Your Angels Guard My Steps (Rekindling the Inner Fire Book #10) Bernard of Clairvaux, 1998-09-01 Writings that touch the pure-flaming heart of God ... from the men and women who walked with Him through the ages...guiding into a deeper friendship with the Father of Lights. Today, when there is so much interest in the invisible world of angels and demons, how can we know whether the speculation about angelic interventions, swordplay in the heavenlies, and signs in the sky is true? What role do angels actually play in our lives? Bernard of Clairvaux (1090-1153) stands among the rare handful of men and women gifted with true insight into the unseen, supernatural world. Known throughout the medieval church as a spiritual doctor, he was given both a spectacular vision of angels and the wisdom to understand their purposes among men. May his words fix in your soul a vision of the beauty of God himself, and may you sense the help of angels, as they guide you to the real presence of the One true Lover of your soul.

Guarding My Angel - Book Two Jocelynne Jones, 2017-04-26 *Guarding My Angel*, the story of a human soul's journey as narrated by her guardian angel, chronicles Laura's life, and also the unfolding of her spirituality: her understanding of spirituality and religion; and how it develops from a casual interest when a teenager into an inner conviction in her later years. In Book One, the guardian angel has struggled to guide Laura through the ups and downs of early childhood and adolescence; the child's spiritual growth her main concern. Laura's Christian upbringing, though a good start, has done nothing for her soul as she enters adulthood, and she often feels rejected. In Book Two, now married with two children, Laura and her family are living in Auckland, New Zealand. Though still lacking in self-esteem, the emptiness within her soul has been replenished. Yet, her husband cannot relate to this, and after many arguments asks her to leave; insisting the children remain with him. Once more she feels rejected. Living apart from her family, Laura rides an emotional roller coaster. The loves, joys and setbacks she experiences during this time; abundant enough to rock all but the spiritually resilient, prevent her from reaching the level of contentment she seeks. But thanks to spiritual convictions that are frequently tested and strengthened, she knows that no matter what her future holds, she will survive.

Without support from her husband and friends, Mary does her best to protect her daughter from what has become a nightmare.

Mary's first instinct is to seek help at a highly touted medical center that cares for AIDS patients, but she learns that the center is not what it's cracked up to be. Mary takes Angel away for a new start, and comes to realize that there's nothing more important than offering her love and spending time with her daughter. But then another tragedy strikes.
