Guitar Exercises For Dummies Mark Phillips, Jon Chappell, 2020-07-14 A guitar-playing practice guide with hundreds of warm-up and technique-building exercises If you already play some guitar but need some practice, you're in the right place. *Guitar Exercises For Dummies* is a friendly guide that provides just enough need-to-know information about practicing scales, chords, and arpeggios in the context of specific skills and techniques to help you maximize its 400+ exercises and improve your guitar playing. (If you need instruction on topics like buying or tuning a guitar and playing basic chords, check out *Guitar For Dummies*.) This practical book starts off with warm-up exercises (on and off-instrument) and then logically transitions to scales, scale sequences, arpeggios, arpeggio sequences, and chords, with a focus on building strength and consistency as well as refining technique. Each section helps you to practice correct hand and body posture and experience variations, such as fingering options and hand positions, and then ends with a brief musical piece for you to try. You can also practice incorporating other facets of musical performance in your exercises, such as: Tempo Time signature Phrasing Dynamics The book wraps up with tips to help you maximize your practice time (like setting goals for each session), ways to improve your musicianship (such as studying other performers' body language), and an appendix that explains the accompanying website (where you can find audio tracks and additional information). Grab your guitar, grab a copy of *Guitar Exercises For Dummies*, and start perfecting your finger picking today. P.S. If you think this book seems familiar, you're probably right. The Dummies team updated the cover and design to give the book a fresh feel, but the content is the same as the previous release of *Guitar Exercises For Dummies* (9780470387665). The book you see here shouldn't be considered a new or updated product. But if you're in the mood to learn something new, check out some of our other books. We're always writing about new topics!

Guitar Practice Leonard Mayer,2021-04-19 ★ 55% OFF for Bookstores ! NOW at \$ 29.95 instead of \$ 39.95 ! LAST DAYS ★ Do you want to play the most famous guitar songs in a few days? Would you like to learn how to play the guitar through a practice step-by-step book? If yes, there are no doubts: Guitar Practice is the book definitely for your customers! When most beginner guitarists starts to play guitar, they generally either decide to give up attempting to know the guitar completely or maintain attempting to get better, but acknowledge that they're never going to be as great as their favorite musicians. Luckily, this doesn't have to be the truth for you. Anyone can grow into an extremely sophisticated guitar player with the correct practice and instruments to achieve this objective. Obviously, it is not realistic to suggest a magical guitar training schedule that will work for every individual who reads this book, but there are a number of practice exercises that all excellent guitarists use to solve their guitar difficulties in order to achieve consistent strides in their musical abilities. The purpose of this book is to guide you in setting up the foundations that you will need to learn and master in order to reach that level from which you can easily build upon and further develop your guitar skills (and your skills as a musician as well). You've probably heard of the house analogy: If you don't have a proper foundation set, everything you build upon later is going to eventually collapse. That's why you need a strong foundation. Many people find this out the hard way and give up too early because they struggle with learning something that is way

beyond their skill level. They haven't spent enough time mastering all the necessary foundational skills. There are also other factors for giving up, like lack of motivation, negative beliefs and self-talk, being impatient and focusing too much on the end result. By learning guitar you can become a better version of yourself more intelligent, creative and confident. You will be proud of yourself each victory, however minor, is an accomplishment! I'm speaking from experience and from what I've seen happen to others who started playing guitar and decided to stick with it. In this book, you will learn more about: - Introduction to guitar - What's the importance of learning to play a guitar? - Developing skills learning more about your guitar - Most common guitar types - Skills to master - Identify notes on the guitar fretboard - Chord changes and other chords you should probably know - How to tune your guitar - Picking the tools for guitaring - Habits that will make you a better guitarist - Common beginner mistakes and how to overcome them - Learn basics guitar chords and practice exercises - Practice test exercises to evaluate preparation - 10 Famous song to play with your guitar ... AND MORE!!! Buy it NOW and let your customers get addicted to this amazing book
