*Rudyard Kipling* Page Cooper,1926

**God and Guns** Jeff Robinson,2012-03-15 God and Guns is a biblical view of the right to bear arms. If you love either God or Guns you'll love this book as you see how guns lower crime and even prevent crime. God and Guns is packed with helpful tactics that will prepare you in an encounter, including the aftermath. Also included is a gun log and safety tips to keep you and your loved ones safe. First, we must find out what Jesus has to say about the subject of putting our faith in a man-made weapon for survival. You might be surprised and find a new sense of joy as you realize He promoted the carrying of weapons. Be careful, this life changing book may alter the world as you see it.

Christianity in the Greco-Roman World Moyer V. Hubbard,2010-01-01 Background becomes foreground in Moyer Hubbard's creative introduction to the social and historical setting for the letters of the Apostle Paul to churches in Asia Minor and Europe. Hubbard begins each major section with a brief narrative featuring a fictional character in one of the great cities of that era. Then he elaborates on various aspects of the cultural setting related to each particular vignette, discussing the implications of those venues for understanding Paul's letters and applying their message to our lives today. Addressing a wide array of cultural and traditional issues, Hubbard discusses: • religion and superstition • education, philosophy, and oratory • urban society • households and family life in the Greco-Roman world This work is based on the premise that the better one understands the historical and social context in which the New Testament (and Paul's letters) was written, the better one will understand the writings of the New Testament themselves. Passages become clearer, metaphors deciphered, and images sharpened. Teachers, students, and laypeople alike will appreciate Hubbard's unique, illuminating, and well-researched approach to the world of the early church.

*Index to Dramatic Readings* Agnes K. Silk,Clara Elizabeth Fanning,1925

The Virgin Muse; Or, First Attempts in Verse, of Master Marmaduke Alington, Under the Instruction of Mr. John Carr, Master of the Grammar School, at Hertford Marmaduke Alington,1777

**Children's Catalog** ,1909

**God, Guns, and Guts of Firearm Defense** S. I. G. Swanstrom,2023-06-27 This isn't a feel-good churchy pie-in-the-sky treatment of this subject. It's a needed exposé of what the Bible teaches about these controversial topics. It also includes details on the Bible beliefs and faith of the Founding Fathers of the U.S., and it documents the original meaning of the U.S. Constitution and Bill of Rights. In the process, this book brings much-needed clarity to these often-debated topics.

**The Overland Monthly** ,1917

**Midwatch in Verse** David E. Johnson,Gary Guinn,2023-02-14 Naval deck logs require young officers to record mundane details of a ship's condition every few hours. According to a U.S. Navy tradition, the New Year's midwatch log--covering midnight to early morning of January 1--can be entered as poetry. Each chapter of this first book-length examination of midwatch poems presents verses written 1941-1946 aboard a ship engaged in combat during World War II, including celebrated warships like the USS Enterprise and nameless vessels like PC 1264. Historical overviews of the ships' operations, along with biographical sketches of the author(s), relate each poem to its moment in history.

*A Galaxy of Verse, Vol. 36, No. 1* Barbara Blanks, Editor,2016-05-19 A Galaxy of Verse Literary Foundation is a non-profit 501-c (3) organization that publishes member-submitted poems, hosts cash-prize contests, and aims to produce two issues of its anthology each year. Membership is \$20/year. Members receive two anthologies, and may enter contests at no additional charge. (Non-members may enter contests for \$5 each. Winners are published, but anthologies must be purchased.) Patronage is greatly appreciated to help fund printing, postage and other expenses. Many of GOV's members are award-winning and/or published poets. For complete information about A Galaxy of Verse, please visit [www.barbara-blanks.com](http://www.barbara-blanks.com), and click on the appropriate links.

Beating Guns Shane Claiborne,Michael Martin,2019-03-05 ★ Publishers Weekly starred review Parkland. Las Vegas. Dallas. Orlando. San Bernardino. Paris. Charleston. Sutherland Springs. Newtown. These cities are now known for the people who were shot and killed in them. More Americans have died from guns in the US in the last fifty years than in all the wars in American history. With less than 5% of the world's population, the people of the US own nearly half the world's guns. America also has the most annual gun deaths--homicide, suicide, and accidental gun deaths--at 105 per day, or more than 38,000 per year. Some people say it's a heart problem. Others say it's a gun problem. The authors of Beating Guns believe it's both. This book is for people who believe the world doesn't have to be this way. Inspired by the prophetic image of beating swords into plows, Beating Guns provides a provocative look at gun violence in America and offers a clarion call to change our hearts regarding one of the most significant moral issues of our time. Bestselling author, speaker, and activist Shane Claiborne and Michael Martin show why Christians should be concerned about gun violence and how they can be part of the solution. The authors transcend stale rhetoric and old debates about gun control to offer a creative and productive response. Full-color images show how guns are being turned into tools and musical instruments across the nation. Charts, tables, and facts convey the mind-boggling realities of gun violence in America, but as the authors make clear, there is a story behind every statistic. Beating Guns allows victims and perpetrators of gun violence to tell their own compelling stories, offering hope for change and helping us reimagine the world as one that turns from death to life, where swords become plows and guns are turned into garden tools.

St. Nicholas Mary Mapes Dodge,1920

*A Time to Kill: The Bible and Self Defense* Greg Hopkins,2019-08-06 This book is intended to give moral and ethical guidance on the subject of self-defense, which necessarily includes citations of law and various legal principles. However, the citations and examples used in this book apply only to the specific situations herein and must not be construed as legal advice in or for any specific situation. Furthermore, the recommendations, descriptions of weapons, tactics or actual use-of-force accounts must not be undertaken or used without first

obtaining professional legal and self-defense advice from experienced lawyers and certified instructors IN YOUR OWN STATE. Self-defense laws and the legality of owning various weapons differ from state to state (and county to county and city to city in some states), including state and federal laws governing legal transportation of various weapons. The reader is encouraged to study the recommended works cited to gain a better understanding of use-of-force principles and methods, and then seek out hands-on training from qualified instructors before attempting to actively defend himself or others. Self-teaching or unskillful use of active defensive weapons and martial arts can result in serious injury or death. Self-defense is an individual decision. The reader has a personal, moral, and legal obligation to use power and knowledge responsibly and legally and is personally liable for improper use-of-force.

This Enthralling World of E-book Books: A Detailed Guide Unveiling the Pros of Kindle Books: A Realm of Convenience and Versatility E-book books, with their inherent mobility and simplicity of access, have liberated readers from the limitations of physical books.
