Gypsy Witch(R) Fortune Telling Playing Cards deck provides an easy-to-learn method of divination. Each Gypsy Witch(R) card is numbered and displays a pictorial illustration of the card's symbolic meaning. Individual meanings of the cards are also written on the card faces. Standard cards are shown in miniature in the upper left corner. The 55-card pack includes a small instruction booklet with two methods of laying out the cards for a short reading, and a long reading. The significance of each card is determined by its context and position in the layout. Gypsy Witch(R) Fortune Telling Cards are based on the divination system attributed to Mlle Lenormand, the celebrated 18th century French mystic and fortuneteller. Mlle Lenormand's prophetic powers were known throughout Europe. She predicted the rise and fall of Napoleon with astounding accuracy. Gypsy Witch(R) Fortune Telling Playing Cards were first introduced in 1903 and have been published continuously since. Just like the tarot, ordinary playing cards can be used to give insight into a person's life and personality and a glimpse into the future. There are many theories about the history of cartomancy but it is thought that the Gypsies who left their native lands to roam introduced fortune-telling cards to Europe in the fifteenth century. The 52-card deck originally came from the 78-card tarot deck and although today many gypsies read the Tarot, some Romani families still keep up the old tradition of reading ordinary playing cards. As with tarot there are many different ways to interpret the cards and this book contains a range of easy to understand methods for reading ordinary playing cards with detailed meanings for each card. Here you will find all you need to know about cartomancy and before you know it you will be amazing your family friends with your accurate readings.

Gypsy Fortune Telling Tarot Kit Raymond Buckland, 1998-07-01
Now you can tell fortunes just as the Gypsies have done for hundreds of years when you use Ray Buckland's Gypsy Fortune Telling Tarot Deck. The Gypsies have always been associated with the Tarot, and may even have been the group that introduced them to Europe over 600 years ago. Ray Buckland, famous for his works on Witchcraft, is from a Gypsy (Romani) family and reveals the secrets

of Gypsy fortune telling with this deck and forty-eight page booklet. Although the traditional Tarot deck with its Major and Minor Arcana totalling seventy-eight cards was used by Gypsies, such decks were often hard to obtain. Thus, many Gypsies altered standard decks of playing cards to use for Tarot readings. This deck is based upon the one Ray Buckland's grandmother used. The cards are the size of a deck of playing cards, so they are easier to carry than other decks. The twenty-two cards of the Major Arcana are numbered starting with one and have images from Gypsy life, usually involving the vardo, or Gypsy wagon. The booklet not only gives the meaning of the symbols but also the way the cards should be interpreted. The Minor Arcana cards look like a regular deck of playing cards, but the aces each have a different vardo on them and there are four face cards in each suit. The people on them are typical Gypsies. Again, the booklet explains the way to interpret the cards. The booklet includes a full ten Tarot spreads that you can use, some published here for the first time. If you are interested in Gypsies or the Tarot, you must have this deck.
