

Greatest Story Jesus Healer

John I. Penn Sr.

Jesus is the Great Physician Andrea Spiess,2024-01-31 Prayer is powerful when faith is displayed. Does Jesus still perform miracles today? Kenzie suffered from illness from a young age. Medicines made her comfortable, but didn't bring full healing. Discouraged and exhausted, Kenzie's mother wondered, if God is only good, then why is my child suffering? The Lord showed her her authority in Jesus, and Kenzie's mother prayed a powerful prayer over her daughter, leading to Kenzie's miraculous healing and extraordinary encounter with Jesus. This book is sure to warm your heart, give you hope, and reawaken your faith that, through Jesus, miracles still happen today.

Jesus the Healer Stevan L. Davies,1995 Jesus the Healer argues that at least some of the sayings of Jesus in John's gospel - for example, I and the Father are one and I come from the Father - are quotations from Jesus himself when possessed by and speaking as the spirit of God. This book is a radical new look at Jesus as exorcist and healer.

Kingdom Calling Amy L. Sherman,2011-11-02 Christianity Today Book Award winner Imagine the scenarios: a CEO successfully negotiates a corporate merger, avoiding hundreds of layoffs in the process an artist completes a mosaic for public display at a bank, showcasing neighborhood heroes a contractor creates a work-release program in cooperation with a local prison, growing the business and seeing countless former inmates turn their lives around a high-school principal graduates 20 percent more students than the previous year, and the school's average scores go up by a similar percentage Now imagine a parade in the streets for each event. That's the vision of Proverbs 11:10, in which the tsaddiqim—the people who see everything they have as gifts from God to be stewarded for his purposes—pursue their vocation with an eye to the greater good. Amy Sherman, director of the Center on Faith in Communities and scholar of vocational stewardship, uses the tsaddiqim as a springboard to explore how, through our faith-formed calling, we announce the kingdom of God to our everyday world. But cultural trends toward privatism and materialism threaten to dis-integrate our faith and our work. And the church, in ways large and small, has itself capitulated to those trends, while simultaneously elevating the special calling of professional ministry and neglecting the vocational formation of laypeople. In the process, we have, in ways large and small, subverted our kingdom mandate. God is on the move, and he calls each of us, from our various halls of power and privilege, to follow him. Here is your chance, keeping this kingdom calling in view, to steward your faith and work toward righteousness. In so doing, you will bless the world, and as you flourish, the world will celebrate.

Jesus Heals the Sick ,2012 Jesus Heals the Sick comes to life in this Bible story favorite using the art from the popular The Beginner's Bible. Young children will learn about Jesus' love and compassion for others through his miracles of healing those that are sick.

Healing with Jesus Christ Rosalia Salazar,2020-04-13 Healing with Jesus Christ is an amazing story based on true events. It is a story of courage, resilience, and faith while facing adversity but only proves that Jesus Christ is still the great healer. Rosalia gives her inspiring testimony about how Jesus Christ rescued her from death and how he walked with her through a successful recovery after a brain aneurysm almost took her life, but by the grace and mercy of God, she lives to tell us about the miracle of her recovery process with the Lord Jesus Christ. She thought her end was coming, but when she started her relationship with Jesus Christ, what seemed like an end turned into her new beginning.

The Untold Story of Jesus ,2024-03-05 Jesus comes to life in this fascinating modern biography excerpted from The Urantia Book. Many of these historical stories are familiar to readers of the New Testament but dozens are new, including the missing years not found in the Bible. Here you discover Jesus presented as never before, both as divine Son and human hero whose matchless life inspires, comforts, and transforms you. It is beautifully written in modern, page-turning prose and complemented with 106 paintings from 35 renowned artists, including 42 originally commissioned works you will see for the first time. The paintings run the gamut of fine art celebrating the life of Christ, both classic and modern. These artists poured their souls into these portraits of higher spiritual reality. Our deep appreciation and humble gratitude go out to each one of them. These paintings illustrate Jesus' life journey from his humble birth and childhood to adolescence and manhood; from private to public ministry and on to his death, resurrection, and ascension. The artwork celebrates his diverse life as son, father-brother, carpenter, boat designer and builder, tutor, translator, caravan conductor, teacher, healer, minister, and friend. No one knows what Jesus looked like, but these artists painted their soulful interpretations to spark our imagination of these scenes from the Master's life. Our intent is to give you a visual communion with Jesus that complements the enthralling narrative. This impeccably designed book provides relevant and empowering spiritual insights, helping you navigate the challenging yet promising conditions of the 21st century. We live in an exciting era of unprecedented improvements in our material lives brought about by scientific, industrial, and social achievements. Yet despite all this progress, many souls feel lonely and displaced. We need God and have an innate thirst for spiritual answers because of that still, small voice that lives within us. Finding God by living the personal religion of Jesus satisfies that thirst. The search for the genuine Jesus continues to intrigue humanity. Since the Bible only records an estimated 50 days of his life, it follows that there is more to his story. You will find it here in this detailed history of the Master's entire life, including the public ministry recorded in the Gospels. It provides a coherent and seamless biography of this magnificent personality who continues to shape spiritual progress in our world. The story of Jesus is one of the most enthralling chapters in human history. The closing passage of the Apostle John's gospel speaks to a life larger than even the world itself. How fitting that the last words of his gospel should be the first words of this book: But there are also many things which Jesus did; were every one of them to be written, I suppose that the world itself would not contain the books that would be written. In John's day the Word was made flesh. In these days the Word is made book. The Untold Story of Jesus reveals the living Christ to members of the church that bears his name, as well as to worshipers of all world religions. It is sure to become a favorite volume for all who seek God.

