Mobile Suit Gundam: THE ORIGIN 7 Yoshiyuki

Tomino, 2014-09-30 The biggest name in Japanese science fiction—Gundam—returns with one of its creators retelling its origins 25 years after the series debuted. Caught in the crossfire of a space civil war, teenager Amuro Ray accidentally finds a new mobile weapon—the RX-78 Gundam. In the seventh volume of Gundam: THE ORIGIN, the Zeon have begun to show their might against the Earth Federation. For the longest time there has been a belief that the Zeon have evolved into a new form of man. These Spacenoids have not been forced to the stars; they were destined to them. And while there are still Earth colonies across the solar system, the Zeon were chosen to unify them all. Ultimately, the politics of space and the oppression shown by The Confederation has driven

the Zeon to make some brutal choices . . . some of them akin to genocide!

Gundam Yoshikazu Yasuhiko,2003-09-03 Amuro returns to his mother's home in Mexico but finds drunken Federation soldiers. When he discovers her working at a hospital, she tries to hide him from Zeon soldiers. Illustrations.

Turning to Wallpaper Heidi Wong,2021-09-28 Wear poetry as both perfume and armor. Wong's words and artistry are both vibrant with color, richly textured, defiant, and unapologetic in their boldness. Her speaker begins her spiritual journey of remembrance that transcends body, tradition, or even nation in the pursuit of authentic art that is constructed through the radical acceptance of the past in order to leave it all behind. *Turning to Wallpaper* is a story where no wounds are left unfronted or softened. It is beautiful, without beauty. There is pain, but no victimhood.

Mobile Suit Gundam Thunderbolt, Vol. 1

, 2016-11-15 An epic story of war and survival set in the legendary Gundam universe! In the Universal Century year 0079, the space colony known as Side 3 proclaims independence as the Principality of Zeon and declares war on the Earth Federation. One year later, they are locked in a fierce battle for the Thunderbolt Sector, an area of space scarred by the wreckage of destroyed colonies. Into this maelstrom of destruction go two veteran Mobile

Suit pilots: the deadly Zeon sniper Daryl Lorenz, and Federation ace Io Fleming. It's the beginning of a rivalry that can end only when one of them is destroyed. The lightning-streaked debris fields are about to become the stage for an epic duel where death is the only true winner.

The Bones of Ruin Sarah Roughley, 2022-10-25 An African tightrope walker who can't die gets embroiled in a secret society's deadly gladiatorial tournament in this "bloodily spectacular" (Chloe Gong, New York Times bestselling author of *These Violent Delights*) historical fantasy set in an alternate 1880s London, perfect for fans of *The Last Magician* and *The Gilded Wolves*. As an African tightrope dancer in Victorian London, Iris is used to being strange. She is certainly an unusual sight for leering British audiences always eager for the spectacle of colonial curiosity. But Iris also has a secret that even "strange" doesn't capture... She cannot die. Haunted by her unnatural power and with no memories of her past, Iris is obsessed with discovering who she is. But that mission gets more complicated when she meets the dark and alluring Adam Temple, a member of a mysterious order called the Enlightenment Committee. Adam seems to know much more about her than he lets on, and he shares with her a terrifying revelation: the world is ending, and the Committee will decide who lives...and who doesn't. To help them choose a leader for the upcoming apocalypse, the Committee is holding the Tournament of Freaks, a macabre competition made up of vicious fighters with fantastical abilities. Adam wants Iris to be his

champion, and in return he promises her the one thing she wants most: the truth about who she really is. If Iris wants to learn about her shadowy past, she has no choice but to fight. But the further she gets in the grisly tournament, the more she begins to remember—and the more she wonders if the truth is something best left forgotten.
