*Visiting a Gurdwara* Kanwaljit Kaur-Singh,2014-04 A visit to a gurdwara is an excellent introduction to the Sikh religion. Practices at the gurdwara show the key Sikh beliefs that all people are equal before the one God and that it is every Sikh's duty to serve others. Children find out about the Guru Granth Sahib and how Sikhs respect it as their teacher.

**Beyond Punjab** Himadri Banerjee,2023-01-30 This book focuses on Sikh communities in east and northeast India. It studies settlements in Bihar, Odisha, West Bengal, Assam, Meghalaya, and Manipur to understand the Indian Sikhs through the lens of their dispersal to the plains and hills far from Punjab. Drawing on robust historical and ethnographic sources such as official documents, media accounts, memoirs, and reports produced by local Sikh institutions, the author studies the social composition of the immigrants and surveys the extent of their success in retaining their community identity and recreating their memories of home at their new locations. He uses a nuanced notion of the internal diaspora to look at the complex relationships between home, host, and community. As an important addition to the study of Sikhism, this book fills a significant gap and widens the frontiers of Sikh studies. It will be indispensable for students and researchers of sociology and social anthropology, history, migration and diaspora studies, religion, especially Sikh studies, cultural studies, as well as the Sikh diaspora worldwide.

Keystones Kanwaljit Kaur-Singh,2000-09-01 How are names chosen for Sikh babies? What is krah prashad and why do Sikh eat it? What does a granthi do? The children in this book visit a gurdwara to help them find out about Sikhism and what it means to be a Sikh. From the people they talk to and the objects they are shown, the children build up a picture of what Sikhs believe and how they worship. The book includes a time-line showing the history of Sikhism and there are ideas for further activities.

*Sikh Shrines in India* G. S. Randhir,1990 The Sikh Gurus had a unique place amongst the spiritual leaders, preceptors, reformers and saints of India. Their teachings have universal appeal and hold good in all the ages and at all times. The impact of their teachings cannot be easily fathomed. Spiritually and ethically they have influenced the life, thinking and conduct of millions.

International Bibliography of Sikh Studies Rajwant Singh Chilana,2006-01-16 The International Bibliography of Sikh Studies brings together all books, composite works, journal articles, conference proceedings, theses, dissertations, project reports, and electronic resources produced in the field of Sikh Studies until June 2004, making it the most complete and up-to-date reference work in the field today. One of the youngest religions of the world, Sikhism has progressively attracted attention on a global scale in recent decades. An increasing number of scholars is exploring the culture, history, politics, and religion of the Sikhs. The growing interest in Sikh Studies has resulted in an avalanche of literature, which is now for the first time brought together in the International Bibliography of Sikh Studies. This monumental work lists over 10,000 English-language publications under almost 30 subheadings, each representing a subfield in Sikh Studies. The Bibliography contains sections on a wide variety of subjects, such as Sikh gurus, Sikh philosophy, Sikh politics and Sikh religion. Furthermore, the encyclopedia presents an annotated survey of all major scholarly work on Sikhism, and a selective listing of electronic and web-based resources in the field. Author and subject indices are appended for the reader's convenience.

**Gurdwaras in India and Around the World** Patwant Singh,Gurmeet Thukral,1992 The first-ever book on the Gurdwaras, this brilliantly written book tells in graphic and vivid detail the moving story of the Sikhs and their house of prayer. The Gurdwaras emerged as a new edifice on India's religious landscape in the seventeenth century. Ever since then this indestructible symbol of the Sikh faith has stirred intense and indefinable feelings in millions of Sikhs everywhere. These feelings range from a yearning for the comforting peace of its sacred precincts, and the ever abiding fragrance of marigolds and rose petals, to a longing to hear recitations from the Guru Granth Sahib, and the shabads rendered to the robust and resonant voices of the ragis. There is also the urge to savor the Karah Parsad once again - the sacramental food blessed by the Lord and given to all who visit a Gurdwara. Each of these experiences are so elevating as to bring tears to many eyes. This brilliantly written book tells the moving story of the Sikhs and their house of Prayer. It is told in graphic and vivid detail - from the founding of the Sikh faith to the time the Gurdwara became the enduring source of self-renewal and inspiration for all Sikhs. The narrative creates beautiful images of compassion, courage, fortitude and valor to commemorate which the Sikhs built most of their historic Gurdwaras. Many of these shrines are blessed by their association with the ten founding Gurus of the faith. The text, and the stunning photographs in striking color which accompany it, combine to make this first-ever book on the Gurdwaras a tour de force: a celebration of a powerful symbol which represents Sikhism's pride, faith, and its most cherished beliefs. The images and emotions this book arouses are unending. Each sustained by the inner wellspring of belief, hope, pride, passion and ecstasy: that rich mix of feelings which imbues Sikhs with love and confidence in their faith. And in their house of God - the Gurdwara. With their distinctive appearance, adventuresome spirit, sense of service and exemplary work ethic, Sikhs have created a powerful impact the world over. And wherever they have put their toots down there stands the Gurdwara - the abiding symbol of their pride and devotion, place of prayer and piety. In this extraordinary book - the first of its kind ever published- the inspired text takes the reader on a magical exploration of the Darbar Sahib at Amritsar; of other historic Gurdwaras in India and Pakistan and through many distant lands like Iran, Iraq, US, Canada, UK,

Burma, Bangladesh and Australia where Sikhs have built noble edifices in honor of their faith. Published for the first time here are photographs of rare relics, paintings, weapons, armor, manuscripts, memorabilia and much else which provide valuable insights into those stirrings times during which the Sikhs were asserting with compassion, courage and valor - and against amazing odds - their rights to live by the spiritual, social and philosophic goals laid down by their Gurus.

*The Gurdwara Reform Movement and the Sikh Awakening* Teja Singh,2015-06-02 Excerpt from The Gurdwara Reform Movement and the Sikh Awakening I consider it an honour to be asked to introduce this book to the public with a few words of my own. In the rapid march of events all over the country during the past two years, nowhere has Mahatma Gandhi's non-violent non-co-operation been so completely vindicated as at Tarn Taran, Nankana Sahib and Gum-ka-bagh by the calm and cool courage, and the patient, and even cheerful, sufferings of the Akalis in the face of cruelties, inhumanities and death. The story of the recent remarkable awakening among the Sikhs, their struggles for the freedom and purification of their historical places of worship, their disappointments and triumphs, will, I am sure, be read everywhere with absorbing interest. As an eye-witness of some of the thrilling, if tragic, incidents narrated by the author, I cannot help remarking that the simple rustics, who mainly composed the Akali Jathas, appeared to us as the heroes of a twentieth century Epic which was being enacted before our very eyes. I hope it will not be long before the story of their heroism, inspired by a sublime idealism, is immortalised in verse by a poet of eminence.