Jesus Heals Danielle Hitchen,2020-01-07 God Cares for Every Body Your family will love this unique board book! Using colorful, engaging artwork, Jesus Heals introduces little ones to different parts of the body through the healings Jesus performed, pointing to His ultimate miracle—healing our sin by His death on the cross. Children will delight in the beautiful illustrations and learn about basic human anatomy as they see how Jesus healed various body parts. You will appreciate the artistic design, theologically sound content, and helping your little one understand that God cares for our physical bodies. *** Baby Believer® primers are designed to grow with children, from early infancy through elementary school. In addition to basic Bible theology, Baby Believer® board books are filled with quotations from the Bible, creeds, hymns, church fathers, and other articles of faith to help reinforce the content and provide intellectual handholds for older children who possess a greater capacity for learning and memorization.

The Greatest Story Never Told G. A. Hood,2013-10-29

The Greatest Story Never Told Leonard Sweet,2012 Encourages Methodists to re-explore their spiritual identities in order to stir up dormant passions and challenge contemporary critiques of the faith.

Called To Be Nina Wang,Wilson Wang,2019-06-05 The children's picture book, Called to Be: Healers with Jesus, is about helping children find their occupational calling in medicine through mirroring Jesus' ministry on earth and God's redemptive story in healing humanity. Our desire is that children will see their potential futures in the healing profession as a way of imitating Jesus and being a part of God's redemptive plan. The story is told in the perspective of God speaking to young readers and encouraging them to join in his ministry of healing. The reader journeys with God in various points in history from Eden to the present day, where modern day occupations reflect Jesus' miracles in the gospels to God's promise with his people.

Jesus Freak Miles Sara,2015-05-05 Jesus tells his followers to feed the hungry, heal the sick, raise the dead, but often we’ve tamed this calling. Sara Miles, a passionate, funny, undomesticated Christian, tells what happened when she decided to follow Jesus into the messy diversity of human life and do exactly what he asked.

Holy Bible (NIV) Various Authors,2008-09-02 The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-

reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

Jesus, the Best Capernaum Folk-Healer Zorodzai Dube,2020-11-10 This book takes the established fields of orality, performance, and first-century Christian healthcare studies further by combining analogues of praise performances to Apollo, Asclepius, and those from the Dondo people of South Eastern Zimbabwe to propose that Jesus’s healing stories in Mark’s Gospel are praise-giving narratives to Jesus as the best folk healer within the region of Capernaum. The book argues that the memory of Jesus as the folk healer from Capernaum survived and possibly functioned in similar contexts of praise-giving within early Christian households. The book goes through each healing story in Mark’s Gospel and imaginatively listens to it through the ears of analogue from praise-giving given to Greek healers/heroes and similar practices among the Dondo people. The power, completeness, and effectiveness in which Jesus healed each of the mentioned conditions provoke praise-giving from the listeners to the best folk healer in the village. In each instance, while Mark is calling for attention to the new healer, more so, he is raving praise-giving.

Stories of Jesus Broadman and Holman Publishers Staff,1998-05 Sure to be a favorite in the family library, these colorful, durable books tell the fascinating timeless stories of the Bible that children love the most.

Miracles of Healing in the Gospel of Mark John I. Penn Sr.,2021-12-01 Early on in my study, it became evident that Mark was not simply recounting the healing incidents that Jesus had performed. Mark looked at the healing miracles of Jesus through the lens of God’s perspective. What was significant to Mark and what captured my spiritual imagination was his interpretation of the healing miracles. He made it clear to the readers that Jesus clearly understood the redemptive implications of his mission as the Jewish healer-redeemer. Jesus fully embraced his Messianic mission to bring salvation to the Hebrew people. He would become the perfect sacrificial lamb of God to bring about the restoration of fallen humanity. In and through him, God’s good creation would be restored. Through Jesus’ sacrificial death, God would create a new covenant of grace, which could be acceptable to both Jews and Gentiles. The healing miracles demonstrated the defeat of sin, sickness, death, and the evil influence of Satan’s demonic forces. Jesus did this by not only removing our sins but also taking the consequences of our sins upon himself, nailing them to the cross. All of Jesus’ healing miracles were interpreted similarly. I found Mark’s gospel both inspiring and informative, allowing me to see the heart, love, compassion, and mind of God for His creation.

The Greatest Story Ever Told Fulton Oursler,1949 Drama of the life of Christ, the teacher and saviour, healer of the hopeless and champion of the poor, from Galilee to Golgotha.

The Essential Jesus Whitney T. Kuniholm,2010-01-28 Jesus is the most influential person of human history. Jesus never became a political, military or government leader; he never wanted to. He never owned a multinational corporation or acquired any wealth to speak of; he didn't need it. He never wrote a book, never staged a concert tour, never appeared on television and never had a radio talk show--or even his own blog. . . . What's so special about Jesus? (from the introduction) Most of us know something about Jesus and are intrigued by him. Perhaps as a child we attended Sunday school, or when flipping channels we've heard TV preachers talk about Jesus. We may have even thought, I'd like to find out for myself what Jesus said and did so I can come to my own conclusions about him. But we haven't had the opportunity to take a closer look.The Essential Jesus by Whitney T. Kuniholm will help you discover who Jesus is and why he is so significant--even life-transforming. Through both Old and New Testament readings you will discover why God sent Jesus, what Jesus taught, how he treated people, why he did miracles, the meaning of his death, the significance of his resurrection, what the Bible says about his second coming and much more. Whether alone or in a group setting, you can discover for yourself what makes Jesus so special.

The Gospel According to Matthew ,1999 The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.
