Will another young woman who has been deeply wounded by a true love of her youth reach out to encompass love from a man whose heritage and religion differ greatly from her own? Can a young woman from the next generation of this family defy convention in the mate selection process and reach for love from a member of her own family? Beverly Rushin has written a work of women's fiction chronicling the Baldwin family of Rochester, New York, which spans four generations from 1892 - 1995. Dave Pelz's Short Game Bible Dave Pelz,James A. Frank,1999-05-11 Dave Pelz's Short Game Bible is the first book in a four-book series, The Dave Pelz Scoring Game Series. The next volume in the series will be Dave Pelz's Putting Bible. He who rules the short game collects the gold. --Dave Pelz's Golden Rule of Golf Fed up with trying to imitate the pros, buying the latest expensive equipment, and seeing your handicap stay the same? The first book by bestselling author and internationally revered golf instructor Dave Pelz since *Putt Like the Pros*, his bestselling classic, *Dave Pelz's Short Game Bible* can show you the way to lower scores by improving your short game. The result of decades of scientific research studying thousands of golfers, Dave's philosophy is as simple as it is revolutionary and groundbreaking: Instead of practicing the wrong things the right way, or the right things the

wrong way, Pelz shows you how to find your own personal weaknesses and how to improve them to efficiently lower your scores. Packed with all the knowledge, charts, and photos needed to learn from the master, Dave Pelz's Short Game Bible is the essential book for every golfer who's looking to improve his or her game. Dave's approach to golf is easy to understand: 80 percent of the strokes golfers lose to par are determined by their play within 100 yards of the green--the crucial scoring game. The most important and yet the least focused-on aspect of golf, your short game, can indeed make or break your entire game. And nobody teaches the short game like Dave Pelz. His renowned golf schools and clinics focus exclusively on putting and the short game, attracting top players like Tom Kite, Colin Montgomerie, two-time U.S. Open champion Lee Janzen, reigning PGA champion Vijay Singh, Steve Elkington, Payne Stewart, Peter Jacobsen, and many LPGA players including Annika Sorenstam and Liselotte Neumann. The pros know, as you are about to learn, that while others teach golfers how to swing, Dave Pelz teaches golfers how to score . . . and win. A former physicist for NASA, Dave brings a scientific rigor to his research and instruction that has made him the top short-game expert in the world. Dave has observed and then taught thousands of golfers to improve their ability to score better. The years he has spent studying the short game, including chipping, lobes, pitches, distance wedges, and bunker play, have resulted in an unequaled expertise and a fascinating body of knowledge on golf, with the statistics and data to back it up. In this new book, Dave for the first time shares the understanding and techniques he has taught the pros, including a wide array of innovative tests and exercises for mastering those deceptive and high-pressure shots of the short game. Dave Pelz's Short Game Bible is an essential book for golfers of all levels. Covering everything golfers need to know to improve their short game, Dave's system can--and will--help you to consistently shoot lower scores.

Phil Alan Shipnuck,2022-05-24 LONGLISTED FOR THE WILLIAM HILL SPORTS BOOK OF THE YEAR PRIZE 'Terrific fun' David Walsh, Sunday Times * *
'Thoroughly engaging' Washington Post A frank and revealing biography of legendary golf champion Phil Mickelson - who has led a big, controversial life - as reported by longtime Sports Illustrated writer and bestselling author Alan Shipnuck. Phil Mickelson is one of the most compelling figures in sports. For more than three decades he has been among the best golfers in the world, and his unmatched longevity was exemplified at the 2021 PGA Championship, when Mickelson, on the cusp of turning fifty-one, became the oldest player in history to win a major championship. In this raw and unauthorised biography, Shipnuck captures a singular life defined by thrilling victories, crushing defeats and countless controversies. Mickelson is a multi-faceted character, and all his warring impulses are on display in these pages: he is a smart-ass who built an empire on being the consummate professional; a loving husband dogged by salacious rumours; a high-stakes gambler who knows the house always wins but can't tear himself away. Mickelson's career and public image have been defined by the contrast with his lifelong rival, Tiger Woods. Where Woods is robotic and reticent, Mickelson is affable and extroverted, an incorrigible showman. In their early years together on Tour, Mickelson lacked Tiger's laser focus and discipline, yet as Tiger's career has been curtailed by scandal, addiction and a broken body, Phil sails on, still relevant on the golf course and in the marketplace. Phil is the perfect marriage of subject and author. Shipnuck delivers numerous revelations, from the true scale of Mickelson's massive gambling losses to the secretive backstory of the Saudi golf league that Mickelson championed. But Phil also celebrates Mickelson's random acts of kindness and generosity of spirit, to which friends and strangers alike can attest. Shipnuck has covered Mickelson for his entire career, allowing him to take readers inside the ropes with a thrilling immediacy and intimacy. The result is the juiciest and liveliest golf book in years - full of heart, humour and unexpected turns.

MEMOIRS OF GRAMFLAKES E.B. Hayes,2008-10-23 Eleanor was inspired by her father at an early age to appreciate family history. During her retired, lonely years as a widow she started writing for entertainment. She did not enjoy "pity parties" and found a joy in sitting in front of her computer to write about her memories. Some of her children and friends enjoyed hearing about past events that interested them and encouraged her to write.

She was the only girl and oldest child and spent the majority of her growing up years around adults as they told their stories. That was their prime entertainment. She would like to inspire others to make notes and write stories for their future generations. She found that it is amazing how much one can remember and relive as the words appear on the computer screen.
