

# Growlr Gay Bears Near You

Ron Jackson Suresha

**Bear Necessities** Robbie Growlr, 2023-06-18 Welcome to a vibrant exploration of the vibrant, robust, and evolving world of the gay bear scene. In this book, we delve into the heart of a subculture that is as rich and diverse as the individuals who make it up. Weaving together historical accounts, personal narratives, sociological insights, and practical guides, we provide a holistic view of the gay bear scene, from its grassroots emergence in the mid-20th century to its contemporary presence in the global LGBTQ+ landscape. Beyond a mere exploration of the past, this book also offers a comprehensive guide to the bear scene today. It highlights the spaces—both physical and virtual—where bear culture thrives. It provides tips for newcomers to the scene, narratives for those who may wish to understand it better, and in-depth discussions of the evolving dynamics within the community. We invite you to journey with us into this vibrant corner of LGBTQ+ culture. Whether you are part of the bear community yourself, seeking to learn more, or simply interested in a fascinating aspect of LGBTQ+ history and life, this book promises to be a rich, rewarding read. Together, let's explore and celebrate the resilience, diversity, and unity of the gay bear scene.

*The Bear Book* Les Wright, 2013-12-02 *The Bear Book* brings together an impressive range of bear--usually big, hairy men who favor full-face beards and prefer to wear jeans and flannel shirts--viewpoints to explore this unique social and cultural phenomenon that stretches from America to western Europe to Australia! On the personal level, you learn what beardom means to different people in their daily lives, and on a broader level, its cultural implications for not only the gay community, but also society as a whole. As this book moves across the wide spectrum of bear identities, you learn about the defining forces of identity, the significance of differences among masculinities, and the shapings of the bear movement from different viewpoints. *The Bear Book* is the first compilation of sociological and cultural analytical investigations of the contemporary gay bear phenomenon. To this end, Editor Les Wright brings together both objective and subjective viewpoints to create a forum where bears can speak for themselves. Through their voices, you'll learn about: bears and sexual identity gay male iconography socializing on the Internet sexual politics (gender, class, "looks-ism," and body image) gay mass media, the single most powerful force in the current construction of "bears" bears, power, and glamor bear-as-image vs. bear-as-attitude Gays,

lesbians, lesbian scholars, bears, and social scientists are sure to find *The Bear Book* thought-provoking and insightful as it broaches questions such as: Are bears caught up in a utopian-romantic impulse to reinvent themselves? What was radical lesbianism's impact on the bear movement? To what extent are bears only another group of exploited consumers in a fragmented market system? And, is it possible to establish social liberation through enslavement to your sexual passions? For both your pleasure and your education, *The Bear Book* examines nearly every corner of beardom, including bear history, identity, social spaces, iconography, and its constituency abroad.

**Disrupting Dignity** Stephen M. Engel, Timothy S.

Lyle, 2021-06-15 Why LGBTQ+ people must resist the seduction of dignity In 2015, when the Supreme Court declared that gay and lesbian couples were entitled to the “equal dignity” of marriage recognition, the concept of dignity became a cornerstone for gay rights victories. In *Disrupting Dignity*, Stephen M. Engel and Timothy S. Lyle explore the darker side of dignity, tracing its invocation across public health politics, popular culture, and law from the early years of the HIV/AIDS crisis to our current moment. With a compassionate eye, Engel and Lyle detail how politicians,

policymakers, media leaders, and even some within LGBTQ+ communities have used the concept of dignity to shame and disempower members of those communities. They convincingly show how dignity—and the subsequent chase to be defined by its terms—became a tool of the state and the marketplace thereby limiting its more radical potential. Ultimately, Engel and Lyle challenge our understanding of dignity as an unquestioned good. They expose the constraining work it accomplishes and the exclusionary ideas about respectability that it promotes. To restore a lost past and point to a more inclusive future, they assert the worthiness of queer lives beyond dignity's limits.

