**Gustave Flaubert: Madame Bovary, Salammbô & Sentimental Education (3 Books in One Edition)** Gustave Flaubert,2017-12-06 Madame Bovary, written by Gustave Flaubert, was published in 1857 in French. The story focuses on a doctor's wife, Emma Bovary, who has adulterous affairs and lives beyond her means in order to escape the banalities and emptiness of provincial life. Though the basic plot is rather simple, even archetypal, the novel's true art lies in its details and hidden patterns. Salammbô (1862) is a historical novel by Gustave Flaubert. It is set in Carthage during the 3rd century BC, immediately before and during the Mercenary Revolt which took place shortly after the First Punic War. Sentimental Education (1869) is a novel by Gustave Flaubert, and is considered one of the most influential novels of the 19th century. The novel describes the life of a young man living through the revolution of 1848 and the founding of the Second French Empire, and his love for an older woman. The novel's tone is by turns ironic and pessimistic; it occasionally lampoons French society. The main character, Frédéric, often gives himself to romantic flights of fancy. Gustave Flaubert ( 1821 - 1880) was an influential French writer who is counted among the greatest novelists in Western literature. He is known especially for his first published novel, Madame Bovary (1857), for his Correspondence, and for his scrupulous devotion to his art and style.

*The Personal Correspondence of George Sand & Gustave Flaubert* Gustave Flaubert,George Sand,2017-06-21 You worry me when you tell me that your book will blame the patriots for everything that goes wrong. Is that really so? and then the victims! it is quite enough to be undone by one's own fault without having one's own foolishness thrown in one's teeth. Have pity! There are so many fine spirits among them just the same! Christianity has been a fad and I confess that in every age it is a lure when one sees only the tender side of it; it wins the heart. One has to consider the evil it does in order to get rid of it... Gustave Flaubert (1821-1880) was an influential French writer who was perhaps the leading exponent of literary realism of his country. He is known especially for his first published novel, Madame Bovary, for his Correspondence, and for his scrupulous devotion to his style and aesthetics. The celebrated short story writer Maupassant was a protégé of Flaubert. Amantine-Lucile-Aurore Dupin (1804-1876), best known by her pseudonym George Sand, was a French novelist and memoirist. She is equally well known for her much publicized romantic affairs with a number of artists, including the composer and pianist Frédéric Chopin and the writer Alfred de Musset. She corresponded with Gustave Flaubert. Despite their obvious differences in temperament and aesthetic preference, they eventually became close friends.

*Madame Bovary - Gustave Flaubert* Gustave Flaubert,2021-06-15 Madame Bovary by Gustave FlaubertThis collector's edition is cleanly formatted for easy reading, 12 point Garamond, 1.15 spacing. Emma is bored and wants excitement and makes a complete mess of her life. In the process she destroys the life of her very provincial husband who also happens to be a good man. The story is tragic and at times frustrating but well worth reading.After marrying Charles Bovary, an ordinary country doctor, Emma Rouault hopes to have the adventurous life of passion and intrigue that she reads about in books. However, she is disappointed with her husband and her simple life. It is anything but the romantic excitement she longs for. In her desire to fulfill her dreams she travels down a winding path of adultery and deception.When Madame Bovary appeared in La Revue de Paris in October 1856, public prosecutors attacked it for obscenity. The resulting trial in January 1857 made the story notorious. After Flaubert's acquittal in February 1857, Madame Bovary was published in book form and became an instant bestseller. The novel is considered Flaubert's master-piece, and one of the most influential literary works in history. The British critic James Wood writes: Flaubert(s)influence is almost too familiar to be visible.

Bouvard and Pecuchet, the Original Classic Novel Gustave Flaubert,2015-03-28 As there were thirty-three degrees of heat the Boulevard Bourdon was absolutely deserted. Farther down, the Canal St. Martin, confined by two locks, showed in a straight line its water black as ink. In the middle of it was a boat, filled with timber, and on the bank were two rows of casks. Beyond the canal, between the houses which separated the timber-yards, the great pure sky was cut up into plates of ultramarine; and under the reverberating light of the sun, the white facades, the slate roofs, and the granite wharves glowed dazzlingly. In the distance arose a confused noise in the warm atmosphere; and the idleness of Sunday, as well as the melancholy engendered by the summer heat, seemed to shed around a universal languor. Two men made their appearance. One came from the direction of the Bastille; the other from that of the Jardin des Plantes. The taller of the pair, arrayed in linen cloth, walked with his hat back, his waistcoat unbuttoned, and his cravat in his hand. The smaller, whose form was covered with a maroon frock-coat, wore a cap with a pointed peak. As soon as they reached the middle of the boulevard, they sat down, at the same moment, on the same seat. In order to wipe their foreheads they took off their headgear, each placing his beside himself; and the little man saw Bouvard written in his neighbour's hat, while the latter easily traced Pecuchet in the cap of the person who wore the frock-coat. Look here he said; we have both had the same idea-to write our names in our head-coverings Yes, faith, for they might carry off mine from my desk. 'Tis the same way with me. I am an employe. Then they gazed at each other. Bouvard's agreeable visage quite charmed Pecuchet.
