**Start Your Own Travel Hosting Business** The staff of Entrepreneur Media,Jason R. Rich,2017-04-11 GET PAID FOR YOUR PAD An ever-growing number of travelers are searching for more convenient and low-cost accommodation alternatives, as opposed to staying at traditional hotels. As a result, online-based services like Airbnb, FlipKey, HomeAway, Roomorama, and VRBO are making it easy for you to list extra bedrooms or your entire home, condo, or apartment, as a short-term rental option for travelers. Start Your Own Travel Hosting Business will help you make intelligent renting decisions, take appropriate actions and precautions, and deal with realistic expectations while protecting yourself, your property, and your personal belongings. It will help you quickly acquire the core knowledge you need to become a successful travel host and teach you how to:

- Prepare your property, maximize amenities, and create a house manual for your guests
- Create a listing that generates the highest possible revenue using tips from Superhosts
- Attract a constant flow of short-term renters and business travelers with the perfect nightly rate
- Apply a variety of tools and resources that will make handling your responsibilities as a travel host easier and less time consuming
- Interact with your guests, earn the best possible ratings and reviews, and avoid the most common pitfalls and mistakes made by first-time hosts
- Calculate your expenses, understand your tax obligations, and generate the highest possible revenue

You'll also gain valuable insight from in-depth and exclusive interviews with veteran Airbnb hosts and executives within the travel hosting industry. Whether you choose to rent through Airbnb, HomeSuite, Kid & Coe, or take your rentals to sea via Yachtico, this book will help you get started.

**Turn Your Spare Space into Serious Cash** Mary Christensen,2018-05-29 Why not make money off that empty room? Home-hosting platforms like Airbnb have inspired millions of homeowners to start a vacation rental business. One room is all it takes to generate real income-if you know what you're doing. The short-stay marketplace has grown increasingly competitive. Bad reviews can torpedo bookings, while problem guests can strain your property and sanity. Before you leap, let this helpful guide steer you in the right direction. Written by an experienced host who earned almost \$50,000 in her first year, Turn Your Spare Space into Serious Cash provides an unvarnished picture of what to expect and step-by-step instructions for succeeding in your new venture. Packed with stories both heart-warming and hair-raising, it explains how to: Prepare your space \* Price it right \* Choose the best hosting websites \* Make your listing pop \* Offer a welcoming experience \* Keep even the most demanding guests happy \* Get five-star reviews \* Protect your privacy and your property \* Stay on top of legal, tax, and business matters \* And more Sharing your home with strangers can be frustrating and disruptive . . . or fun and lucrative. This book helps you minimize the headaches and maximize your rewards.

**Make Huge Profits With Homeaway Bookings!** Paulo Fernandes,2016-11-07 Make Huge Profits with HomeAway Bookings! I believe that almost anything you want to achieve, someone else already achieved it, know how to achieve it, or achieved something very similar, and can help you / mentor you / give you some highly effective tips in order to get your goals. The vacation rental industry is by far the most opportunity mining travel niche with over \$100 billion dollars annual revenue. In the pre-Internet era, vacation rentals were a largely mom-and-pop industry. Today, this cottage industry has blown up. The success of HomeAway attracted some of the biggest names in travel to the emergent vacation rental industry. Choice Hotels, for example, is getting into the vacation rental business, and Priceline recently said alternative accommodations would be a promising source of growth. The category already accounts for almost half of Priceline's property roster thanks in large part to Villas.com, which Priceline's Booking.com business launched in 2014. Wait! There is also big profitable opportunity here for individuals. If huge brands make billions in profits, the industry has enough dime for any individual to make big money, too. This dramatically fast growing industry opens path to the newest trendiest business opportunities. Anyone can do this without prior experience in selling bookings! A safe simple to establish business with no or low budget investment that will stay as long as sites like HomeAway stay in business. Vacation rentals sales associates as opposed to the common travel agent focuses only on a few properties in a single location and markets those listing with view to profit. A vacation rental sales associate has so to speak only a few products but almost zero operation costs because HomeAway does all the marketing. Any individual can take advantage of this rising industry and make an independent lifestyle online. HomeAway believes vacation rentals are under-penetrated for the core target of families and groups. Moreover, as most experts agree, this is just the tip of the iceberg as the industry is expected to keep up the rapid growth over the next decade. Many hotels run properties that match vacation rentals characteristics. Units that have a kitchen where independent travelers have self-catering options are vacation rental types. Almost any hotel that rents condos accepts help from almost anyone. Help that pays high commissions as long as the available inventory needs to be sold! This is exactly where this business opportunity you are about to read was born! Mainly, because condo hotels run busy operations while they do love working with instant bookings sites like expedia they avoid any site where inquiries ask questions. This is exactly where sales associates come into place and make huge profits on rental commissions without having to own a vacation rental! But frankly: Would you mind to answer 2 or 3 messages that result in a US\$ 500 commission? This book is an easy step by step guide to show you how to succeed making online rental profits from commission payouts by using HomeAway platform.

**Home Away from Home** N. Michelle Murray,2018-12-28 Home Away from Home: Immigrant Narratives, Domesticity, and Coloniality in Contemporary Spanish Culture examines ideological, emotional, economic, and cultural phenomena brought about by migration through readings of works of literature and film featuring domestic workers. In the past thirty years, Spain has experienced a massive increase in immigration. Since the 1990s, immigrants have been increasingly female, as bilateral trade agreements, migration quotas, and immigration policies between Spain and its former colonies (including the Dominican Republic, Ecuador, Equatorial Guinea, and the Philippines) have created jobs for foreign women in the domestic service sector. These migrations reveal that colonial histories continue to be structuring elements of Spanish national culture, even in a democratic era in which its former colonies are now

independent. Migration has also transformed the demographic composition of Spain and has created complex new social relations around the axes of gender, race, and nationality. Representations of migrant domestic workers provide critical responses to immigration and its feminization, alongside profound engagements with how the Spanish nation has changed since the end of the Franco era in 1975. Throughout Home Away from Home, readings of works of literature and film show that texts concerning the transnational nature of domestic work uniquely provide a nuanced account of the cultural shifts occurring in late twentieth- through twenty-first-century Spain.
