The New Testament Concept of Atonement HD McDonald, 2022-11-24 For the Christian faith, questions relating to God can essentially be viewed as centering around Jesus Christ. This significant work provides an examination of the importance of Christ's atoning act for man's redemption, which helped shape God's relation to humanity and the world. The author analyses elements which hold crucial meanings and messages for the Christian doctrine of salvation. The first six chapters of the book investigate single terms within the New Testament, such as 'tree' or 'blood' whose metonymical association with Christ's redeeming act has often become obscured over time. Various biblical interpretations of the Calvary event are examined in the seventh to thirteenth chapters. The final two chapters analyse the importance of the findings in previous chapters and their implications for Christology. Detailed research underlies the material throughout this text, in the tradition of Reformed biblical scholarship. Notes are included at the end of each chapter for advice on further reading or tracing sources.

Slug and Snail Search for Peace Otis Moss, 2014-03-30 Every Sunday, Otis Moss III and his preaching attract over 5,000 people to Chicago's Trinity United Church of Christ. Moss describes himself as, a jazz-influenced pastor with a hip-hop vibe committed to the Gospel of Jesus Christ rooted in love and justice. He admits he can talk endlessly about theology, popular culture, and movies, and has even based some of his best sermons, collected in this book, on these powerful films: *The Wiz*, *12 Years a Slave*, *The Butler*, *The Book of Eli*, *The Color Purple*, *Avatar*, *Flight*, and *For Colored Girls*. Discussion questions are included, making it ideal for individuals or groups, movie nights and book clubs.

Our Gospel Message Oscar Vouga, 197?

But We See Jesus Stephen Kaung, 2016-11-16 Christianity is Jesus Christ. It is not the teaching, doctrine, system or organization of Christ. Rather, it is Jesus Christ himself. We need to see Him as God sees Him. Yet this can only come about by revelation from above. The Holy Spirit will reveal Jesus to us. And when we do see Him as God sees Him, we will fall down and worship. Such, then, is the intent of this series of messages, whose overarching theme is best summed up in the author's choice of title to the entire series: "But We See Jesus" (Hebrews 2:9a). All nineteen messages were delivered by the author before a Christian audience in Richmond, Virginia over a three-year period,

commencing in the year 1992. May God use this volume to inspire His people to see the Savior and Lord we have so that we may truly worship Him with all our hearts and love Him with all our heart, mind, will and strength. Jesus alone is worthy!

Let the Gospels Preach the Gospel Christopher J. H. Wright, 2017-01-14 Preaching about the cross of Christ is one of the greatest privileges and responsibilities any preacher can have! The four Gospel writers who wrote about the cross of Christ and the events leading up to it, did so in their own unique way. Each interpreting the events through the lens of different Old Testament Scriptures and each emphasising different themes. Based on his own sermons preached over a number of years at All Souls Church in London, Christopher Wright explores the rich variety and lets the four Gospels preach the Gospel in their own way. This is an excellent resource for preachers, which is further enriched by the final chapter that provides a personal commentary on how Wright prepared each of the sermons.

Redeeming the Screens Jeanne C. DeFazio, William David Spencer, 2016-05-03 How does the future look to us? Well, clearly we realize we now live in a world of screens, from the microcosmic universe of to smartphone . . . to the imposing vigil of the multiplex giants, looming over us in Imax and 3-D--more real than real--and to all the screens in between, from computers to iPads, to muted, high definition flat-screens pouring out images in homes, restaurants, banks, businesses, schools, doctors' offices, and hospitals, and on and on everywhere we turn. We cannot change this reality, so what these Christians, and so many like them are doing is trying to find ways to redeem what we put on these screens: what message we are sending out in word and image to the watching world. So, clearly, our task, whether we have been called to create or not, is to join these artists as screen redeemers, assisting the Holy Spirit in reconciling the world to God (2 Cor 5:18-19) through helping the pervasively influential means of the media adjust its goals to the mission of Jesus Christ.

