**Shantaram** Gregory David Roberts,2004-10-13 Based on his own extraordinary life, Gregory David Roberts' Shantaram is a mesmerizing novel about a man on the run who becomes entangled within the underworld of contemporary Bombay--the basis for the Apple + TV series starring Charlie Hunnam. "It took me a long time and most of the world to learn what I know about love and fate and the choices we make, but the heart of it came to me in an instant, while I was chained to a wall and being tortured." An escaped convict with a false passport, Lin flees maximum security prison in Australia for the teeming streets of Bombay, where he can disappear. Accompanied by his guide and faithful friend, Prabaker, the two enter the city's hidden society of beggars and gangsters, prostitutes and holy men, soldiers and actors, and Indians and exiles from other countries, who seek in this remarkable place what they cannot find elsewhere. As a hunted man without a home, family, or identity, Lin searches for love and meaning while running a clinic in one of the city's poorest slums, and serving his apprenticeship in the dark arts of the Bombay mafia. The search leads him to war, prison torture, murder, and a series of enigmatic and bloody betrayals. The keys to unlock the mysteries and intrigues that bind Lin are held by two people. The first is Khader Khan: mafia godfather, criminal-philosopher-saint, and mentor to Lin in the underworld of the Golden City. The second is Karla: elusive, dangerous, and beautiful, whose passions are driven by secrets that torment her and yet give her a terrible power. Burning slums and five-star hotels, romantic love and prison agonies, criminal wars and Bollywood films, spiritual gurus and mujaheddin guerrillas--this huge novel has the world of human experience in its reach, and a passionate love for India at its heart.

Older Brother Mahir Guven,2019-10-08 Prix Goncourt Winner: A "superb" novel of a Syrian immigrant in France and his two sons (The New York Times Book Review). Older Brother is the poignant story of a Franco-Syrian family whose father and two sons try to integrate themselves into a society that doesn't offer them many opportunities. The father, an atheist communist who moved from Syria to France for his studies and stayed for love, has worked for decades driving a taxi to support his family. The eldest son is a driver for an app-based car service, which comically puts him at odds with his father, whose very livelihood is threatened by this new generation of disruptors. The younger son, shy and serious, works as a nurse in a French hospital. Jaded by the regular rejections he encounters in French society, he decides to join a Muslim humanitarian organization to help wounded civilians in the war in Syria. But when he stops sending news home, the silence begins to eat away at his father and brother, who wonder what his real motivations were. And when the younger brother returns home, he has changed . . . "A masterpiece of a first novel." --The Guardian "A striking debut that reveals the breadth of emotional disconnection that prejudice can stoke within a family." --Kirkus Reviews

Death's Edge S. B. Sebrick, 2015-04-23 Everyone in my village is crazy. They whisper behind my back about a brother I've never had. How can they all remember a boy who I know never existed? Sure, my nightmares are a little too vivid. The sight of blood terrifies me, but lots of people can't stand the stuff. There's nothing wrong with me. I'm totally sane. That's what I believed, at least. Until the night of the earthquake. Until I saw that broken corpse lying in the rubble. Until I met him.

Tip of the Spear Ryan Hendrickson, 2020-07-07 The inspiring true story of a US Special Forces soldier who was medically retired after stepping on an IED, and his incredible return to active duty. Sergeant First Class (SFC) Ryan Hendrickson is a brave, determined, and courageous soldier -- a Green Beret clearing the way for his twelve-man team while conducting combat operations against the Taliban. As the tip of the spear, his role is to ensure the route taken by U.S. and Afghan troops are free of IEDs -- improvised explosive devices. Many soldiers do not survive their last step; those who do often lose at least one limb. While rescuing an Afghan soldier outside a mud-hut compound in 2010 -- knowing that he was in uncleared territory -- Ryan stepped on an IED with his right foot. The device exploded, leaving his foot dangling at the end of his leg. American soldiers losing a limb is an all-too-common occurrence. But what makes Ryan's story different is that after undergoing two dozen surgeries and a tortuous rehabilitation, he was medically retired but fought to return to active duty. Multiple skin grafts to his leg and right foot successfully reattached his lower leg, and he was aided in his recovery by wearing a new prosthetic device known as an IDEO (Intrepid Dynamic Exoskeletal Orthosis). Once he passed a series of crucial physical tests, Ryan was able to rejoin the Green Berets within a year and physically perform his duties, redeploying to Afghanistan in March 2012. In 2016, he volunteered to return to Afghanistan with Bravo Company, 2nd Battalion, 7th Special Forces Group. During a firefight with the Taliban, he risked his life under heavy enemy fire to rescue three Afghan soldiers cut off from friendly forces and return the bodies of two dead Afghan soldiers under the ethos that no one gets left behind. For his heroic efforts on the battlefield, SFC Ryan Hendrickson was awarded a Silver Star, the nation's third-highest award for valor. An engaging and harrowing account, *Tip of the Spear* tells the amazing story of one Green Beret's indomitable spirit.

