Beautiful Star of Bethlehem Catherine Ritch Guess,2009-09-16 When Miz Eudora decides to give her highfalutin' sister-in-law, Mabel Toast Jarvis, a nice gesture for Christmas, it turns out to be a horrible present for Mabel but the best present possible for her little hometown of Smackass Gap, NC. Through her pure, simplistic childlike faith, she brings the entire town and all her many friends to realize the real meaning of Christmas in the midst of all the commercialism to which she is unaccustomed. You'll see Christmas in a whole new light – the true light of the real Star of Bethlehem.

*Candles to the Sun* Dan Isaac,Tennessee Williams,2004-09-17 This early play about coal miners struggling to improve their lives helped establish a young Tennessee Williams as a powerful new voice in American theater. The first full-length play by novice playwright Thomas Lanier Williams, Candles to the Sun opened on Thursday, March 18, 1937 and received rave reviews in the local press. The Mummers, a semi-professional and socially aware theater troupe in St. Louis, produced the play, and the combination of director Willard Holland's theater of social protest and the young Williams' talent for the dramatic depiction of poverty and its consequences proved irresistible to an audience eager for relevant social content. Set in the Red Hills coal mining section of Alabama, Candles to the Sun deals with both the attempts of the miners to unionize and the bleak lives of their families. Colvin McPherson of the St. Louis Post-Dispatch wrote that Williams, a 25-year-old Washington University senior, is revealed not only as a writer of unusual promise but one of considerable technical skill right now . . . . His writing is rarely unsteady and his play has an emotional unity and robustness. It stands on its own feet. Its characters are genuine, its dialogue of a type that must have been uttered in the author's presence, its appeal in the theater widespread. As it turns out, Tom Williams had never met a miner in his young life. As he did for another early Williams play, Spring Storm, Dan Isaac uses his directorial skills to prepare a text of Candles to the Sun that is faithful to the 1937 production while providing readers (and actors) with a social and theatrical context. William Jay Smith, former Poet Laureate of the United States and St. Louis friend of the playwright, has contributed an illuminating foreword that touches not only on his memories of the young Tom Williams and the original production of Candles, but also on the poetic nature of Williams' writing as reflected in this play.

The Evolving Universe GA Mohr, Richard Sinclair, Edwin Fear,2014-05 This revolutionary book proposes that the universe did not begin with a 'Big Bang' and that it is slowly converging to an equilibrium state. Redshift is caused by cosmic dust, not the Doppler Effect and an expanding universe. ? the universe is flat and infinite. ? Cosmic background radiation comes from the interstellar medium, not the Big Bang. ? Alternative scientific theories of the universe, including cyclic models. ? Religious and 'alien design' theories of creation. ? Were bacteria from space the first life on Earth? ? the new 'Evolving Universe' (towards equilibrium) model of the universe based on known changes in the last 10+ billion years. ?