Not Ashamed of the Gospel Fleming Rutledge, 2007-08-13 In this inspiring collection of fifty-one sermons on Romans, Fleming Rutledge presents afresh the radical gospel of Paul. Countering the widespread suspicion that Paul somehow complicated Jesus' simple teachings, Rutledge shows how Paul actually makes explicit what is implicit in the Gospel narratives and reveals the full dimensions of God's project to reclaim the cosmos and everything in it for himself. With her stirring words and joyful delving into Romans passages, Rutledge leads readers to refocus their eyes and ears on Paul's valuable teachings. She unpacks major ideas and motifs in the epistle, including the cross and resurrection of Christ as the first event of the age to come, faith as the human response ignited by the fire of the Word and the Holy Spirit, and God's work of salvation as all-encompassing and

incomparable. Her Not Ashamed of the Gospel will be a help to preachers and an encouragement to listeners.

The Case for Christ Lee Strobel, 2010-11 The book consists primarily of interviews between Strobel (a former legal editor at the Chicago Tribune) and biblical scholars such as Bruce Metzger. Each interview is based on a simple question, concerning historical evidence (for example, Can the Biographies of Jesus Be Trusted?), scientific evidence, (Does Archaeology Confirm or Contradict Jesus' Biographies?), and psychiatric evidence (Was Jesus Crazy When He Claimed to Be the Son of God?). Together, these interviews compose a case brief defending Jesus' divinity, and urging readers to reach a verdict of their own.

The Gospel for Today R. A. Torrey, 2013-03-25 From 1902–1907, R. A. Torrey went on a series of startlingly successful speaking tours to nearly every part of the English-speaking world. His preaching sparked revivals and drew crowds on multiple continents. Throughout these tours, and for the rest of his ministry, Torrey delighted in pointing out that the message he preached was changeless. Messages From THE Messenger Vermelle Cohen Pinckney, 2022-11-03 When you read this book, you will in no way question whether it's from God or not. That is, if you know and understand the word of God. This book has come in this form to shed some light on what may seem confusing, enlighten your eyes of understanding on some things, give instructions and/or directions. All that's shared have been experienced by me. So I share and speak from experience. Criticism, pointing finger has no place here. For one's hungry for truth, eat and be blessed.

The Message of the Cross Jimmy Swaggart, 2013 For several months, prior to publication, some people were asking that we should write this book and that it be entitled, "The Message Of The Cross". • I believed then and now that their request was from the Lord. Consequently, this book is the result of that need. • This Message, "The Message Of The Cross" is the single most important Message of the Word in any language. The Salvation of the soul and how we live for God is important beyond comprehension. • I feel every Believer will be greatly strengthened in the Word if they will avail themselves of this publication.

The Gospel's Power and Message Paul Washer, 2012-10-15 One of the greatest crimes of this generation of Christians is its neglect of the gospel, and it is from this neglect that all our other maladies spring forth. Absent from too many pulpits are the essential themes which make up the very core of the gospel—the justice of God, the radical depravity of man, the blood atonement. In *The Gospel's Power and Message*, Paul Washer addresses these essential elements of Christ's good news and provides a guide to help us rediscover the gospel in all its beauty, scandal, and saving power. May such a rediscovery transform your life, strengthen your proclamation, and bring the greatest glory to God. Table of Contents: Part One: An Apostolic Introduction 1. A Gospel to Know and

Make Known 2. A Gospel to Be Received 3. A Gospel by Which We Are Saved 4. A Gospel of First Importance 5. A Gospel Handed Down and Delivered Part Two: The Power of God for Salvation 6. The Gospel 7. A Scandalous Gospel 8. A Powerful Gospel 9. A Gospel for All Who Believe Part Three: The Acropolis of the Christian Faith 10. Making Much of Sin 11. Making Much of God 12. Sinners One and All 13. Sinners Falling Short 14. Sinners Through and Through 15. Righteous Indignation 16. Holy War 17. A Most Costly Gift 18. The Divine Dilemma 19. A Qualified Redeemer 20. The Cross of Jesus Christ 21. Christ’s Ascension as the Lord of All 26. Christ’s Ascension as the Judge of All Series Descriptions Although the Recovering the Gospel Series does not represent an entirely systematic presentation of the gospel, it does address most of the essential elements, especially those that are most neglected in contemporary Christianity. It is the hope of the author that these words might be a guide to help you rediscover the gospel in all its beauty, scandal, and saving power. It is his prayer that such a rediscovery might transform your life, strengthen your proclamation, and bring the greatest glory to God.
