Always Put in a Recipe and Other Tips for Living from Iowa's Best-Known Homemaker Evelyn Birkby, 2012-09-15 In 1949, Iowa farm wife Evelyn Birkby began to write a weekly column entitled “Up a Country Lane” for the Shenandoah Evening Sentinel, now called the Valley News. Sixty-three years, one Royal typewriter, and five computers later, she is still creating a weekly record of the lives and interests of her family, friends, and neighbors. Her perceptive, closely observed columns provide a multigenerational biography of rural and small-town life in the Midwest over decades of change. Now she has sifted through thousands of columns to give us her favorites, guaranteed to delight her many longtime and newfound fans. Evelyn begins with her very first column, whose focus on the Christmas box prepared by a companionable group of farm wives, the constant hard work of farming, and an encounter with an elderly stranger over a yard of red gingham sets the tone for future columns. Optimistic even in the wake of sorrow, generous-spirited but not smug, humorous but not folksy, wise but not preachy, Evelyn welcomes the adventures and connections that each new day brings, and she masterfully shares them with her readers. Tales of separating cream on the back porch at Cottonwood Farm, raising a teddy bear of a puppy in addition to a menagerie of other animals, surviving an endless procession of Cub and Boy Scouts, appreciating a little boy’s need to take his toy tractor to church, blowing out eggs to make an Easter egg tree, shopping for bargains on the day before Christmas, camping in a converted Model T “house car,” and adjusting to the fact of one’s tenth decade of existence all merge to form a world composed of kindness and wisdom with just enough humor to keep it grounded. Recipes for such fare as Evelyn’s signature Hay Hand Rolls prove that the young woman who was daunted by her editor’s advice to “put in a recipe every week” became a talented cook. Each of the more than eighty columns in this warmhearted collection celebrates not a bygone era tinged with sentimentality but a continuing tradition of neighborliness, Midwest-nice and Midwest-sensible.

The Golden Name Day Jennie D. Lindquist, 2022-02-03 While her mother is recovering from an illness, nine-year-old Nancy travels to her mother's childhood friends who are like family. Grandpa and Grandma Benson, together with Aunt Martha and young cousins Sigrid, Elsa, and Helga, welcome Nancy into their Swedish-American heritage of songs, traditions, and name day parties. Enthralled by the notion of name days, Nancy eagerly looks for her name in the Swedish Almanac, but without success. The Benson family—young and old—rally in search of an answer to her dilemma. In the meantime, Nancy keeps busy meeting the household pets; crafting May baskets with the other girls; taking trips to the farm with Aunt Martha, and helping Grandpa Benson make his best name day cake ever. It seems like each week brings new activities to enjoy—but she is no closer to having a name day of her own! In this Newbery Honor book, Jennie D. Lindquist draws on her experience growing up in a family with two sets of holidays, both American and Swedish. She portrays Nancy's year-long visit in such a household with authenticity and charm.

September 11: An Oral History Dean E. Murphy, 2002-10-01 About 3,000 people lost their lives in the terrorist attacks on New York City and Washington, D.C., on September 11, 2001. Thousands more narrowly escaped, their survival a result of eerily prescient spur-of-the-moment decisions, acts of superhuman courage, the unfailing kindness of strangers, and, in some cases, fortuitous strokes of luck. *September 11: An Oral History* unites the voices of that day. It is at once a dramatic reminder of one of the most devastating events in history of the nation and a tribute to the spirit of cooperation and the outpourings of empathy that marked that day for so many people in the United States and abroad. Written and compiled by Dean E. Murphy, who covered the attacks on the World Trade Center for the New York Times, *September 11: An Oral History* presents vivid eyewitness accounts by those who rushed to the scene, as well as the stories of people around the country and abroad who watched as events unfolded on television and waited for news of friends, family, and acquaintances. A priest who runs an adoption center near the WTC paints an unforgettable portrait of what he calls the meeting place of Hell and Earth that morning; a businessman from Los Angeles in New York to conduct a training seminar recounts in breathstopping detail his descent with a blind colleague from the 78th floor of the North Tower; a senior at a high school; the owners of a small business in Arkansas describe their thoughts and feelings as they waited to hear from a customer who had become part of their lives though they had never actually met him; and a civilian employee at the Pentagon recalls giving up hope in a smoke-filled office, her hair on fire, only to be led to safety by the soothing voice of a colleague. Contributions from firefighters, police, and military personnel, and other rescue workers demonstrate the mixture of professionalism and humanity that justly elevated them, despite their own modesty, to the status of national heroes. There are stories, too, of those who narrowly missed being part of the mayhem—including a family of four who changed their plane

reservations from one of the hijacked jets and others whose arrivals at work were delayed by unlikely coincidences and quirks of fate like forgetting to turn on the coffeepot the night before. The first and only oral history of September 11 that presents people from all walks of life, these poignant, often harrowing vignettes capture the grief, rage, and fear that gripped the nationj--and offer an intimate, inspiring look at the strengths that enabled us to move on.

Boy Crazy Angela Weiss,2015-04-29 LOTS OF LAUGHS AND A FEW WELL-EARNED TEARS A TIME-BOUND TALE WITH TIMELESS APPEAL
Angela?s home life forces her to grow up too fast. A popular school leader and “closet nerd,” Angela responds by enshrining carefree fun as a virtue when it comes to the opposite sex. Bart Aikens, filmmaker, The Vampire’s Dance How does a good girl coming of age in 1950s Albany, New York, play the field when boys control the dating game? The boys who like Angela aren’t always the ones she pines for in her diary. Angela is dismayed that boys look down on the girls they have pushed to go all the way. She wants to avoid a fast reputation but yearns for no-strings-attached flirtations and slow dances with as many cute guys as she can juggle. Angela confides in and treasures her emancipated, artistic mentor. Sparks fly when her parents bar Angela from acting on her dating preferences. The events of one summer night forever color Angela’s family relationships but cannot diminish her boy-crazy ways. The secret thrills in Angela’s Boy Crazy diary harken back to the days when Elvis was young and cell phones, computers, and the sexual revolution had yet to change American life. Reading Boy Crazy is like being a GoPro action camera in the life of a girl, getting to see through her eyes as she grows from child to young woman in a life filled with boys, men, happy times and tragedies, dances and historical events...this is life in the raw...Boy Crazy provides a refreshingly unique journey...Angela is aware and involved...I loved this book and the vicarious living it provided. Sherre Lovick, novelist, aerospace engineer, pilot, musician, dancer C’mon, let’s admit it. We’d look, if we could, at that diary of a lover, friend, or family member. We would. We want to know the secrets. We don’t look, of course, out of courtesy and politeness. But what if someone courageously offered us a look into her diary, into her life, her mind, her heart? I found the look Angela offered fascinating, entertaining, and moving. Now it’s your turn. Go ahead, take a look. You know you want to.