**We Pierce** Andrew Huebner, 2010-05-11 *We Pierce* is the story of two brothers: one brother, Smith, goes to war. A true believer, he leads a tank company into battle in Iraq during the Gulf War. There he learns about the true nature of patriotism, camaraderie, modern warfare and, finally, the soldiers' secret that some things learned over there are better not brought back home. Meanwhile Sam, an aspiring writer, as much a rebel as his older brother is a natural leader, is busy protesting against the war in Times Square in New York and on the Capitol steps in Washington, D.C. But he questions the strength of his own beliefs, while losing his own battle with alcohol and narcotics. Both brothers are haunted by the depth of the sacrifice at home incurred by their family's commitment to honor and duty on battlefields abroad. As he did with his first novel, *American by Blood*, acclaimed novelist Andrew Huebner draws on his family's long experience with violence and military service and renders a haunting novel of war. From the desert of Iraq to the Lower East Side of New York, *We Pierce* is about fighting for what you believe in, no matter what the cost to yourself or your brother.

*The Reformed Vampire Support Group* Catherine Jinks, 2010-09-06 Think vampires are romantic, sexy, and powerful? Think again. Vampires are dead. And unless they want to end up staked, they have to give up fanging people, admit their addiction, join a support group, and reform themselves. Nina Harrison, fanged at fifteen and still living with her mother, hates the Reformed Vampire Support Group meetings every Tuesday night. Even if she does appreciate Dave, who was in a punk band when he was alive, nothing exciting ever happens. That is, until one of group members is mysteriously destroyed by a silver bullet. With Nina (determined to prove that vamps aren't useless or weak) and Dave (secretly in love with Nina) at the helm, the misfit vampires soon band together to track down the hunter, save a werewolf, and keep the world safe from the likes of themselves. The perfect anecdote to slick vampire novels, this murder-mystery comedy of errors will thrill fans of *Evil Genius*.

*New Worlds, Old Ways* Karen Lord, 2016-11-15 The Caribbean has a powerful, modern tradition of fantastic literature that's on full display in this anthology of original fiction by writers from Barbados, Trinidad and Tobago, and Bermuda...None of these writers is likely to be familiar to American audiences, but all are worth getting to know. Readers who love the writing of Nalo Hopkinson, Tobias S. Buckell, and Lord herself will savor this volume. --Publishers Weekly, Starred review *New Worlds, Old Ways* fulfills its promise of arriving at a recognizable genre of Caribbean speculative fiction. Prior to this collection we have not had any reader-friendly approaches that have directly addressed the genre of Caribbean speculative fiction. Lord, and the various writers in this collection, have given readers access to a hitherto unexplored genre, one that differentiates as well as connects to the treasure trove of Caribbean literature. The collection is a boon for scholars and reading aficionados of the Speculative Fiction genre. And as the editor states, true to its world, *New Worlds, Old Ways* offers both depth and delight without disappointment. It suggests that if one looks closely enough, they will find that Caribbean fiction has always been speculative. --SX Salon Do not be misled by the speculative in the title. Although there may be robots and fantastical creatures, these common symbols are tools to frame the familiar from fresh perspectives. Here you will find the recent past and ongoing present of government and society with curfews, crime, and corruption; the universal themes of family, growth and death, love and hate; the struggle to thrive when power is capricious and revenge too bittersweet. Here too is the passage of everything--old ways, places, peoples, and ourselves--leaving nothing behind but memories, histories, and stories. This anthology speaks to the fragility of our Caribbean home, but reminds the reader that although home may be vulnerable, it is also beautifully resilient. The voice of our literature declares that in spite of disasters, this people and this place shall not be wholly destroyed. Read for delight, then read for depth, and you will not be disappointed. Brand-new stories by: Tammi Browne-Bannister, Summer Edward, Portia Subran, Brandon O'Brien, Kevin Jared Hosein, Richard B. Lynch, Elizabeth J. Jones, Damion Wilson, Brian Franklin, Ararimeh Aiyejina, and H.K. Williams. *New Worlds, Old Ways* is the third publication of Peekash Press, an imprint of Akashic Books and Peepal Tree Press committed to supporting the emergence of new Caribbean writing, and as part of the CaribLit project.
