Lynn Morrison,Olga Mecking,Molly Quell

Dutched Up! Lynn Morrison, Olga Mecking, Molly

Quell, 2014-11-10 With its tall buildings and tulip-lined canals, the Netherlands is a wonderful place to visit. But what happens when you move there instead? We asked a group of expat women to share their stories about moving to the land of windmills. From wondering why everyone's curtains are open, to stealing back bicycles, to struggling to get doctors to take you seriously, to having babies, making friends and learning to get along with Dutch colleagues, these women did not hold back in telling their tales of life in the Netherlands. Whether you are thinking of moving there or have been a resident for years, this book has something to offer. You'll laugh, cry, raise your fist in frustration and nod your head in agreement. Most of all, you'll be enthralled by these stories of everyday life from some not-so-everyday women.
