The Mouse on the Mile Stephen King, 2016-04-26 The Green Mile, Stephen King's #1 New York Times bestselling novel, was first published twenty years ago in six original paperback installments. Inspiration for the Oscar-nominated film starring Tom Hanks about an innocent man on death row, The Green Mile is now available for the first time in e-serial form. The Mouse on the Mile is Volume Two. Paul Edgecombe's story continues with the addition of two characters, one a new prisoner awaiting his own date with "Old Sparky," Cold Mountain's electric chair. He's William "Wild Bill" Wharton, a killer with an aim to cause as much trouble as he can before his execution date. The other newcomer is a mouse. Called Steamboat Willy by the guards who first noticed him, he's later renamed Mr. Jingles by Eduard Delacroix, another of the death row inmates who eventually takes in the mouse and makes him his pet—a bit of cold comfort for a man condemned to walk the Green Mile.

The Bad Death of Eduard Delacroix Stephen King, 2016-05-24 The Green Mile, Stephen King's #1 New York Times bestselling novel, was first published twenty years ago in six original paperback installments. Inspiration for the Oscar-nominated film starring Tom Hanks about an innocent man on death row, The Green Mile is now available for the first time in e-serial form. The Bad Death of Eduard Delacroix is Volume Four. Time has run out for one of the inmates at Cold Mountain penitentiary. Eduard Delacroix is set to make his way into the lap of Old Sparky. But first he must say good-bye—to the guards, to his fellow inmates, and to a strange creature that forever changed his life. Little does he know of the terrible fate that awaits him, and of a devilish plan of revenge. Though no execution can ever be routine, it can follow procedures put in place to minimize pain and avoid a ghastly end. But those procedures are only as good as the men carrying them out. Unfortunately for Delacroix, one of those men is Percy Wetmore. And he's determined to hear Delacroix's screams of agony echoing along the Green Mile.

Life Expectancy Dean Koontz, 2007-06-15 With his bestselling blend of nail-biting intensity, daring artistry, and storytelling magic, Dean Koontz returns with an emotional roller coaster of a tale filled with enough twists, turns, shocks, and surprises for ten ordinary novels. Here is the story of five days in the life of an ordinary man born to an extraordinary legacy—a story that will challenge the way you look at good and evil, life and death, and everything in between. Jimmy Tock comes into the world on the very night his grandfather leaves it. As a violent storm rages outside the hospital, Rudy Tock spends long hours walking the corridors between the expectant fathers' waiting room and his dying father's bedside. It's a strange vigil made all the stranger when, at the very height of the storm's fury, Josef Tock suddenly sits up in bed and speaks coherently for the first and last time since his stroke. What he says before he dies is that there will be five dark days in the life of his grandson—five dates whose terrible events Jimmy will have to prepare himself to face. The first is to occur in his twentieth year; the second in his twenty-third year; the third in his twenty-eighth; the fourth in his twenty-ninth; the fifth in his thirtieth. Rudy is all too ready to discount his father's last words as a dying man's delusional rambling. But then he discovers that Josef also predicted the time of his grandson's birth to the minute, as well as his exact height and weight, and the fact that Jimmy would be born with syndactyly—the unexplained anomaly of fused digits—on his left foot. Suddenly the old man's predictions take on a chilling significance. What terrifying events await Jimmy on these five dark days? What nightmares will he face? What challenges must he survive? As the novel unfolds, picking up Jimmy's story at each of these crisis points, the path he must follow will defy every expectation. And with each crisis he faces, he will move closer to a fate he could never have imagined. For who Jimmy Tock is and what he

must accomplish on the five days when his world turns is a mystery as dangerous as it is wondrous—a struggle against an evil so dark and pervasive, only the most extraordinary of human spirits can shine through. This ebook edition contains an excerpt of Dean Koontz's *The Silent Corner*.

The Negro Motorist Green Book Victor H. Green, The idea of The Green Book is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are

compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.
