**Baumgartner Generations: Janie** Selena Kitt,2010-06-03 Janie has moved to New York to try to make it as a writer, all the while serving as part-time lover in a polyamorous relationship with Veronica and TJ and full-time nanny to their daughter, Beth. Janie's life is already incredibly full when she runs into an agent one morning who sees great potential in her—and not just as an author. As Janie's relationship with Josh blooms and her career takes off, Ronnie's happy surprise turns into a problem that even a vacation in a mountain cabin with the Baumgartners can't fix, throwing everyone's life off-kilter. Janie, especially, is spread thin, trying to please everyone while keeping Josh from finding out the true nature of her relationship with her benefactors. She knows she has to tell him eventually, but fear holds her back. Will she lose him? Will she be forced to make an impossible choice? Or will she, perhaps, find that the capacity for the human heart to love is, indeed, endless?-----Warnings: This title contains erotic situations, graphic language, a ménage a trois (MFF threesome), lesbian sex and a hookup turned romance that will curl your toes!-----IF YOU LIKED BAUMGARTNER GENERATIONS: JANIE,you may want to have more fun with this family!A Baumgartner ChristmasThe Baumgartners Plus OneBabysitting the BaumgartnersA Baumgartner ReunionMeet the BaumgartnersBaumgartner Generations: HenryLetters to the Baumgartners-----EXCERPT:Would it be wrong to tell you how much I want to kiss you? His eyes were silver in the moonlight, his breath full of sake.No, I whispered, putting my arms around his neck. It would be really wrong not to do it, though.You think? His lips met mine before I could think of a response, before I could think at all. He tasted like sake, too, but so did I. I wasn't sure it was the sake, though, that was sending the fire flowing through my veins as we kissed. I slipped a hand through his hair, all those dark curls, as his mouth slanted across mine and our tongues began to explore. I forgot where we were, I forgot everything but the feel of his body against mine, my breasts pressed against his chest as he pulled me in closer.Janie, I want you, he whispered, kissing my neck, enveloping me in his arms. I could feel that—his cock hard through his trousers, pressed against my belly. Would it be wrong to take you home with me tonight?I shivered as he lavished kisses over my neck and shoulders, his breath hot, coming almost as fast as mine. I wanted to answer him, to tell him yes, but I was too afraid. What would happen then, I wondered? What would it be like, waking up with Josh but having to face Catherine in the morning? How was this going to work?Josh, I murmured as his hands moved down my back, cupping my ass, squeezing gently as his tongue made little circles over my collarbone. God, if he kept that up, I was going to be inviting him back to my place, and I didn't even want to think about the consequences of that, what Ronnie and TJ would

say. You feel so good, he groaned, and before I knew it, we were kissing on a park bench, Josh pulling me into his lap. My dress was too tight to allow me to straddle him properly, so he pushed it up and grabbed my hips, crushing the red silk of my panties directly against the heat of his erection. I could feel it through his trousers, riding up and down as we rocked together. Oh god, I moaned softly when he broke off to stroke my breasts through my dress, kissing the swell of my cleavage. I could see the hunger in his eyes when he looked up at me in the glow of a street light. Please, Josh... He slipped a hand behind my neck, pulling my mouth down to his, kissing me breathless. When I slid my hand between us to feel the length of his cock through the thin material, he groaned...

*Let's Pretend This Never Happened* Jenny Lawson,2013-03-05 The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. “Gaspingly funny and wonderfully inappropriate.”—O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let's Pretend This Never Happened*, Lawson's long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives.
