Casting the Greek Newspaper Klimis Mastoridis,1999 Histoire de la presse grecque aux 19ème et 20ème siècles s'appuyant sur de nombreuses références de périodiques d'époque.

The Uses of Oppression Marina Sakali,2024-01-09 The Uses of Oppression follows the development of the Ottoman Greek press in the nineteenth century. It employs the vivid reflections of editors, correspondents, advertisers, commentators, and readers to view the everyday lives of a generation caught up in radical social and political changes, including the period of reforms known as Tanzimat.

Present and Aorist Participles in Contemporary Greek Newspapers Sten Ryda,1988

Greek News Anton Powell,2008-06-01 'Greek News' presents, in newspaper form, one of the great civilizations of the ancient world. Major news stories from home and abroad combine with fascinating features on all aspects of daily life.

Mass Media in Greece Thimios Zaharopoulos,Manny Paraschos,1993 In this examination of Greek press, radio and television, authors Zaharopoulos and Paraschos describe media which have been tremendously politicized, partisan, and dominated by foreign programming. As the political and economic face of Greece and Europe changes, the Greek media has been thrown into anarchy. Greece today is at a critical stage of transition from a traditional, developing nation to a more western-oriented, modern society. The media have mirrored Greece's struggle, and as important tools of political, socioeconomic, and cultural power, they have been at the forefront of the national crisis. In this examination of Greek press, radio and television, Zaharopoulos and Paraschos describe media which have been tremendously politicized, partisan, and dominated by foreign programming. As the political and economic face of Greece and Europe changes, the Greek media have been thrown into anarchy. Zaharopoulos and Paraschos trace the development of the media under different political regimes which have shaped its norms and structures. Historically, governments ranging from military juntas to democratically elected ones, have all been reluctant to share the use of the print media, radio and television, although opposition parties have been successful in loosening the now crumbling government monopoly. The traditionally powerful elements of society have benefitted most from radio and television ownership which, the authors say, will ultimately benefit Greek society as a whole. The authors discuss the Greek mass media's transformation from state control to privatization as a foreshadowing model of Eastern European media developments. Mass Media in Greece will be of particular interest to students of international communication and modern Greece.

The Neglected Press Maria D. Tenezakis,1984 Inquiry reports based on research carried out in 1981 (pilot study) and 1982-3 (main study) at the School of Education, Maquarie University.

Foreign Mass Communication in Greece Efthimios D. Zaharopoulos,1985

Proceedings of the 2nd International Conference: Quantitative and Qualitative Methodologies in the Economic and Administrative Sciences Christos Frangos,2009

European Social Movements and the Transnationalization of Public Spheres Angela Bourne,2018-12-07 Many contemporary social movements observe, copy, learn from, coordinate and cooperate with other movements abroad, and some mobilise to influence processes of global governance. Can these transnational dimensions of mobilization transform the territorial scale of political debate on issues of common concern in public spheres? In contrast to many existing studies, which focus on the media as carriers of public sphere transnationalisation, this book presents a theoretical and empirical exploration of the role of social movements in such processes. As 'arenas' or subaltern counterpublics in themselves, social movements may provide a setting in which activists come to frame claims in a comparative manner, interact with activists from other countries, frame problems as matters of transnational concerns or consider themselves members of transnational communities. As 'actors' social movements may contribute to the transnational transformation of public spheres by directing claims to political authorities beyond the state, claiming to represent transnational constituencies, and focus on similar issues and use similar frames of reference as movements abroad. The book's case studies addressing efforts to build transnational social movements and transnational dimensions of anti-austerity and prodemocracy movements in Spain, Portugal, Greece, Turkey and Ireland provide contemporary empirical illustrations of such processes at work. The chapters were originally published in a special issue of the Journal of Civil Society.

