Think Big Harald Seiz,2019-03-20 From the bottom right to the top: The story of Harald Seiz sounds like a blockbuster Hollywood movie. Harald Seiz grew up with his mother and grandmother near Stuttgart in impoverished conditions. Both struggled with alcohol problems, so Seiz had to learn from early on to stand on his own two feet. From a beverage supplier to a vacuum cleaner salesman, he went through numerous professions and—despite harsh setbacks—always adhered to his dream of success and independence. In 2011 Seiz laid the foundation stone for his company Karatbars International GmbH. The goal was for every human being to be able to own gold. What was once a one-man show is now a worldwide empire of companies that generates an annual turnover of more than 100 million euros. But Harald Seiz has even bigger goals: A gold-based means of payment, which is crisis-proof and will revolutionize our financial system. His mission was initially just laughed at. Today he is the market leader for innovative Gold products. And yet Seiz still sees himself at the beginning; a payment system based on gold, gold mines, and the establishment of a bank are only a few of the building blocks which he wants to lay in order to get all the way to the top. Think Big—a book that encourages you to live your dream. And that reveals the recipes for success in achieving your aims.

Apples of Gold Betty Huizenga,2012-03-01 Here's what women are saying about Apples of Gold . . . The lessons were awesome! God knew I needed to be there. My heart overflows with joy. K.B., Michigan In your kitchen I learned about seasoning food. In your living room I reacquainted myself with the seasoning work of the Holy Spirit. S.O., Michigan The program gives value to women who are homemakers and wives. The Bible study and cooking lessons improved my perspective on staying home with children. . . . The program is a good eye-opener and refresher to what is really important: God, husband, children, family, and friends. D.S, Minnesota So many positive things have happened in my life since, and because of, my Apples of Gold summer. Much confidence was gained that went far beyond the kitchen. . . . This was truly a life changing experience! L.D., Michigan God knew I needed Apples of Gold. It is probably inconceivable to you to know how you and the mentors have touched the lives of Apples of Gold moms! L.C., Michigan I loved being with older women, finding out how much we have in common, and building relationships with a different generation. J.R., Michigan Apples of Gold makes you focus on what is really important in your life. We discussed subjects I was not familiar with, like the real meaning of submission and purity. It certainly has changed the way I feel about them. D.H., Minnesota Apples of Gold takes the warm atmosphere of the home and teaches how to extend it beyond the immediate family.
