If you are a foreigner and English is not your first language. Why is vocabulary so very important on the GRE test? Even though there are no vocabulary questions on GRE, a good command of vocabulary is crucial for a high GRE score. Why? Because without a good college-level vocabulary, it is hard to understand the passages and answer questions. If you've taken a few GRE practice tests and your score was low because you didn't know certain words at all, making it quite difficult for you to discern the correct answer, then any improvement in the vocabulary would dramatically help boost your GRE score. So, if you can memorize the high-frequency GRE words (which others find difficult) it can help you get a high GRE score. Content The words are given in bold (for example, the words belabor and buttress below). The meaning is given after the equal sign (=) following a word. The words are not necessarily in alphabetical order. USE gives a sentence fragment carefully chosen for memory. When no sentence fragment is given, a \* is shown as in the word buttress below. belabor = to assail verbally, to insist repeatedly or harp on USE = belabor a point buttress = support USE = \* Makes a Great Gift for Students Many parents and grandparents give it as a gift.
