A Room of One's Own Virginia Woolf,2023-03-07 A Room of One's Own is an essay written by Virginia Woolf. It was published in 1929 and is based on two lectures given by the author in 1928 at two colleges for women at Cambridge. In this famous essay, Woolf addressed the status of women, and women artists in particular. In this essay, the author also asserts that a woman must have money and a room of her own if she is to write. According to Woolf, women's creativity has been curtailed due to centuries of prejudice and financial and educational disadvantages. To emphasize her view, she offers the example of an imaginary gifted but uneducated sister of William Shakespeare, who, discouraged from all eventually kills herself. Woolf celebrates the work of women who have overcome that tradition and become writers, including Jane Austen, George Eliot, and the Brontë sisters, Anne, Charlotte, and Emily. In the final section Woolf suggests that great minds are neutral and argues

that intellectual freedom requires financial freedom. The author entreates her audience to write not only fiction but poetry, criticism, and scholarly works as well.

The Bengal Tigress Abhijit Naskar, 2017-05-14 "What a hundred caring, courageous and conscientious women can achieve in ten years, would take a thousand men a hundred years." One of twenty-first century's most influential thinkers Abhijit Naskar makes an exuberant attempt with his sharp insight of the molecular realm of the mind, to unite all of humanity with the thread of humane oneness, beyond the primeval evil of gender discrimination. This is a treatise of humanism, in the line of his two other works "Principia Humanitas" and "We Are All Black", that reinforces the vision of gender mutuality in the psyche of thinking humanity. "The Bengal Tigress" is an empowering wake up call to all the women in the world and an eye-opener for all the men. Here Naskar enables us to delve deep into the neural realm of the female mind as well as the male, to recognize their distinct mental faculties. He reveals to us in his unique philosophical manner, how the women can take the human society forward towards a genuine harmonious future. The Bengal Tigress also warns us about the imminent harms of the term "Feminism" and makes "Humanism" triumph over all prejudices. We emerge from this spell-binding odyssey of science and philosophy with one sole conviction, that we are human first, then everything else.

It changed how I think about myself, my family, my work, and what's possible in the world. Melinda weaves together vulnerable, brave storytelling and compelling data to make this one of those rare books that you carry in your heart and mind long after the last page." — Brené Brown, Ph.D., author of the New York Times #1 bestseller *Dare to Lead* "Melinda Gates has spent many years working with women around the world. This book is an urgent manifesto for an equal society where women are valued and recognized in all spheres of life. Most of all, it is a call for unity, inclusion and connection. We need this message more than ever." — Malala Yousafzai Melinda Gates's book is a lesson in listening. A powerful, poignant, and ultimately humble call to arms. — Tara Westover, author of the New York Times #1 bestseller *Educated* A debut from Melinda Gates, a timely and necessary call to action for women's empowerment. "How can we summon a moment of lift for human beings — and especially for women? Because when you lift up women, you lift up humanity." For the last twenty years, Melinda Gates has been on a mission to find solutions for people with the most urgent needs, wherever they live. Throughout this journey, one thing has become increasingly clear to her: If you want to lift a society up, you need to stop keeping women down. In this moving and compelling book, Melinda shares lessons she's learned from the inspiring people she's met during her work and travels around the world. As she writes in the introduction, "That is why I had to write this book—to share the stories of people who have given focus and urgency to my life. I want all of us to see ways we can lift women up where we live." Melinda's unforgettable narrative is backed by startling data as she presents the issues that most need our attention—from child marriage to lack of access to contraceptives to gender inequity in the workplace. And, for the first time, she writes about her personal life and the road to equality in her own marriage. Throughout, she shows how there has never been more opportunity to change the world—and ourselves. Writing with emotion, candor, and grace, she introduces us to remarkable women and shows the power of connecting with one another. When we lift others up, they lift us up, too.