Proceedings of 4th International Conference on Quantitative, Social, Biomedical and Economic Issues Christos Frangos,2020-07-11 Proceedings of 4th International Conference on Quantitative, Social, Biomedical and Economic Issues DATES: July 10th (Friday) - July 11th (Saturday), 2020 CONFERENCE MAIN SUBJECT The use of the new technologies to improve the efficiency of Education, Entrepreneurship and Economic Activities This year's Conference is organized by the Greek Foundation for Research in the Quantitative, Social and Economic Subjects, which is a non-profit Company with Articles of Association registered in the Chamber of Non-for-profit organizations. This Conference is a continuation,in a broader sense, of the four International Conferences which were organized by myself during the years 2003, 2009, 2013, and 2015, under the auspices of the Technological Educational Institute of Athens,as well as the 1st and 2nd and 3rd International Conference on Quantitative, Social, Biomedical and Economic Issues ,during the years 2017,2018,2019 in Athens. The International Conferences of the years 2017,2018,1919, were organized under the Auspices of the Greek Foundation for Research in the Quantitative, Social and Economic Subjects which is based in Athens, Greece and has links with an International group of Academics. This Conference is focusing on the following subject: The use of the new technologies to improve the efficiency of Education, Entrepreneurship and Economic Activities The aim of this Conference is to become a forum for the analysis of subjects related to the Quantitative, Social, Biomedical and Economic Sciences, the present state in Greece for the sectors of Education, Health, Innovative Business and the lessons learnt from them , in the context of the serious Economic crisis .in Europe and ,particularly, in Greece. This Conference, also, is the opportunity for many highly respected scientists to present and exchange ideas in their respective research areas with the aim of initiating new joint projects. The new developments in the sectors of contemporary Science and Economy are important and the need for a clear and responsible information is very high regarding, also, the possibility of fake news through the Internet.

Greek Americans Charles C. Moskos,2018-12-13 This is an engrossing account of Greek Americans--their history, strengths, conflicts, aspirations, and contributions. This is the story of immigrants, their children and grandchildren, most of whom maintain an attachment to Greek ethnic identity even as they have become one of this country's most successful ethnic groups.

Handwritten Newspapers Kirsti Salmi-Niklander,2019-12-10 This book is the first edited volume focusing on handwritten newspapers as an alternative medium from a wide interdisciplinary and international perspective. Our primary focus is on handwritten newspapers as a social practice. The case studies contextualize the source materials in relation to political, cultural, literary, and economic history. The analysis reveals both continuity and change across the different forms and functions of the textual materials. In the 16th century, handwritten newspapers evolved as a news medium reporting history in the making. It was both a rather expensive public commodity and a gift exchanged in social relationships. Both functions appealed to public elites and their news consumption for about 300 years. From the late 18th century onwards, changing notions of publicness as well as the social needs of private or even secluded groups re-defined the medium. Handwritten newspapers turned more and more into an internal or even clandestine medium of communication. As such, it has served as a means to create social cohesion, political debate, and religious education for nonelite groups until the 20th century. Despite these changes, continuities can be observed both in the material layout of handwritten newspapers and the practices of distribution.

Opa! Arthur C. Cosmas,2018-10-30 What it means to be Greek In Opa!, author Arthur Cosmas presents a loving portrait of what it was like to be brought up as a Greek American in the Greek community in the United States during the 1950s. Some of the topics the author covers include the Greek family, Greek holidays and religion, the Mediterranean diet—healthy as well as unhealthy—the agora, assimilation, chaos, superstitions, and the evil eye. In this engaging and lovable portrayal of Greeks, the author relates facts about Greek culture and then brings these elements to life through true-life anecdotes about his family. Entertaining and informative, Opa! is a look into Greek heritage and traditions. This delightful book will make you laugh, it might revive affectionate memories of what it was like for you growing up, and it will remind you that we are all more alike than we are different.

