Fart Science Nishi Singh, 2015-11-10 This book on fart is meant to be both fun and educational at the same time. It will explore in depth about why flatulence occurs and what exactly happens in our body to cause gas. Children will also learn about why farts create different sounds and smells. There are very good reasons for why farts smell and sound the way they do, so it is important to learn these reasons. Not only will this help them manage their own farts better, but can help educate others as well. It may seem like an uncomfortable topic to talk about with their friends and family, but it doesn't have to be. Flatulence is a biological function that could even be caused by diseases or cancers in the body. Rhythm, Chord & Malykhin Mariana Zapata, 2015-08-26 Twenty-six-year-old Gaby Barreto might be a lot of things (loyal, sarcastic, one of the guys and a pain in the butt depending on which family member you ask), but dumb isn't one of them. When her twin brother invites her to go on tour as his band's merch girl, she isn't exactly screaming at the top of her lungs with joy. With no job opportunities pounding on her door, an ex-boyfriend she would still like to castrate, and no end in sight to moving out of her parents' house in Dallas... it would be dumb to say no to the chance of a lifetime.

Two bands, three continents, one tour. Spending the next ninety-plus days with three beloved idiots and eight complete strangers shouldn't be a big deal, right? If on the singer of the headlining band didn't have tattoos... a great personality... a fantastic body... and if he wasn't so funny.... Let's be real: Gaby never had a chance against Sacha Malykhin.

Lies Across America James W. Loewen, 2019-09-24 A fully updated and revised edition of the book USA Today called jim-dandy pop history, by the bestselling, American Book Award-winning author The most definitive and expansive work on the Lost Cause and the movement to whitewash history. -Mitch Landrieu, former mayor of New Orleans From the author of the national bestseller Lies My Teacher Told Me, a completely updated-and more timely than ever-version of the myth-busting history book that focuses on the inaccuracies, myths, and lies on monuments, statues, national landmarks, and historical sites all across America. In Lies Across America, James W. Loewen continues his mission, begun in the award-winning Lies My Teacher Told Me, of overturning the myths and misinformation that too often pass for American history. This is a one-of-a-kind examination of historic sites all over the country where history is literally written on the landscape, including historical markers, monuments, historic houses, forts, and ships. New changes and updates include: • a town in Louisiana that was the site of a major but now-forgotten enslaved persons' uprising • a totally revised tour of the memory and intentional forgetting of slavery and the Civil War in Richmond, Virginia • the hideout of a gang in Delaware that made money by kidnapping free blacks and selling them into slavery Entertaining and enlightening, Lies Across America also has a serious role to play in contemporary debates about white supremacy and Confederate memorials.

How to Cuss in Western Michael P. Branch, 2018-08-28 Where nature writing meets humor—a raucous, hilarious look at life in the high desert of Nevada, from the author of *Raising Wild* and *Rants from the Hill*.
