Gary A. Braunbeck

*Mystery on Graveyard Head* Edith Dorian,2018-01-24 A SUMMER OF MYSTERY! This is the story of young Steve and Linda and their exciting vacation in a Maine seacoast town. Into their days of summer fun came a number of interesting characters and the strange story of the past of Graveyard Head... What were the weird, moving lights out on the ocean? Who had stolen Linda's painting of the Dead Ship from the summer art show? What was behind the mysterious Wiggins and his cunning ability at knife-throwing? Tension mounts and Linda and Steve find themselves in a series of dangerous situations. Then, as they work together to unravel the strange mystery, summer friendship grows into romance...

**Graveyard** Mason Burgess,1987

**Cemetery Stories** Katherine Ramsland,2011-07-05 Never look at a grave the same way again Admit it: You're fascinated by cemeteries. We all die, and for most of us, a cemetery is our final resting place. But how many people really know what goes on inside, around, and beyond them? Enter the world of the dead as Katherine Ramsland talks to mortuary assistants, gravediggers, funeral home owners, and more, and find out about: Stitching and cosmetic secrets used on mutilated bodies Embalmers who do more than just embalm The rising popularity of cremation art Ghosts that infest graveyards everywhere If you've ever scoffed at the high price of burying the dead, or ever wondered how your loved ones are handled when they die, or simply stared at tombstones with morbid fascination, then take a trip with Katherine Ramsland and learn about the booming industry -- and strange tales -- that surround cemeteries everywhere.

**Graveyard People** Gary A. Braunbeck,2003-06-01

*Literature of the Graveyard* ,2006

Little Graveyard on the Prairie Steven E. Wedell,2011 Harley Shaw's life is falling apart around him. After his land was ruined in oil speculation, Harley's wife left him, taking thier young daughter with her. Harley had to find a new source of income, so he began selling all-natural burial plots on his secluded farm. But the bodies aren't where they're supposed to be.

Tombstones in Autumn Gothic Notebook: Graveyard Gothic Series Pagan Essentials,2019-03 The ideal composition book for lovers of the paranormal, psychic phenomena, folklore, witches, ghost stories, tombstone stenciling, spirit boards, cemeteries, necromancy, and Halloween. This eerie tombstones in Autumn design is haunting. This unique gothic graveyard notebook contains 150 pages of blank, college ruled lined paper. Perfect for studying, for classroom, or for writing goth fiction. 8 X11

Midnight in the Graveyard Kenneth W. Cain,Thomas F. Monteleone,Elizabeth Massie,Kealan Patrick Burke,2019-10-13 Midnight. Some call it the witching hour. Others call it the devil's hour. Here in the graveyard, midnight is a very special time. It is a time when ghostly spirits are at their strongest, when the veil between our world and theirs is at its thinnest. Legend has it, that while most of the world is asleep, the lack of prayers allow the spirits to communicate under the cover of darkness, among the headstones, their whispers rustling in the leaves of the old oak trees. But if you're here in the graveyard, you can tell yourself it's just the wind, that the moonlight is playing tricks on your eyes, that it's only the swirling mist you see. But when you hear the graveyard gate clang shut, the dead have something to say. Here are their stories...

**Souls in Stone** Anne de Brunhoff,1978-01-01

Gleanings in Graveyards Horatio Edward Norfolk,1861

**Famous Graveyards** Kristen Rajczak Nelson,2014-08-01 Horror movies are filmed in Highgate Cemetery in London, England. The oldest headstones at the Old Jewish Cemetery in Prague, Czech Republic, are from the 1400s. In Cairo's City of the Dead, the poorest citizens live next door to graves! While visiting these graveyards isn't for the faint of heart, readers can enjoy all the spooky spectacles through detailed descriptions and history. Full-color photographs show the different ways cultures have buried their dead, from the beauty of Zentralfriedhof in Vienna to the restrained dignity of Arlington National Cemetery. Sidebars augment the main content with haunted tales and the famous people buried there.

**Cameron Jamie** Cameron Jamie,2015 America's decoration frenzy: graveyard cemeteries, ghosts, guillotines, skeletons in coffins, dismembered body parts, giant spiders and creatures turn up on the front lawns and exteriors of suburban homes in America every year. Families across the country decorate and stage their porches and gardens with horror themed scenes to celebrate Halloween on October 31st. In 1984, American artist Cameron Jamie started photographing these front exteriors in his old neighborhood in a suburban area of Los Angeles. Even while living full-time in France for the past fifteen years, Jamie continued to travel back to Los Angeles each year, just to continue this photographic ritual. One aspect of what makes these photographs extraordinary is the fact that they were all shot during the day rather than at night, which changes the meaning and whole context of how we normally perceive the horror and death culture surrounding Halloween. Thus, *Front Lawn Funerals and Cemeteries* is not a book about Halloween, but rather about the opposing tensions of themes and imagery of death staged in these daylight domestic environments, between feelings of something at once very calm, humorous, violent, and uncanny.