Media Law in Greece Ioannis Iglezakis,2021-12-21 Derived from the renowned multi-volume International Encyclopaedia of Laws, this analysis of media law in Greece surveys the massively altered and enlarged legal landscape traditionally encompassed in laws pertaining to freedom of expression and regulation of communications. Everywhere, a shift from mass media to mass self-communication has put enormous pressure on traditional law models. An introduction describing the main actors and salient aspects of media markets is followed by in-depth analyses of print media, radio and television broadcasting, the Internet, commercial communications, political advertising, concentration in media markets, and media regulation. Among the topics that arise for discussion are privacy, cultural policy, protection of minors, competition policy, access to digital gateways, protection of journalists' sources, standardization and interoperability, and liability of intermediaries. Relevant case law is considered throughout, as are various ethical codes. A clear, comprehensive overview of media legislation, case law, and doctrine, presented from the practitioner's point of view, this book is a valuable time-saving resource for all concerned with media and communication freedom. Lawyers representing parties with interests in Greece will welcome this very useful guide, and academics and researchers will appreciate its value in the study of comparative media law.

International Migration and Challenges in the Beginning of the Twenty-First Century Işıl Zeynep Turkan İpek,Gökçe Bayındır Goularas,2018-10-18 This book analyzes the latest developments in international migration in the twenty-first century through an interdisciplinary perspective. The book uses sociological, economic, judicial, political, and geopolitical approaches to present the evolution of the contemporary international migration process.

The Greek Gastarbeiter in the Federal Republic of Germany (1960-1974) Maria Adamopoulou,2024-03-04 Was migration to Germany a blessing or a curse? The main argument of this book is that the Greek state conceived labor migration as a traineeship into Europeanization with its shiny varnish of progress. Jumping on a fully packed train to West Germany meant leaving the past behind. However, the tensed Cold War realities left no space for illusions; specters of the Nazi past and the Greek Civil War still haunted them all. Adopting a transnational approach, this monograph retargets attention to the sending state by exploring how the Greek Gastarbeiter's welfare was intrinsically connected with their homeland through its exercise of long-distance nationalism. Apart from its fresh take in postwar migration, the book also addresses methodological challenges in creative ways. The narrative alternates between the macro- and the micro-level, including subnational and transnational actors and integrating a diverse set of primary sources and voices. Avoiding the trap of exceptionalism, it contextualizes the Greek case in the Mediterranean and Southeast European experience.

The Greek Cypriot Nationalist Right in the Era of British Colonialism Yiannos Katsourides,2017-04-05 This book analyses the processes and factors that contributed to the emergence and eventual consolidation of the Greek Cypriot Right in the era of British colonialism. It seeks to understand political developments in Cyprus in the period extending from 1900 to 1955 with regard to their social, ideological and economic determinants. By examining changing forms of political life, a general reconstitution of the political sphere and a specific set of changes in the ideology and organisation of the Greek Cypriots, the author offers a framework for analysing Greek Cypriot right-wing party politics, identifying its sources of mobilisation and main actors such as the Church of Cyprus, and understanding its subsequent transformations.

Journalism and Austerity Christos Kostopoulos,2020-09-10 Using an original empirical study of the frame building process in the press, this book analyses the interplay between political economy and framing theories, focusing on what the frames found in the press can reveal about structural power struggles, and the contribution of journalism to democratic debate.

The Entrepreneurial Spirit of the Greek Immigrant in Chicago, Illinois: 1900-1930 Alexander Rassogianis,2015-09-09 Greek immigrants came to Chicago in droves in the early 1900s, and most of them made immediate contributions to the city. Greek men grew up learning that theyd need to own and operate their own businesses to be successful. As a result, most of them were tough, individualistic and hard working. The fact that they were raised in poor and remote mountain villages, where mere survival was considered an accomplishment, contributed to their character, personality, and individualism. When a shop owner was asked why he was successful, he replied, Just hard workthats all. Nobody can move you, no matter how strong they are. He was among the Greeks who worked and struggled to open up their own businesses, with names like The Petropulos Range Co., the Collias and Menegas Restaurant, and Rusetos and Company Ice Cream. Other company names were based on Greek cities or mythological and historical characters. Celebrate the history of a hardworking people, and learn lessons about business and life by studying The Entrepreneurial Spirit of the Greek Immigrant in Chicago, Illinois: 1900-1930.

Greek News Papers Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Greek News Papers PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Greek News Papers PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Greek News Papers free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Greek News Papers Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility.
