Guide,2019-07-16 Granada is a mid-sized city in Granada Province in the Andalusia region of Spain. Rich in history and culture, Granada is a very worthwhile city in Spain for a tourist. In addition to a rich multicultural history, the Alhambra and other monuments, a student-driven nightlife, and skiing and trekking in the nearby Sierra Nevada, Granada offers a break from the summer heat of other Andalusian cities such as Cordoba or Seville. Spring and Fall are also both excellent times to visit. With much more cultural interest than other cities like Malaga, Granada is never overcrowded (although you should still book tickets to the Alhambra at least one day in advance). Granada, City of My Dreams Lawrence Bohme, 2016-03-11 Granada, the city of the Alhambra Palace and the last Moorish kingdom of Andalucia, has a special place in our imagination, whether we have visited it or not. As well as being a city of exceptional beauty and interest, it is a symbol for all of us of what happens when different civilizations meet. That is why Granada, City of My Dreams, in the words of the author, was written not only as a guide but as a book about Granada for the nun in Norway sitting in her armchair and wishing to travel there in the mind. For, what fascinates us about this universal city is not only its monuments but its marvellous story, the encounter between Moor and Christian, gypsy and Jew, medieval and Renaissance, glistening snow and Mediterranean sun, in this green balcony of Europe overlooking the naked shores of Africa. Lawrence Bohme, poet, illustrator and curious traveller, has filled these pages with luminous descriptions and drawings, the culmination of forty years of wanderings through the palaces and labyrinths of his adopted homeland, Granada. Ten Years a Nomad Matthew Kepnes, 2019-07-16 Part memoir and part philosophical look at why we travel, filled with stories of Matt Kepnes' adventures abroad, an exploration of wanderlust and what it truly means to be a nomad. Matt is possibly the most well-traveled person I know...His knowledge and passion for understanding the world is unrivaled, and never fails to amaze me. -Mark Manson, New York Times bestselling author of *The Subtle Art of Not Giving a F*ck* *Ten Years a Nomad* is New York Times bestselling author Matt Kepnes' poignant exploration of wanderlust and what it truly means to be a nomad. Part travel memoir and part philosophical look at why we travel, it is filled with aspirational stories of Kepnes' many adventures. New York Times bestselling author of *How to Travel the World on \$50 a Day*, Matthew Kepnes knows what it feels like to get the travel bug. After meeting some travelers on a trip to Thailand in 2005, he realized that

living life meant more than simply meeting society's traditional milestones, such as buying a car, paying a mortgage, and moving up the career ladder. Inspired by them, he set off for a year-long trip around the world before he started his career. He finally came home after ten years. Over 500,000 miles, 1,000 hostels, and 90 different countries later, Matt has compiled his favorite stories, experiences, and insights into this travel manifesto. Filled with the color and perspective that only hindsight and self-reflection can offer, these stories get to the real questions at the heart of wanderlust. Travel questions that transcend the basic how-to, and plumb the depths of what drives us to travel – and what extended travel around the world can teach us about life, ourselves, and our place in the world. Ten Years a Nomad is for travel junkies, the travel-curious, and anyone interested in what you can learn about the world when you don't have a cable bill for a decade or spend a month not wearing shoes living on the beach in Thailand.
