Maids Katie Skelly, 2020-10-13 The scandalous true crime story about the Papin Sisters, as told by one of comics' most stylized talents. Christine Papin, an overworked live-in maid, is reunited with her younger sister, Lea, who has also been hired by the wealthy Lancelin family. They make the estate's beds, scrub the floors, and spy on the domestic strife that routinely occurs within its walls. What starts as petty theft by the maids – who are flashing back to their tumultuous time in a convent – shortly turns into something more nefarious. Madame Lancelin's increasingly unhinged abuse ignites the sisters' toxic upbringing and social class exploitation and explodes into a ghastly double murder, an event that shocked and fascinated 1930s France and beyond. *Maids* has high bravura and high intrigue, all drawn in Skelly's highly stylized manner, which combines the best of pop art, manga, and Eurocomics.

**A River Again** Chari Towne, 2012-11-09 In a short time, the Schuylkill went from being considered waters of uncommon purity to being this country's dirtiest river. That distinction resulted in the Schuylkill River becoming the focus of a precedent-setting river cleanup effort from 1947 to 1951. The Commonwealth of Pennsylvania hired a team of engineers to free the Schuylkill from the millions of tons of coal sediment that had filled its bed and raised its floodplain. The Schuylkill River Project Engineers dredged the river and

trapped sediment in desilting pools, the kind of practices that river restorations are undertaken to undo today. But at the end of the project, the Schuylkill emerged A RIVER AGAIN.
