THE BIRDMAN OF TREADWELL Edwin Warren; Barry Kibler,2007-04-30 THE BIRDMAN OF TREADWELL Through his diaries Edwin Warren takes you back in time over a hundred years ago as if in a time capsule. It is as if you are there by his side and can imagine you are in his place as he witnesses death and injury on all too many occasions in the world famous Treadwell gold mine on Douglas Island, Alaska. You will experience the daily routine working at the mine including a near riot, rescuing a little Indian boy from a near tragic fall, the Treadwell Ghost, the fear of working with an incompetent hoist operator who dropped the cage on several occasions including once with volatile explosives. Working as a powder man you will come close to death in a near collision with the ore train and the powder truck. You will experience what the accommodations were like at the beginning of the last century on the many different steam boats Edwin sailed on during his two adventures to Alaska.

Going for Gold Jack H. Morris,2017-03-14 Details how Newmont Mining revolutionized the gold mining industry and remains the second largest gold miner in the world Jack H. Morris asserts that Newmont is the link between early gold mining and today’s technology-driven industry. We learn how the company’s founder and several early leaders grew up in gold camps and how, in 1917, the company helped finance South Africa’s largest gold company and later owned famous gold mines in California and Colorado. In the 1960s the company developed the process to capture “invisible gold” from small distributions of the metal in large quantities of rock, thereby opening up the rich gold field at Carlin, Nevada. Modern gold mining has all the excitement and historic significance of the metal’s colorful past. Instead of panning for ready nuggets, today’s corporate miners must face heavy odds by extracting value from ores containing as little as one-hundredth of an ounce per ton. In often-remote locations, where the capital cost of a new mine can top \$2 billion, 250-ton trucks crawl from half mile deep pits and ascend, beetle-like, loaded with ore for extraction of the minute quantities of gold locked inside. Morris had unique access to company records and the cooperation of more than 80 executives and employees of the firm, but the company exercised no control over content. The author tells a story of discovery and scientific breakthrough; strong-willed, flamboyant leaders like founder Boyce Thompson; corporate raiders such as T. Boone Pickens and Jimmy Goldsmith; shakedowns by the Indonesian government and monumental battles with the French over the richest mine in Peru; and learning to operate in the present environmental regulatory climate. This is a fascinating story of the metal that has ignited passions for centuries and now sells for over \$1,000 an ounce.

Gold Mining in Gilpin County Colorado Samuel Cushman,J. P. Waterman,Kerby Jackson,2014-11-09 Mining historian Kerby Jackson introduces us to a classic mining work in this important re-issue of The Gold Mines of Gilpin County Colorado. Unavailable since 1876, this publication was originally compiled by the Register Steam Printing House of Central City, Colorado. This publication offers a rare glimpse at the gold mining history and early mines of Gilpin County, Colorado from their first discovery in the 1850's up to the flush years of the mid 1870's. Of particular interest is the history of the discovery of gold in Gilpin County and details about the men who made those first strikes. Special focus is given to the early gold mines and first mining districts of the area, many of which are not detailed in other books on Colorado's gold mining history. Also included is some interesting advertising from early merchants and companies that supported the miners during Gilpin County's gold rush, as well as insights into local civic groups and other organizations that played an important role in the lives of most Gilpin County miners. Note: This edition is a perfect facsimile of the original edition and is not set in a modern typeface.
