African Development Indicators 2002 Ziad Badr,World Bank,2002-01-01 This volume presents more than 500 indicators for 53 African countries with which to monitor development programmes and aid flows in the region. The data covers the period 1980-2000, and has been derived mainly from national statistical services in Africa, supplemented by information from international agencies and World Bank staff estimates where available. The book is divided into 15 chapters which cover: selected background data; national accounts; prices and exchange rates; money and banking;

external sector issues; external debt and related flows; government finance; agriculture; power, communications and transportation; the privatisation of public enterprises; labour force and employment; aid flows; social indicators; environmental indicators; and the Heavily Indebted Poor Countries (HIPC) Initiative.
