Europe's Debt to Russia Charles Sarolea,1916

Russia's Theatrical Past Claudia R.

Jensen, Ingrid Maier, Stepan Shamin, Daniel C.

Waugh, 2021-06-01 In the 17th century, only

Moscow's elite had access to the magical, vibrant world of the theater. In *Russia's Theatrical Past*,

Claudia Jensen, Ingrid Maier, Stepan Shamin, and

Daniel C. Waugh mine Russian and Western archival sources to document the history of these

productions as they developed at the court of the

Russian tsar. Using such sources as European

newspapers, diplomats' reports, foreign travel

accounts, witness accounts, and payment records,

they also uncover unique aspects of local culture

and politics of the time. Focusing on Northern

European theatrical traditions, the authors

explore the concept of intertheater, which

describes transmissions between performing

traditions, and reveal how the Muscovite court's

interest in theater and other musical

entertainment was strongly influenced by

diplomatic contacts. *Russia's Theatrical Past*,

made possible by an international research

collaborative, offers fresh insight into how and

why Russians went to such great efforts to rapidly

develop court theater in the 17th century.

They Created the Hangman Curtis L

Fong, 2016-04-11 Prisoner X was executed. The whole

world saw him die. A higher power had a better use

for him. They turned him into a mandroid. They

codenamed him The Hangman.

Detective Inspector Tony McLean faces a series of

uncannily similar apparent suicides that lead him to believe that there is something sinister on the streets of Edinburgh that is behind it all.

Hangman's Bridge Curtis Bent, 2021-12-07 Through a variety of activities ranging from pulling weeds in Delta asparagus and sugar beet fields to playing hang tag during a two-a-day summer football practices on Delta bridges, Curtis shares vivid experiences with the reader that the Delta and the San Joaquin Valley offer. All is not simply fun and games in Curtis' rite of passage as he becomes aware of the profound impact that water holds on his family and environment of the state of California. Through personal experiences, Curtis shares basic facts with the reader such as the following: it takes five gallons of water for a walnut to reach market; a levee is reinforced with junked cars for eight miles to save the agricultural fields; or there is only one river in the U.S that has not been dammed, the Yellowstone. Through the supportive, enlivened narrative of his family, friends, and acquaintances, Curtis weaves a compelling story that includes his establishing a school for challenged youth. As the main character, Lou, processes the gathered information, Lou takes a radical stand to confront the abuses that impact our socioeconomic culture. The novel culminates in a violent conclusion, to which the reader is asked, What would you do?

The Weed That Strings the Hangman's Bag Alan Bradley, 2010-03-09 NATIONAL BESTSELLER • "Flavia is incisive, cutting and hilarious . . . one of

the most remarkable creations in recent literature.”—USA Today Flavia de Luce, a dangerously smart eleven-year-old with a passion for chemistry and a genius for solving murders, thinks that her days of crime-solving in the bucolic English hamlet of Bishop’s Lacey are over—until beloved puppeteer Rupert Porson has his own strings sizzled in an unfortunate rendezvous with electricity. But who’d do such a thing, and why? Does the madwoman who lives in Gibbet Wood know more than she’s letting on? What about Porson’s charming but erratic assistant? All clues point toward a suspicious death years earlier and a case the local constables can’t solve—without Flavia’s help. But in getting so close to who’s secretly pulling the strings of this dance of death, has our precocious heroine finally gotten in way over her head? **BONUS:** This edition includes an excerpt from Alan Bradley's *A Red Herring Without Mustard*, discussion questions, and an essay by the author.

Library of the World's Best Literature, Ancient

and Modern: A-Z ,1902

A Library of the World's Best Literature - Ancient and Modern - Vol.XXVI (Forty-Five Volumes); Moliere-Myths Charles Dudley Warner,2008-07-01 Popular American essayist, novelist, and journalist CHARLES DUDLEY WARNER (1829-1900) was renowned for the warmth and intimacy of his writing, which encompassed travelogue, biography and autobiography, fiction, and more, and influenced entire generations of his fellow writers. Here, the prolific writer turned editor for his final grand work, a splendid survey of global literature, classic and modern, and it's not too much to suggest that if his friend and colleague Mark Twain-who stole Warner's quip about how everybody complains about the weather, but nobody does anything about it-had assembled this set, it would still be hailed today as one of the great achievements of the book world. Highlights from Volume 26 include: . the writings of Moliere . the letters of Lady Mary Wortley Montagu . the political philosophy of Montesquieu . the poetry of Thomas Moore . the work of William Morris . the nature writings of John Muir . the myths and folklore of the Ayrar peoples . and much, much more.

