Fran Warde

**Great Bar Food at Home** Kate Heyhoe,2007 This is not a book about how to mix drinks. It's about what to eat after the drinks are mixed, poured, or uncapped. These recipes are stress-free, easy, and meant to be made and eaten casually. Their appeal lies in their robust flavors, serving simplicity, and the way the recipes complement beverages. They're the same type of tasty nibbles found at all the best bars--and they can look and taste just as tempting, even when made at home. --From Great Bar Food at Home

The right combinations, he explains, will make both taste better. Michel advises on how to store wine at home, at which temperatures it should be served, when to decant, which glasses to use, and how to pick a corked wine. MATCHING FOOD AND WINE covers pre-dinner drinks, starters, the main course, cheese and dessert. With each recipe Michel recommends three or four accompanying wines or drinks and explains why he has chosen them. His recipes will appeal to the modern cook - simple, elegant and delicious. He mentions the foods which react badly to wine, and the drinks which do no favours to food. The wines chosen come from around the world with the emphasis on styles of wine and predominant grape varieties. Occasionally he selects a grand chateau or vintage. Michel also selects 15 great wines and creates the ideal meal around them. MATCHING FOOD AND WINE will introduce you to a whole new dimension of enjoying yourself at the table.

**Cocktails at Dinner** Michael Turback,Julia Hastings-Black,2015-01-06 Cocktails at Dinner is equal parts cookbook and bar book. It explores a fascinating edge of the culinary frontier—food and cocktail pairings—with an imaginative collection of companionable recipes. As mixologists strive to catch up in culinary creativity with their counterparts in restaurant kitchens, collaboration has become a natural progression. Seriously interesting, ingredient-driven cocktails, concocted with top-shelf liquors, fresh seasonal fruits, flavored bitters, and other artisanal components, have begun to reflect a restaurant’s artful cuisine. First-rate food and mixed drinks—judiciously and harmoniously paired—become something more than the sum of the parts. The kitchen flows seamlessly into the bar, as cocktails take on a fresh, farm-to-glass aesthetic, and when paired with inspired dishes, the unions beget never-before-imagined taste sensations. Cocktails at Dinner serves as a vital introduction to these “new wave” combinations, bridging the gap between the upscale restaurant and the home kitchen and bar, for creative dinner parties and special occasions and for curious cooks and bartenders at all levels. It is meant to showcase a range of innovative and original yet accessible recipes from a diversity of cuisines that open the door to new possibilities in dining and entertaining. Michael Turback and Julia Hastings-Black have recruited working chefs and bartenders from forty-four progressive restaurants with innovative cocktail programs—each contributing the recipe for a cocktail paired with the recipe for a compatible small plate, main plate, or dessert. The process or methodology by which chef and bartender work in consort and their joint efforts to stretch palate perspectives are explored in lively headnotes, guiding the reader along the sensorial journey. Immensely readable, Cocktails at Dinner is an essential guide for everyone who loves food and drink.
