Hanging Out and Hanging On Elsa Nunez, 2014-05-07 Hanging Out and Hanging on: From the Projects to the Campus chronicles the progress of students from Hartford and Manchester, Connecticut, who are enrolled in the Dual College Enrollment Program (DCEP) at Eastern Connecticut State University. "Hanging Out" sets the stage for describing the program by first reaching back in time to tell of Dr. Núñez's own beginnings in Puerto Rico and Newark, New Jersey, of her struggles as a non-English speaking elementary school student and her triumphs in high school and college. The next section of the book describes the lives of Latinos in Connecticut and the social, economic, and educational challenges they have faced over time. Her personal experiences and desire to improve the lives of the underprivileged led Dr. Núñez to create the DCEP Program. Through the words of faculty and staff and the personal accounts of six DCEP students, you will read stories of desperation and hope, of struggle and triumph, of heart-breaking failure and stunning success. We hope their story can serve as a model for other communities to follow.

**Divorced Girl Smiling** Jackie Pilossoph,2013-11-23 Smile! It's not just the end of your marriage, it's the beginning of your second chance! Missy Benson has a two and a half carat diamond engagement ring with color grade H, VS2 clarity and a value of \$36,000. It's absolutely gorgeous, practically flawless, and let's be honest, really big! But what the successful Chicago realtor doesn't have anymore is a husband. After 12 years of marriage, her husband, Paul, a handsome, wealthy attorney has devastated her by breaking up their marriage for Priscilla Sommerfeld, a young, personal trainer, who according to Missy's sassy assistant, J.J., looks more like a Las Vegas stripper than a fitness expert. Not sure what to do with her ring, and with no financial issues to worry about, Missy decides to put it up for sale on Craigslist. The price: 99 cents! The catch: She gets to pick the buyer. In essence, she's looking for the perfect guy, but not for herself. Her hope is to regain faith that good men do exist, and that marriages can last forever. Now referring to herself as the divorced girl, Missy interviews dozens of young men who are vying for the huge ring. It's a contest that includes outrageous characters, hilarious and sentimental stories, and two finalists, both of whom Missy adores and who she must choose between. Then there's Parker Missoni, the sexiest contestant by far, who drives her crazy with his brutal honesty, and at the same time stops her heart with his deep brown eyes. Divorced Girl Smiling is the story of a woman's journey to do whatever it takes to heal herself from divorce. It's about acceptance, reflection, taking accountability for mistakes, and appreciating all of life's wonderful gifts. In other words, if you have the guts to put the past behind, admit your mistakes, embrace your future, and give love another chance, you will surely be a divorced girl smiling.

If He Had Been with Me Laura Nowlin,2013-04-02 If he had been with me everything would have been different... I wasn't with Finn on that August night. But I should've been. It was raining, of course. And he and Sylvie were arguing as he drove down the slick road. No one ever says what they were arguing about. Other people think it's not important. They do not know there is another story. The story that lurks between the facts. What they do not know--the cause of the argument--is crucial. So let me tell you...

*Sometimes I Lie* Alice Feeney,2018-03-13 My name is Amber Reynolds. There are three things you should know about me: 1. I'm in a coma. 2. My husband doesn't love me anymore. 3. Sometimes I lie. Amber wakes up in a hospital. She can't move. She can't speak. She can't open her eyes. She can hear everyone around her, but they have no idea. Amber doesn't remember what happened, but she has a suspicion her husband had something to do with it. Alternating between her paralyzed present, the week before her accident, and a series of childhood diaries from twenty years ago, this brilliant psychological thriller asks: Is something really a lie if you believe it's the truth?

**Warning Signs** Brian Johnson,Laurie Berdahl,2016-08-01 Warning Signs provides practical methods to reduce harm to and by children. Doctors Johnson and Berdahl present the most common risk factors and warning signs, along with practical parenting advice and strategies for raising strong, safe kids and protecting them from becoming either perpetrators or victims. They explain how the old risk factors--child abuse and neglect, domestic violence, sexual assault, and poverty--have been compounded by new ones in the past 20 years, such as violent media, kids' entitled attitudes, parents' fear of intervention, and increases in childhood mental illness, disrupted families, substance use, bullying, access to weapons, and social media. They provide sample language for tough conversations with kids and with other adults. Full of specific, practical ideas, this book will appeal to parents who want to raise kind and compassionate children.

**Saving Grace** A.D. Justice, I wanted to ask for a divorce. Instead of the fight I expected, she agreed--with a few stipulations, all of which revolved around our son leaving for college in the fall. Keeping those promises would be a challenge, no doubt. But all I had to do was uphold my end of the deal then walk away without a backward glance. Somewhere along the way, our charade became my reality. With each day that passes, I realize time is once again my enemy. I can't lose her a second time. I'll never walk away--she healed my soul. Saving Grace is now my only hope.