Murder Most Russian Louise McReynolds,2012-12-15 How a society defines crimes and prosecutes criminals illuminates its cultural values, social norms, and political expectations. In *Murder Most Russian*, Louise McReynolds draws on a fascinating series of murders and subsequent trials that took place in the wake of the 1864 legal reforms enacted by Tsar Alexander II. For the first time

in Russian history, the accused were placed in the hands of juries of common citizens in courtrooms that were open to the press. Drawing on a wide array of sources, McReynolds reconstructs murders that gripped Russian society, from the case of Andrei Gilevich, who advertised for a personal secretary and beheaded the respondent as a way of perpetrating insurance fraud, to the beating death of Marianna Time at the hands of two young aristocrats who hoped to steal her diamond earrings. As McReynolds shows, newspapers covered such trials extensively, transforming the courtroom into the most public site in Russia for deliberation about legality and justice. To understand the cultural and social consequences of murder in late imperial Russia, she analyzes the discussions that arose among the emergent professional criminologists, defense attorneys, and expert forensic witnesses about what made a defendant's behavior criminal. She also deftly connects real criminal trials to the burgeoning literary genre of crime fiction and fruitfully compares the Russian case to examples of crimes both from Western Europe and the United States in this period. Murder Most Russian will appeal not only to readers interested in Russian culture and true crime but also to historians who study criminology, urbanization, the role of the social sciences in forging the modern state, evolving notions of the self and the psyche, the instability of gender norms, and sensationalism in the modern media.

Hangman's Dozen David Alexander, 1961
The Guards Spoke Russian Aryeh

Malkish,2023-04-10 Aryeh Malkish, a Ukrainian Jew, was an engineering student in Ryazan when the KGB arrested him in 1969 for organizing a group of political dissidents. He was sent to the gulag for seven years, where Ukrainians accounted for nearly half of Russia's millions of political prisoners. Originally published in 1978, his trenchant memoir vividly describes life in a Soviet labor camp, where disfiguring pathologies flourished in an atmosphere of unrelenting suspicion and cruelty and intrenched antisemitism.

The Hangman's Companion Joseph Flynn,2010-09-13 Jim McGill, the first private eye to live in the White House, calls himself The President's Henchman. As the husband of President Patricia Darden Grant, he can call himself pretty much what he wants. But with privilege comes obligation. When Patti travels to a G-8 meeting in England, McGill is fitted for evening wear and drafted to be Patti's escort at a gilded dinner. He's okay with that. But while Patti is busy reshaping the world, McGill fears his time will be occupied cutting ribbons. Then Glen Kinnard's daughter, Emilie, asks for help. McGill knows Kinnard from their days as Chicago cops. They were never friends and once almost came to blows. But McGill is a soft touch for a young woman looking out for her dad, and, oh, does Kinnard need help. Taking the ashes of his late wife to her native Paris, Kinnard got into a fight with the star player of the French national soccer team. The brawl under the Pont d'Iéna, the bridge at the foot of the Eiffel Tower, left Kinnard unconscious and the Frenchman dead. Kinnard swears he was only trying to protect a

woman the Frenchman was beating. But the woman has disappeared. The French allow McGill to investigate, provided he accepts Gabriella Casale, a State Department Security Officer as his bodyguard, that he works with the investigating magistrate assigned to the case, and that he wraps things up in a week. In Paris, McGill encounters gypsy con artists, British soccer hooligans and a monstrous brute known as The Undertaker. And he tries to ignore rumors reaching him that the president of France was Patti's old college boyfriend, and things back in England are heating up once again. Time is short and there's a lot to do— because at the end of the week McGill still has to don his white tie and tails for dinner with Patti and the Queen at Buckingham Palace.
