For Every Minute You are Angry You Lose Sixty Seconds of Happiness , 2005 I met Charles Albert Lucien Snelling on a Saturday in April, 1992. He lived in a typical two-up, two-down terraced house amongst many other two-up, two-

down terraced houses... it was yellow and orange. In that respect it was totally different from every other house on the street. Charlie was a simple, gentle man. He loved flowers and the names of flowers. He loved color and surrounded himself with color. He loved his wife. Without ever trying or intending to, he showed me that the most important things in life cost nothing at all. He was my antidote to modern living. Over eight years, photographer Julian Germain documented Charlie, an elderly man living alone on England's Southern Coast, unfettered by the misplaced aspirations of the modern world; instead he spent the last years of his life absorbed in memories of his family, his love for flowers, music and the quotidian pleasures of the crossword. Germain's charming photographs are a beautiful, gentle portrait of a gentleman in his twilight years.

Angry Cookie Laura Dockrill, 2019-03-12 Famed spoken-word poet Laura Dockrill's hilarious read-aloud about an outraged baked good! Oooohhh . . . not you again! AGGGHH It's so bright! . . . Close this book this very second, you nosy noodle! Cookie has woken up on the wrong side of the bed and is very angry. You want to know why? Well, you'd have to keep reading to find out, but now Cookie's calling you annoying and telling you to mind your own business. If by chance you do stick around, you might hear about a certain roommate's terrible musical skills, why you should never let your barber try out a "new look," how it's impossible to find a hat that fits a cookie, and why an ice-cream parlor that's out of your favorite treat can be a source of desolation. Then there's the matter of a hungry bird who tries to snack on you. . . . Propelled by quirky humor and woes that every young child can relate to, *Angry Cookie* suggests that sometimes the best way to cheer up a grumpy lump is simply by being there – and lending your ears.
