ABC del lowcost. Come vivere risparmiando Marco Mengoli,2013-08-04 Con ABC del low cost l'autore intende tornare sull'argomento trattandolo in modo diverso. Dopo "l'infarinatura", come Mengoli stesso la definisce, fornita ai lettori con il suo primo libro, ironico e a tratti surreale, ora l'autore si cimenta con un manuale "nudo e crudo", con tanto di indirizzi, siti Internet e indicazioni dettagliate ed esaurienti che danno la possibilità di provare davvero a vivere risparmiando. Marco Mengoli riesce nell'intento di fornire tutte queste informazioni pratiche pur senza abbandonare il tono divertito e divertente che ha caratterizzato la sua precedente pubblicazione. Sul tema della vita a basso costo, Marco Mengoli ha già pubblicato con successo per Edizioni il Ciliegio il "reality book" Una vita low cost.

Sinatra James Kaplan,2016-10-25 One of the Best Books of the Year The Washington Post • Los Angeles Times • Milwaukee Journal Sentinel The story of Frank Sinatra's second act, Sinatra finds the Chairman on top of the world, riding high after an Oscar victory—and firmly reestablished as the top

recording artist of his day. Following Sinatra from the mid-1950s to his death in 1998, Kaplan uncovers the man behind the myth, revealing by turns the peerless singer, the (sometimes) powerful actor, the business mogul, the tireless lover, and—of course—the close associate of the powerful and infamous. It was in these decades that the enduring legacy of Frank Sinatra was forged, and Kaplan vividly captures “Ol’ Blue Eyes” in his later years. The sequel to the New York Times best-selling *Frank*, here is the concluding volume of the definitive biography of The Entertainer of the Century.

The Negro Motorist Green Book Victor H. Green, The idea of The Green Book is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

What White Parents Should Know about Transracial Adoption Melissa Guida-Richards, 2021-10-05 The White Fragility for transracial adoption--practical tools for nurturing identity, unlearning white saviorism, and fixing the mistakes you don't even know you're making. If you're the white parent of a transracially or internationally adopted child, you may have been told that if you try your best and work your hardest, good intentions and a whole lot of love will be enough to give your child the security, attachment, and nurturing family life they need to thrive. The only problem? It's not true. *What White Parents Should Know About Transracial Adoption* breaks down the dynamics that frequently fly under the radar of the whitewashed, happily-ever-after adoption stories we hear so often. Written by Melissa Guida-Richards--a transracial, transnational, and late-discovery adoptee--this book unpacks the mistakes you don't even know you're making and gives you the real-life tools to be the best parent you can be, to the child you love more than anything. From original research, personal stories, and interviews with parents and adoptees, you'll learn: What parents wish they'd known before they adopted--and what kids wish their adoptive parents had done differently What white privilege, white saviorism, and toxic positivity are...and how they show up, even when you don't mean it How your child might feel and experience the world differently than you All about microaggressions, labeling, and implicit bias How to help your child connect with their cultural heritage through language, food, music, and clothing The 5 stages of grief for adoptive parents How to start tough conversations, work with defensiveness, and process guilt

The Culture of the Europeans Donald Sassoon, 2006 A magisterial narrative account of the creation and consumption of all forms of 'culture' across the European continent over the last 200 years.