**The Bear Book II** Les Wright, 2016-04-08 Here is a serious discussion of an emerging gay subculture! Take another fascinating journey into the bear's den with the latest offering from Les Wright, author of *The Bear Book*. *The Bear Book II* will show you the contrast between the media image of the fun-loving, carefree bear man and the health, image, psychological, technological, and sexual concerns of bears living in the real world. A continuation of *The Bear Book* (1997), this study of typically big, hairy, and bearded gay men explores bears on a societal and personal level, giving a wide voice to bears of all ages, nationalities, and cultures.

Among the topics *The Bear Book II: Further Readings in the History and Evolution of a Gay Male Subculture* discusses are: health concerns of bears bear body images self-esteem issues for bears physical and psychological bear attributes as portrayed in the media versus actual individual accounts social and sexual institutions in the bear community the role of the Internet in creating a global bear subculture *The Bear Book II* will help you to understand the life of a bear. This unique book, the only serious exploration of this topic, offers documentation of a subculture in the making, complete with subjective and analytical perspectives that support this example of postmodern cultural anthropology.

**Gay Bear Art** Bears Books,2019-05-12 The art of an older sexy man, who knows how to expose his inner beauty.

**The Bear Handbook** Ray Kampf,2000

**Bear Like Me** Jonathan Cohen,2011 Fired from his job at Phag magazine, Peter Mallory has to find a way to make a living...and get revenge! When his best friend suggests writing a book about the bear community--and using his new ursine look to go undercover at Phag--Peter is soon letting his body hair grow and practising the fine art of flannel couture. When Peter's sabotage campaign works only too well, he starts to run the risk of discovery.

With an envious fellow bear set to unmask Peter as a fraud, and a relationship with an intriguing bear on the line, things are about to get very hairy!

### **Bearland Tales Volumes 1-3 Kendall Morgan,2020-06-12**

Three stories of gay bears living their best lives, including: Rough CutFootball players can be gay, too.Chris Hodak, a former college football defensive lineman, never came out. He didn't think big, burly football players could be gay, but he also never got over his crush on Rohan Moore, a hunky teammate with whom he had a fumbling make out session one night after a game.Twenty years after that fateful night, Chris, who is now in his 40s, again meets Rohan, an out and proud big, gay hairy bear who owns a barber shop catering to bears. Rohan is still beautiful but isn't interested in Chris because he hates closet cases. For Chris that spark is still there, and it gets even stronger when he sits in Rohan's chair for a shave and a haircut. In order to get Rohan back, Chris must be braver and tougher than he ever was on any football field.Twinks in BearlandCan a twink fall in love with a bear and keep his friends?The friends of pretty blue-eyed Dustin Garber are about to find out he has a secret. He loves bears, big hairy gay men. None of them know it, but he's just booked them all into the annual Gay

Bear Ski week. Craig, beautiful, black and Jewish, is initially indifferent to the fact that he is spending a week with big hairy men. He already has a hook up planned of his own, although that man turns out to have a bizarre secret. Patrick and Ethan, two bear-hating twinkies who have been secretly in love with each other for years, take much longer to come around to the idea that bears can be good guys too. Dustin isn't so sure his friendship with them will survive the trip. And then Dustin meets Nate, a big blond bear who is forever single but ready for something a little different. Nate's friends, Casey and Ryland, are fighting about Ryland's porn career. Nate's friend Gil is busy with a Canadian couple, but together Dustin and Nate get lost on a backcountry trail. Deep in the snow away from everyone they may just find the love they've been seeking and the understanding they didn't know they needed. Spooky Ginger Love In one scary weekend, love can set a man free. Keith Norwood, a handsome African American gay bear, came to Camp You-Mee's Bears Haunted Halloween Boo-Nanza Extravaganza for some cheesy holiday thrills and a little ass. A fan of the one-night stand, he thought all he wanted was to get laid. The camp's cute assistant manager with a fantastic butt was Keith's first choice. Instead, he loses his way in the haunted woods.

He finds his way and himself with the help of Ronnie Gans, a big, friendly, hairy redhead. But he's unlike any one-night stand Keith has ever had.

**This Gay Bears Life Mates Books, 2019-03-24** A hot bear takes you on a journey to explore his life and his world in this sexy photo book.

