Leda A. McIntyre

Search with the Heart Leda A. McIntyre, 2012-05-17 What is love? small deliberate steps, standing side by side, hand in hand, eyes open, hearts connected, starting over sometimes. You and me. Check mark today. It all begins with chemistry a magnetic attraction between two people that, if they are lucky enough, eventually transforms into love. In *Search with the Heart*, poet Leda McIntyre celebrates the many faces of this spectacular phenomenon, filled with moments of hope and longing, joy and anxiety, and the everyday blessings of trust and forgiveness. Anyone who has ever been in love has certainly felt some or all of the accompanying, sweeping emotions desire, wistfulness, happiness, sorrow, and compassion. In her first compilation of poetry, McIntyre offers the inspirational, touching poems she has previously given as gifts tucked into luggage, mailed with cards, and folded in lunch bags. With an invitation to share the poems with the loves of their lives, McIntyre lyrically encourages others to reflect on deep feelings that make us all choose and believe in love despite its risks and uncertainties. *Search with the Heart* is a poignant collection of verse that honestly explores a passionate, often complex feeling, ultimately reminding all of us how important it is to experience love in our lives.

My Love Lexy Timms, 2016-11-16 From international bestselling author, Lexy Timms, comes a forbidden romance that'll set your heart racing. When Tony Rivers left New York three years ago, he left behind two things. One was the off-Broadway musical he'd made a success through his choreography. The second was a piece of his heart. Fed up with Allison's secrets and cover-ups, he left her and *The Big Apple*. He's now established on the Hollywood television scene as a dance coach and choreographer, though he aspires to direct. When he's offered a plum position as director on a hot new series, a television mini based on the musical he worked so hard on, he has second thoughts. The price of admission—working with his old nemesis, Blake Smithson, who's the scriptwriter. What blows Tony away is that Blake's living with Allison. Allison never expected to see Tony Rivers again after her father dragged her away from college and forbade her to see Tony. When he arrived in New York four years later, he reawakened all the feelings she had for him. But she was married then, if only in name. Regardless, she fell into an affair with Tony, but refused to divorce her husband when Tony asked her to marry him. Though heartbroken when Tony left New York, Allison pulled her life together and built a career producing theater productions. Between that and raising her two-year old son, she has a full life. When Tony walks through her door once more three years later, she's torn between hating and loving him. The one thing she does not want is to expose her son to the man who abandoned her, even if that child is Tony's own son. Can Tony and Allison untangle the hurts of the past to build a new future? Or will the challenges of their present lives cause their love to die forever? LOVE YOU SERIES: Love Life Need You My Love

Riot Load Bryon Quattermous, 2015-06-14 Dominick Prince returns. Probably against his better judgment. Dominick Prince went through hell to make his dreams come true. He has a book deal, time and money to write whatever he wants, and a marriage to his college crush with a child on the way. But instead of working on his next book, Dominick spends his days as a mindless office drone at the university cancer center while his wife chases bail jumpers. When an old friend reappears to call in a favor, Dominick sees an opportunity for a little excitement. The plan seems simple. Dominick will use his access at the hospital to help steal the last remaining piece of her murdered lover: a sperm sample left during prostate cancer treatment. Standing in their way are a pair of brothers who find kidnapping potential children superior to kidnapping actual children, and Dominick's wife who has her own plans for it. Torn between his wife's wrath and the debt he owes his friend, Dominick taps into the most devious parts of his crime fiction training to write himself a proper ending where he saves the day, saves the girl, and lives to write another day. Unless he blows it all to hell.
