Gitca Golf Kelley Peter,2021-03-01 Most golfers have been set up to fail. Trying to follow

protocols that statistically stack the odds against them has led to an enormous amount of frustration and angst for most of the recreational golfers out there. Poor scores and extremely slow play have caused many golfers to lose much of their passion for golf. GITCA golf has streamlined the parameters for recreational play to allow for better scoring opportunities and much more expedient play. By adapting our guidelines and maintaining an eternally grateful mindset, everyone who tees it up will be inspired to play golf much more often with those closest to them.