Bear Like Me Jonathan Cohen, 2003 Fired from his job at Phag magazine, Peter Mallory has to find a way to make a living - and get revenge! When his best friend suggests writing a book about the bear community - and using his new 'bear' look to go undercover at Phag - Peter is soon letting his body hair grow and practicing the fine art of flannel couture. When Peter's sabotage campaign works only too well, he starts to run the risk of discovery. With an envious fellow bear set to unmask Peter as a fraud, and a relationship with an intriguing bear on the line, things are about to get very hairy!

Bear Skin Barry Lowe, 2013 Excerpt from: Carbon Dating The Bear I'm as embarrassed as hell. Normally, I wouldn't even consider appearing in public like this. Naked, except for handkerchief-sized red Speedos strung up between my ass cheeks like those Aussie lifesavers. I hope none of the neighbors is

watching as I knock on the door to my best mate Robbie's house, hoping he won't answer the door. I'm praying it's his dad. You see, I have a problem. I'm 19, pretty good looking, not an ounce of body fat on my slim, okay, skinny frame. Long, black hair, which hangs seductively across my face. My dick is average size, between 6 1/2 and 7, depending on which porn movie is in the DVD player when you measure. My body is twink hairless except for a clump of pubic seaweed, and my ass is smooth as butter and as bubbly as a balloon. Okay, what's the problem, you're asking? The problem is I just can't get laid. Let me rephrase that. I can't get laid by the guys I fancy. I suppose two telling points I should mention here: I'm a bit on the, shall we say, less than macho side, nothing flaming, but you'd never mistake me for Russell Crowe. Plus, I'm a top. Sure, I'd love to reciprocate, but just the idea of a cock entering my butt hole sends my body into shutdown and sphincter central locks all entrances to the building. Oh, did I mention my homme (yes, I'm studying French at college) of choice is a delicious, mature daddy with just a fleck of grey through his temples highlighting his desirability. Hair on his head is not essential. Hair on his chunky body is. The more fuzz that covers his body, the better I like it. The better I like it, the harder my cock gets. Alas, most men of that age

either find it too arduous to douche or simply only have time to stick their dick in any available cubhole and squirt before racing home to the wife, husband or spouse of unspecified gender. I usually satisfy myself with a quick fumble in a borrowed bedroom, a suburban shithouse, or a noirish alleyway, only occasionally going upmarket for a quick blowjob in someone's Ute or family sedan with baby seat attached. Once I encountered a truckie, who was everything I ever dreamed of, until he took off his trousers and revealed he was wearing white stockings and a suspender belt. No wonder then that last night I was running off at the mouth on meeting a gentleman of such proportion and charm that I was practically drooling. It was the occasion of a charmless party that I'd attended with mates Robbie and Viz. Unusually, none of us scored that night. There was no one there over 35. I moaned dramatically. Robbie and Viz in the back seat were indulging me, though not without a certain amount of eyes heavenwar

**Bears on Bears** Ron Jackson Suresha, 2002 A candid examination of gay male subculture called 'bears' who, for the uninitiated, are gay men who are defiantly uninterested in society's ideal of physical appearance. Instead, they celebrate the fact that they are often large, never shave their body hair, and don't give a

damn about what fashions are in style. They often drive trucks as well. Challenging, thought-provoking, and often humourous, this is a penetrating study of an often marginalised gay culture - albeit one with a lot of members.

Bears in the Raw Paul D. Cain, Luke Mauerman, 2019-01-15  
Two Columnists; One Book. Bears In The Raw is an unflinching look at gay life in the 1990s and early 2000s, written from two differing perspectives: - The AIDS Crisis - Sex - Gay Rights - Dating Nightmares - Gay History - Politics - Bear Life - Looking For Love

Bears in the Wild R. Jackson, 2010-03 Does a Bear read in the woods? You bet your sweet woof he does! Bears in the Wild, the third Bearotica collection of hot and hairy short fiction, draws readers deeper into the lush forest of masculine desire. These tales reveal at a mysterious bonfire a whole new tribe of lusty gay, bi, and queer male characters from the Bear cult, joyously playing and participating in their naked, natural rituals. Editor R. Jackson presents sixteen fresh, arousing, compelling stories of homomale love by famed and favorite contributors such as Simon Sheppard, Jeff Mann, Dale Chase, Jay Neal, and Jay Starre, as well as new voices. Reading these sometimes

humorous, often insightful, but always sensual tales of burly, macho men sharing their fierce and furry love may grow hair on the palms of your paws or at least, show you what bears really do in the woods.

