of our deepest emotional suffering, self-compassion is the pathway that will carry us home,” Dr. Brach writes. “What a joy to pause and behold our basic goodness, and to see how it shines through each of us. Seeing that secret beauty, we fall in love with all of life.”

**Principles of Economics** Henry Rogers Seager,1913  
**Proceedings of the ... Annual Convention of the American National Live Stock Association** American National Live Stock Association,1899  
**Live Gold** Robert Sheckley,

Yes, I Can Say That Judy Gold,2020-07-28 No one makes me laugh harder than Judy Gold. If I had to pick one comedian to write a book about free speech, it would be Judy. – Amy Schumer From award-winning comedian Judy Gold, a concise, funny, and thoughtful polemic on the current assault on comedy, that explores how it is undermining free speech and a fundamental attack against the integrity of the art. From Mae West and Lenny Bruce to Richard Pryor and Howard Stern to Kathy Griffith and Kevin Hart, comedians have long been under fire for using provocative, often taboo subjects to challenge mores and get a laugh. But in the age of social media, comedians are at greater risk of being silenced, enduring shaming, threats, and damaged careers because of angry, censorious electronic mobs. But while comedians’ work has often been used to rile up detractors, a new threat has emerged from the left: identity politics and notions like safetyism and trigger warnings that are now creating a cultural and political standard that runs perilously close to censorship. From college campuses to the Oscars, comics are being censured for old jokes, long-standing comedy traditions, unfinished bits and old material that instead of being forgotten, go viral. For comics like Judy Gold, today’s attacks on comics would have Richard Pryor and Lenny Bruce rolling in their graves. No one has the right to tell comics what they can or cannot joke about. Do you tell artists what they can or cannot paint? she asks. Freedom of speech is fundamental for great stand-up comedy. Humor is the most palatable way to discuss a subversive or taboo topic, but it better be funny. A comic's observations are deliberately delivered to entertain, provoke, and lead to an exchange of ideas. We are truth tellers. More important, the tolerance of free speech is essential for a healthy democracy. In addition to offering readers a quick study on the history of comedy and the arts (noting such historical reference points as The Hays Code) and the threats to them, Gold takes readers on a hilarious ride with chapters such as Thank God Don Rickles is Dead, as well as her singular take on micro-aggressions, such as: Person: OMG! You’re a lesbian? I had no idea. I mean you wear make-up. When did you become a lesbian? Judy Gold: Coincidentally, right after I met you! (micro-assault!) In this era of fake news, partisan politics, and heated rhetoric, the need to protect free speech has never been greater, especially for comics, who often serve as the canaries in the coalmine, monitoring the health of our democracy. *Yes I Can Say That* is a funny and provocative look at how safe spaces are the very antithesis of comedy as an art form—and an urgent call to arms to protect our most fundamental Constitutional right. There's a good reason it was the FIRST amendment.
