How to Start Engaging Conversations on Women's, Men's, or Family Studies with Wealthy Strangers Anne Hart, 2007-04-03 Sicilian-American Women's, Men's, and Family Studies Professor, psychoanalyst, and night radio talk show personality, Anna Falco's dad always told her that the lower our self esteem, the more we want to be someone different from ourselves, and the more we want someone different from ourselves. He made a point that the higher our self esteem, the more we want someone like ourselves. Anna Falco added something more to that: her belief that couples with self-respect will respect each other. Not one of Anna's clients came from families where the husband and wife or child and parent respected one another. That could be one huge reason why family wars grew into world wars. Now family wars had become full-blown race wars in the streets of Los Angeles. Skip an octave, and old hatreds of differences fanned flames between the 'haves' and 'have-nots.' She offered to trade the wisdom of age for the energy of youth. But it all boiled down to honor between family members. Anna explained the difference between self-esteem and self-respect. Being an older woman reminded Wrenboy (the troubled court-appointed street teen that she had adopted) of a mother hen capable of

caging his freedom. Her lined face reminded him of his own mortality at a time when he felt invincible and desperately lonely for a loving family. Would he fear her strident voice hammering him back into childhood? Or would he accept her globetrotting to repair the world with kindness? In his search for power and autonomy, he concluded it is easier to rebel.

The Single Gal's Guide to Shopping for a Great Guy Tiffany Yvonne Grant, 2015-07-14 Are you single and loving this season of your life? Are you single and longing to become somebody's wife? Are you single due to divorce but looking for a fresh start? Are you single because death made the two of you part? Have you never had a ring on it? Are you about to get a ring on it? Are you praying for someone to put a little bling bling, a toy ring, or even a piece of string on it? Gals, author Tiffany Yvonne Grant knows exactly how you feel. She is single too! Tiff's The Single Gal's Guide to Shopping for a Great Guy compares shopping to living single and looking for love—God's way. Tiff's goal is to help singles navigate through today's sex-saturated society that says you have to sell yourself cheap, compromise your market value, and display and giveaway your "goods" to catch a great deal (i.e., a great guy). You'll learn how to date, find a mate, be a good friend, and love good men. The Single Gal's Guide to Shopping for a Great Guy will confirm, convict, challenge, convince, and maybe even change how you walk through this single season of your life. You'll be reminded that you are valuable to God and that you should be valued by men that you date. (Plus, until the wedding night, you are worth the wait!) So grab Tiff's book and read it with gals and guys

that you adore. The Single Gal's Guide to Shopping for a Great Guy has lots of great stuff "in store" and will have you looking at your shopping trips like never before!

Girls Who Like Boys Who Like Boys Melissa de la Cruz, Tom Dolby, 2007-05-17 A literary celebration of one of the most important relationships in a straight girl's life—her gay best friend This collection of original essays goes beyond the banter to get to the essence of an intimate relationship like no other. With a foreword by Tales of the City author Armistead Maupin, Girls Who Like Boys Who Like Boys brings together pieces by National Book Award winner Andrew Solomon (The Noonday Demon), novelist Gigi Levangie Grazer (The Starter Wife), Barneys New York creative director Simon Doonan (Nasty), and many others from all walks of life. In addition to stories of gays and gals bonding over brunch, these essays chronicle love and lust, infatuation and heartbreak, growing up and coming out, and family and children. With genuine warmth, this definitive anthology proves that more durable than diamonds, straight women and gay men are each other's true best friends.
