The Road Chose Me Volume 1 Dan Grec, 2018-05-05 When Dan set out to drive his Jeep from the Northern tip of Alaska to Tierra del Fuego on the Southern tip of South America, he had no idea how much the adventure would change his life. Over the course of two years, Dan's expedition spanned forty thousand miles through sixteen countries. Now he will never be the same. After years of saving, dreaming and planning, Dan wanted to find out if an ordinary guy can achieve the extraordinary. With no sponsorship, a modest savings account and a willingness to learn Spanish, Dan threw himself in. Going solo, with no GPS and sleeping in a ground tent, Dan wanted to experience everything the Americas have to offer. From poking lava with a stick and hiking among world-famous mountains to corrupt military and camping with Ecuadorian locals - every day provided something new. With his eyes and ears open to the world around him, Dan met many interesting and

thought-provoking characters. With their guidance and prodding, and by using their unique perspective, Dan was able to learn many valuable life lessons. Running to the beat of a different drum, Latin America was the perfect classroom for Dan to view our modern work-a-day world through an entirely new lens.