**Graveyard Denizens** Gil Van Wyck,2016-09-25 Meet George and Martha Puckett. A wonderful loving couple seemingly married forever. At times they have fun, other times not so. You see, they are no longer with us. They passed on in the year seventeen ninety. They are semi-retired now living in the afterlife. For near two-hundred-fifty years they have worked what is know as retrieval; collecting those specifically chosen from the recently departed for entry into another world. And then there are those times when doing that simple task meets unexpected challenges. But they excelled at their work and their accomplishments have not gone unnoticed. And neither have their problems. They live in a convalescent home amongst those suffering from some form of progressive dementia. They are not happy, they feel slighted, and they consider a drastic change is necessary. Possibly an escape. Of course should that attempt fail they will be returned to their grave, their demise, and their afterlife as they know it would come to an end. George and Martha are invisible to the living; not to the deceased. They can see, hear, manipulate, and can pass through material objects as you would expect any apparition to do. Yet, they don't consider themselves to be ghosts, spirits, or anything supernatural. However, there are those times when that belief becomes questionable.

*Graveyard of Dreams* Piper H Beam,2016-06-23 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Gleanings in Graveyards: A Collection of Curious Epitaphs Horatio Edward Norfolk,2022-05-28 Gleanings in Graveyards is a book by Horatio Edward Norfolk. It presents a collection of intriguing epitaphs, words written in memory of a deceased person, collected from around the world.

**Gleanings in Graveyards: a collection of curious epitaphs. Collated and compiled by H. E. N.** Horatio Edward NORFOLK,1861

**Remembrances of the Dead - Graveyard Art & Symbolism** Gary R. Varner,2013-02-14 Perhaps some of our most mysterious, impressive and artistic symbolism can be found in our cemeteries. Ancient pagan, classical Greek and Roman, and the eternal symbols of hope, love and despair appear in many of our older places of rest. This book looks at the art, history and meaning of pre-twentieth century grave markers and tombs in the United States, from Nova Scotia and Maine to South Carolina and California. Illustrated with over seventy photographs.

*Stay Out of the Graveyard!* Kathleen Duey,1997 ... reinforces children's abilities to deal with their fears. Every ending is happy, funny, and shows kids that being alone in the dark can be fun.

**Learning Android Game Programming** Richard A. Rogers,Rick Rogers,2012 Provides information on creating games for Android mobile devices, covering such topics as implementing the game loop, integrating user input, building virtual worlds with tile maps, and creating a scoring framework.

*Cemetery Boys* Aiden Thomas,2020-09-01 A trans boy determined to prove his gender to his traditional Latinx family summons a ghost who refuses to leave in Aiden Thomas's New York Times-bestselling paranormal YA debut Cemetery Boys, described by Entertainment Weekly as groundbreaking. Yadriel has summoned a ghost, and now he can't get rid of him. When his traditional Latinx family has problems accepting his true gender, Yadriel becomes determined to prove himself a real brujo. With the help of his cousin and best friend Maritza, he performs the ritual himself,

and then sets out to find the ghost of his murdered cousin and set it free. However, the ghost he summons is actually Julian Diaz, the school's resident bad boy, and Julian is not about to go quietly into death. He's determined to find out what happened and tie off some loose ends before he leaves. Left with no choice, Yadriel agrees to help Julian, so that they can both get what they want. But the longer Yadriel spends with Julian, the less he wants to let him leave. Praise for Cemetery Boys: Longlisted for the National Book Award The novel perfectly balances the vibrant, energetic Latinx culture while delving into heavy topics like LGBTQ+ acceptance, deportation, colonization, and racism within authoritative establishments. —TeenVogue.com This stunning debut novel from Thomas is detailed, heart-rending, and immensely romantic. I was bawling by the end of it, but not from sadness: I just felt so incredibly happy that this queer Latinx adventure will get to be read by other kids. Cemetery Boys is necessary: for trans kids, for queer kids, for those in the Latinx community who need to see themselves on the page. Don't miss this book. —Mark Oshiro, author of Anger is a Gift

Immerse yourself in the artistry of words with Experience Art with is expressive creation, **Graveyard Wallpapers** .