*Feeling Normal* F. Hollis Griffin, 2017-01-09 An analysis of emerging LGBTQ+ media, queer spaces in urban areas, and sexual identity. The explosion of cable networks, cinema distributors, and mobile media companies explicitly designed for sexual minorities in the contemporary moment has made media culture a major factor in what it feels like to be a queer person. F. Hollis Griffin demonstrates how cities offer a way of thinking about that phenomenon. By examining urban centers in tandem with advertiser-supported newspapers, New Queer Cinema and B-movies, queer-targeted television, and mobile apps, Griffin illustrates how new forms of LGBTQ+ media are less “new” than we often believe. He connects cities and LGBTQ+ media through the experiences they can make available to people, which Griffin articulates as feelings, emotions, and affects. He illuminates how the limitations of these experiences—while not universally accessible, nor necessarily empowering—are often the very reasons why people find them compelling and desirable. “As a guide to

emerging queer media of our new century, Hollis Griffin is funny, generous, passionate, and lucid. Whether he's explaining Grindr's memes or the gayborhoods of Chicago, cable travel programs or online networks, Griffin discovers how it feels to be queer in the digital age." —Amy Villarejo, author of *Ethereal Queer: Television, Historicity, Desire* "Offers a piercing examination of modern identity politics focused on relationships among new forms of media consumption and marketplaces, urban centers, and the experiences of sexual minorities. . . . *Feeling Normal* is a must-read for scholars and students in queer studies and communication, media studies, film studies, and sociology."

—Choice

Gay Bar Jeremy Atherton Lin, 2021-02-09 NATIONAL BOOK CRITICS CIRCLE AWARD WINNER NAMED ONE OF THE BEST BOOKS OF THE YEAR BY: The New York Times \* NPR \* Vogue \* Gay Times \* Artforum \* "Gay Bar is an absolute tour de force."

—Maggie Nelson Atherton Lin has a five-octave, Mariah Carey-esque range for discussing gay sex." —New York Times Book Review As gay bars continue to close at an alarming rate, a writer looks back to find out what's being lost in this indispensable, intimate, and stylish celebration of queer history. Strobing lights

and dark rooms; throbbing house and drag queens on counters; first kisses, last call: the gay bar has long been a place of solidarity and sexual expression—whatever your scene, whoever you’re seeking. But in urban centers around the world, they are closing, a cultural demolition that has Jeremy Atherton Lin wondering: What was the gay bar? How have they shaped him? And could this spell the end of gay identity as we know it? In *Gay Bar*, the author embarks upon a transatlantic tour of the hangouts that marked his life, with each club, pub, and dive revealing itself to be a palimpsest of queer history. In prose as exuberant as a hit of poppers and dazzling as a disco ball, he time-travels from Hollywood nights in the 1970s to a warren of cruising tunnels built beneath London in the 1770s; from chichi bars in the aftermath of AIDS to today’s fluid queer spaces; through glory holes, into Crisco-slicked dungeons and down San Francisco alleys. He charts police raids and riots, posing and passing out—and a chance encounter one restless night that would change his life forever. The journey that emerges is a stylish and nuanced inquiry into the connection between place and identity—a tale of liberation, but one that invites us to go beyond the simplified Stonewall mythology and enter lesser-known battlefields in the struggle to carve out a

territory. Elegiac, randy, and sparkling with wry wit, Gay Bar is at once a serious critical inquiry, a love story and an epic night out to remember.

**ImageOutWrite Volume 6** Gregory Gerard,2017-08-31

ImageOut, New York's longest running LGBTQ film festival, is proud to celebrate our 2017 issue of ImageOutWrite!

