We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Golf and Poker Bill Bopf, 2014-04-10 This book is written for any golfer with a handicap of fourteen and more. It is also targeted for those golfers that usually play on public courses or privately owned courses open to the general public. By using some of the rules included in the book, they should increase the player's likelihood of enjoying the game as long as they are fit to swing a club. The second portion of the book includes poker games that are available to maximize friendships and fun as some of the golfers relax in clubhouses or, with the same friends, enjoy one another's company, hunting, fishing, and camping.
