Guns, Guts and Glory Rachna Bisht Rawat,2019-06-18 1965: Stories from the Second Indo-Pakistan War On 1 September 1965, Pakistan invaded the Chamb district in Jammu and Kashmir, triggering a series of tank battles, operations and counter-operations. It was only the bravery and well-executed strategic decisions of the soldiers of the Indian Army that countered the very real threat of losing Kashmir to Pakistan. Recounting the battles fought by five different regiments, the narrative reconstructs the events of the 1965 Indo-Pakistan war, outlining details never revealed before, and remembers its unsung heroes. Shoot, Dive, Fly: Stories of Grit and Adventure from the Indian Army SHOOT, DIVE, FLY aims to introduce teenagers to the armed forces and tell them about the perils-the rigours and the challenges-and perks-the thrill and the adventure-of a career in uniform. Ballroom dancing, flying fighter planes, detonating bombs, skinning and eating snakes in times of dire need, and everything else in between-there's nothing our officers can't do!. Read twenty-one nail-biting stories of daring. Hear from some amazing men and women about what the forces have taught them-and decide if the olivegreen uniform is what you want to wear too. The Brave: Param Vir Chakra Stories Twenty-one riveting stories about how India's highest military honor was won. Talking to parents, siblings, children and comrades-in-arms to paint the most vivid character-portraits of these men and their conduct in battle and getting unprecedented access to the Indian Army, Rachna Bisht Rawat takes us to the heart of war, chronicling the tales of twenty-one of India's bravest soldiers.

Covered With Mud and Glory: A Machine Gun Company in Action ("Ma Mitrailleuse") Georges Lafond,2019-11-19 *Covered With Mud and Glory...* is a novel about the First World War as told by a soldier in France at the time. Sergeant-Major Georges Lafond, of the Territorial Hussars, the author, was in South America at the time of mobilization. He returned to France as soon as possible and joined his corps, but asked to be assigned as intelligence officer to the machine-gun sections of the first regiment of Colonial Infantry. With this picked corps, he took part in the engagements in Champagne, on the Somme, at Lihons, Dompierre, Herbécourt, and notably in the days from the first to the fifth of July, where the regiment earned its second citation and received the fourragère. Lafond was discharged after the battles of Maisonnnette, and wrote this book of recollections in the hospital at Abbeville, and afterwards at Montpellier, where he had to undergo a severe operation. Sergeant-Major Lafond's narrative makes no claim to literary pretension, but it is simply a collection of actual occurrences. It is a series of short narratives which give the life of a company of machine gunners from the day of its formation to the hour when it was so decimated that it had to be reorganized with men from other corps.

Three Guns for Glory J.R. Roberts,

Gunner's Glory Johnnie Clark,2007-12-18 They were warriors, trained to fight, dedicated to their country, and determined to win. At Guadalcanal, the Marine Corps' machine gunners took everything the Japanese could throw at them in one of the bloodiest battles of World War II; their position was so hopeless that at one point they were given the go-ahead to surrender. Near the Chosin Reservoir in Korea, as the mercury dropped to twenty below, the 1st Marine Division found itself surrounded and cut off by the enemy. The outlook seemed so bleak that many in Washington had privately written off the men. But surrender is not part of a Marine's vocabulary. *Gunner's Glory* contains true stories of these and other tough battles in the Pacific, in Korea, and in Vietnam, recounted by the machine gunners who fought them. Bloody, wounded, sometimes barely alive, they stayed with their guns, delivering a stream of firepower that often turned defeat into victory—and always made them the enemy's first target.

Guns, Grit, and Glory Michael Hogan, 2020-01-26 Congress declared in 1864 that it could never accept a foreign monarchy in Mexico. Upon the signing of the surrender at Appomattox Courthouse by 1865, General Ulysses S. Grant freed up over 50,000 men to send to the Texas-Mexico border under the command of Philip Sheridan. In addition, many local organizations called Monroe Doctrine Societies had organized to raise volunteers, weapons, and supplies to support the Mexican Army. One group, the American Legion of Honor, was commissioned by the Mexican president, and played an active role in support of the Mexican forces fighting the French invaders. Members of the US Colored Troops also accepted discharges at the end of the Civil War and aided Mexico in the conflict. Finally, Matías Romero, Mexico's tireless ambassador to the United States, raised money from US investors through Mexican bonds. Those funds financed the purchase of advanced artillery and repeating rifles. The addition of veteran ex-Union officers to the Mexican forces helped turn the ragtag guerrilla bands of the Mexican resistance into an organized military. They handily defeated the French imperial army at Querétaro, captured the Emperor, retook Mexico City, and restored the Republic.

Suid, 2015-01-13 Guts and Glory: The Making of the American Military Image in Film is the definitive study of the symbiotic relationship between the film industry and the United States armed services. Since the first edition was published nearly two decades ago, the nation has experienced several wars, both on the battlefield and in movie theatres and living rooms at home. Now, author Lawrence Suid has extensively revised and expanded his classic history of the mutual exploitation of the film industry and the military, exploring how Hollywood has reflected and effected changes in America's image of its armed services. He offers in-depth looks at such classic films as Wings, Thirty Seconds Over Tokyo, The Longest Day, Patton, Top Gun, An Officer and a Gentleman, and Saving Private Ryan, as well as the controversial war movies The Green Berets, M*A*S*H, the Deer Hunter, Apocalypse Now, Platoon, Full Metal Jacket, and Born on the Fourth of July.

Gun Glory R. A. Jones, 2015-01-16 HIS NAME WAS MANKILLER Young Jason Mankiller never believed his surname was an omen of his future until the Civil War broke out and he joined the Union Army. Fate took him to the fields of Gettysburg. By the time the battle ended, he was sitting atop a small rise surrounded by the bodies of dozens of Confederate troopers. Days later, while drunk, his fellow soldiers had tears of blood tattooed onto his face. From that day forward, the Man Who Cried Blood's reputation spread far and wide. Ten years later, Jason Mankiller is in Ft. Rogers, Texas, hoping to find a job and bury his past. But the blood tattoo won't let him escape the gunfighter's trail. Writer R.A. Jones delivers an old fashioned western adventure in the grand tradition of Max Brand and Louis L'Amour. Here are pioneering men and women facing the birth of a new American destiny that will demand their blood, sweat, tears and sacrifice. For Jason Mankiller, that promise of a better life will be claimed at the end of a smoking gun.