ImageOutWrite, Volume Six, captures the modern LGBTQ experience in prose and poetry. Volume Six presents a broad array of LGBTQ and allied voices to enrich and entertain you while preserving the narrative of those lives. Crack the cover and lose yourself in a world where words blur the lines between feminine and masculine, where cappuccino enables the erotic, where love defies the wicked, and where beauty reveals itself in the mundane hours.

Sexuality and the Rise of China Travis S. K. Kong,2023-05-15

In Sexuality and the Rise of China Travis S. K. Kong examines the changing meanings of same-sex identities, communities, and cultures for young Chinese gay men in contemporary Hong Kong, Taiwan, and mainland China. Drawing on ninety life stories, Kong's transnational queer sociological approach shows the complex interplay between personal biography and the dramatically

changing social institutions in these three societies. Kong conceptualizes coming out as relational politics and the queer/tongzhi community and commons as an affective, imaginative means of connecting, governed by homonormative masculinity. He shows how monogamy is a form of cruel optimism and envisions state and sexuality intertwining in different versions of homonationalism in each location. Tracing the alternately diverging and converging paths of being young, Chinese, gay, and male, Kong reveals how both Western and emerging inter- and intra- Asian queer cultures shape queer/tongzhi experiences. Most significantly, at this historical juncture characterized by the rise of China, Kong criticizes the globalization of sexuality by emphasizing inter-Asia modeling, referencing, and solidarities and debunks the essentializing myth of Chineseness, thereby decolonizing Western sexual knowledge and demonstrating the differential meanings of Chineseness/queerness across the Sinophone world.

Good Men for Men Kyle Phoenix, 2014-01-02 Everyone says they want a Good Man...and quite a few say they are Good Men. Whether you're same gender loving, bisexual, straight, homosexual, omnisexual or transsexual, this book will teach you what to measure manhood and masculinity by. Author, TV host and

teacher, Kyle Phoenix has brought together all of the information, tips, strategies, action plans and identifiers that thousands of men around the world have taken advantage of to find a Good Man. Including: How to identify Good Men; How to date them---where to go, what to do, what not to do; What Good Men are looking for What Good Men avoid and why Who a Good Man is willing to be in your life and not. BONUS Chapters from Special Reports on Monogamy/Cheating in a Relationship and Dealing With it; Developing Intimacy (Skills and Exercises); and Communication (Skills and Exercises) Real life couples who've struggled with how to maintain a relationship with the challenges of life dreams, work, school, family, finances and sex then give you a peek into their unique solutions. You'll learn how to negotiate what works for you and what doesn't and more importantly how not to break up when the going gets rough in the first few weeks or few years. But what if you meet (or are) a Good Man on the cusp, how to enhance and improve to become a sensational, accountable and responsible Good Man. There's a detailed guide in here on not only things to work on in life but also the resources to make them happen. From work to starting a business to managing finances to understanding home buying to school navigation, proper sex safe sex techniques,

including lubes and condoms, and much more. Then as an added BONUS for FREE the book also contains links to dozens of articles, agencies and informational sources around the world that will help you improve every area of your life. Also you'll have access to all of the Kyle Phoenix television shows, online video classes, blogs and Special Reports. This one has it all! Why do you need this book? Because you're worth it. Your sexuality is good and natural and should be shared and loved. All you need are the skills, the tips and strategies and you're sure to discover the Good Man within yourself. And you know what other Good Men are looking for? You guessed it! Good Men!

Cooking with the Bears Angelo Sindaco, 2014 Now there is a cookbook that rises above the junk--and it's specifically designed for a subculture of hirsute, hyper-masculine homosexuals. That's right: Bears just got their very own cookbook.-Vice Munchies. Cooking with the Bears is the first and only book that uniquely captures bears creating delicious Italian dishes in their own kitchens. Photographer Angelo Sindaco explores this fascinating culture through a series of intimate portraits that seize the soul, the spirit, and the style of his subjects. -Satellite Magazine. From Gramigna with Sausages to Guinness Cake, from

Folktronic Spaghetti to Alternative Caponata, the 32 distinctive recipes in this cook-book offer an entertaining insight into cooking in the bear's den. The book even features a foreword by Mike Enders, the founder of AccidentalBear.com, the benchmark for gay art, culture, fashion and music.
